

A45D

HAIRDRESSING OR SHAVING EQUIPMENT; MANICURING OR OTHER COSMETIC TREATMENT (wigs, toupees, or the like A41G3/00, A41G5/00; hairdressers' chairs A47C1/04; hair cutting appliances, razors B26B)

Definition statement

This subclass/group covers:

- Processes of waving, straightening or curling hair;
- Hair-curling or hair-waving appliances, e.g. curling-tongs;
- Devices for heating or accessories for hair curling appliances;
- Hair holding devices;
- Devices for washing or colouring the hair or scalp;
- Hair drying devices or accessories therefor;
- Devices for removing superfluous hair, e.g. tweezers;
- Hair combs or accessories therefor;
- Shaving accessories;
- Manicuring or pedicuring implements;
- Artificial nails;
- Containers, casings or accessories for handling toilet or cosmetic substances;
- Sachet pads for liquid substances;
- Hand, pocket, or shaving mirrors;
- Hairdressers' equipment, e.g. protecting mantles, stands for performing hairdressing work, specially adapted furniture;
- Other toilet or cosmetic equipment.

References relevant to classification in this subclass

This subclass/group does not cover:

Wigs, toupees or the like	A41G 3/00 , A41G 5/00
Hairdressers' chairs	A47C 1/04

Hair cutting appliances, razors	B26B

Use of cosmetic or similar toilet preparations	A61Q
Spraying or atomising apparatus; Nozzles	B05B
Applying liquids to surfaces in general	B05C
Containers in general	B65D

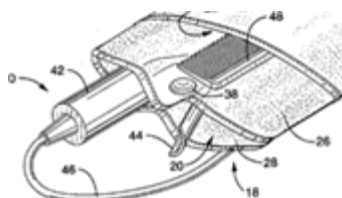

A45D 1/00

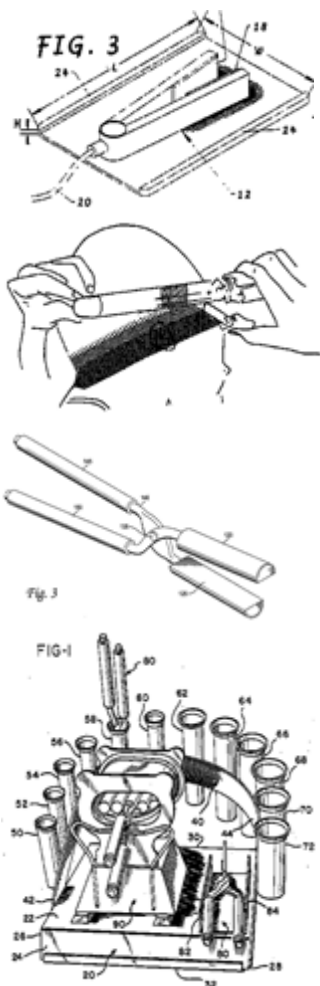

Curling-tongs, i.e. tongs for use when hot; Curling-irons, i.e. irons for use when hot; Accessories therefor

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Hair straightening appliances	A45D 2/001
Hand-held drying devices	A45D 20/10
Details of, or accessories for, hair-curling or hair-waving devices	A45D 6/00
Processes of waving, straightening or curling hair	A45D 7/00

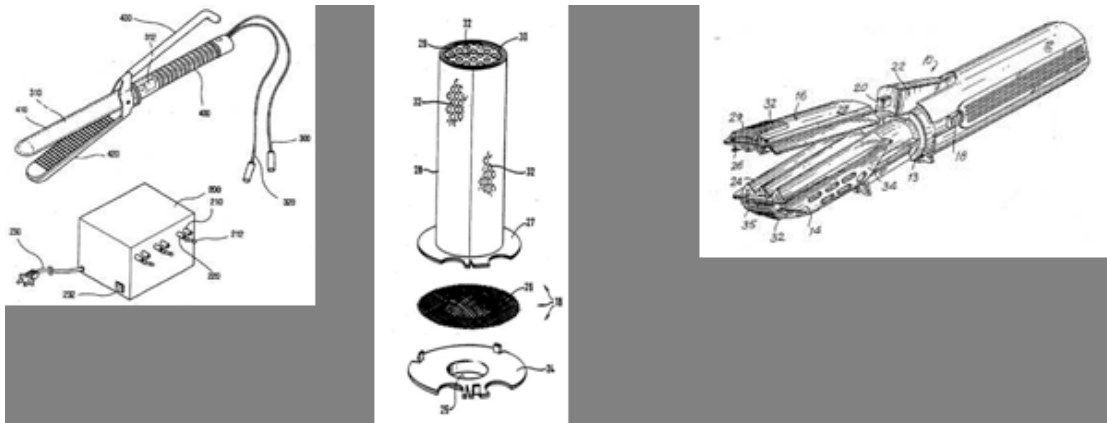

A45D 1/02

with means for internal heating, e.g. by liquid fuel

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

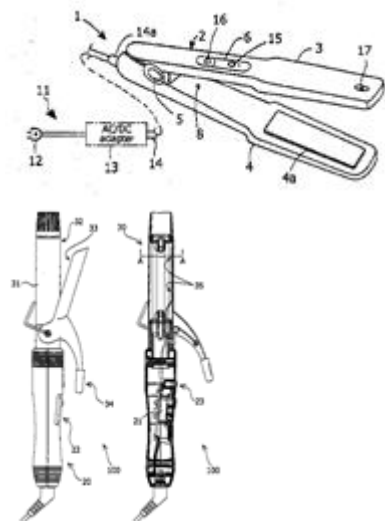

A45D 1/04

by electricity

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Electric heating elements per se	H05B
----------------------------------	----------------------

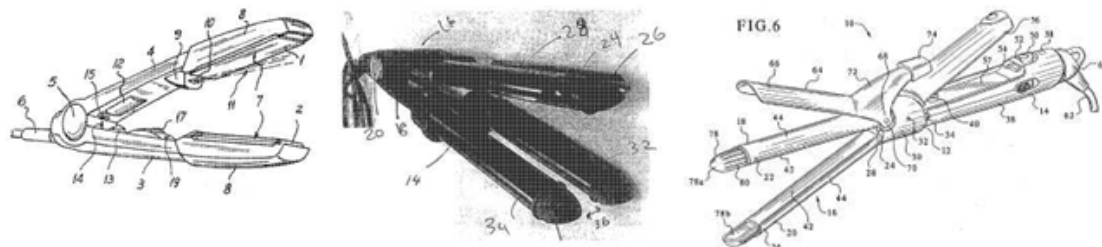

A45D 1/06

with two or more jaws (A45D1/02 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With means for internal heating	A45D 1/02
---------------------------------	---------------------------

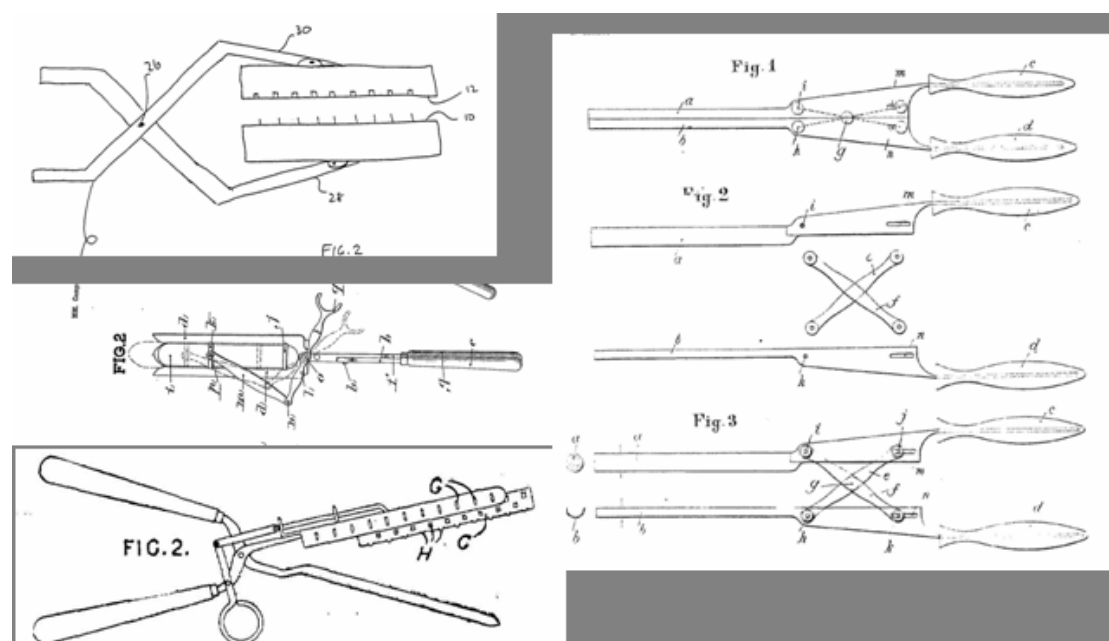

A45D 1/08

the jaws remaining parallel to each other during use, e.g. the jaws sliding parallel to each other

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

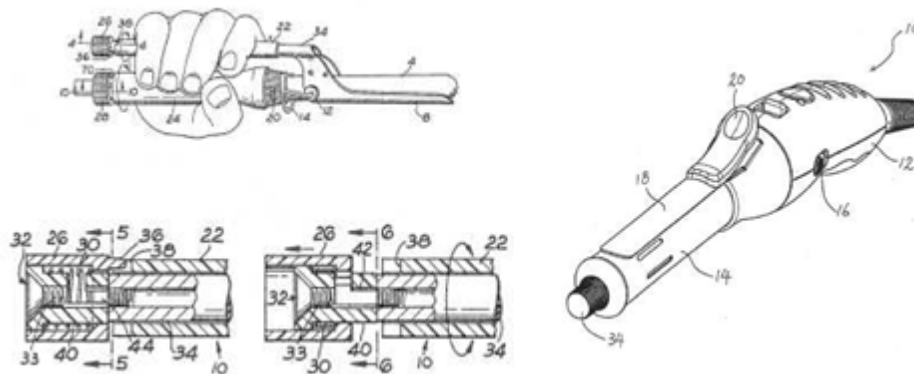

A45D 1/10

with a rotatable handle sleeve

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

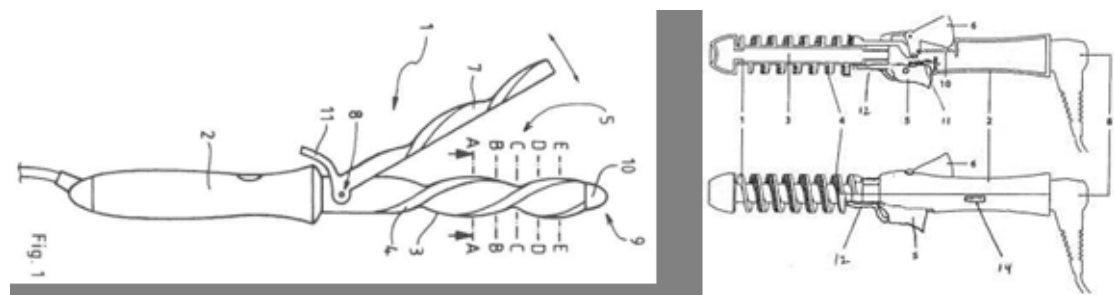

A45D 1/12

of helical or zig-zag shape

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

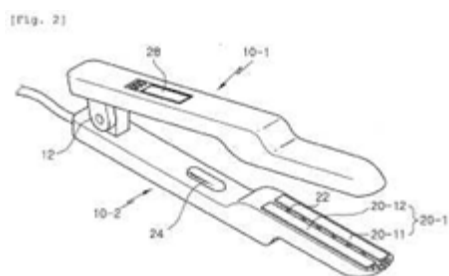

A45D 1/14

the jaws being separable from each other

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

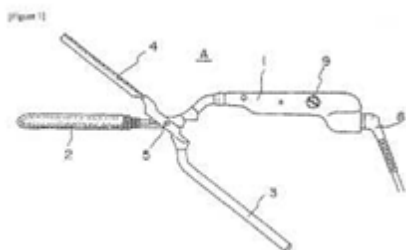

A45D 1/16

with a single heated member (A45D1/02 takes precedence)

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With means for internal heating	A45D 1/02
---------------------------------	---------------------------

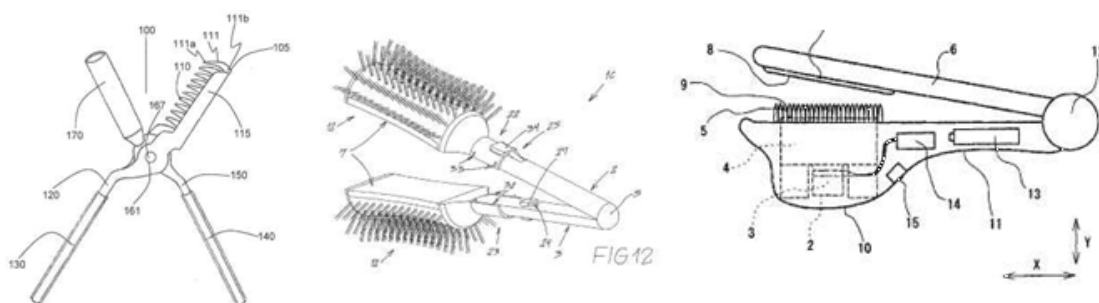

A45D 1/18

with combs (A45D1/02 takes precedence)

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With means for internal heating	A45D 1/02
---------------------------------	---------------------------

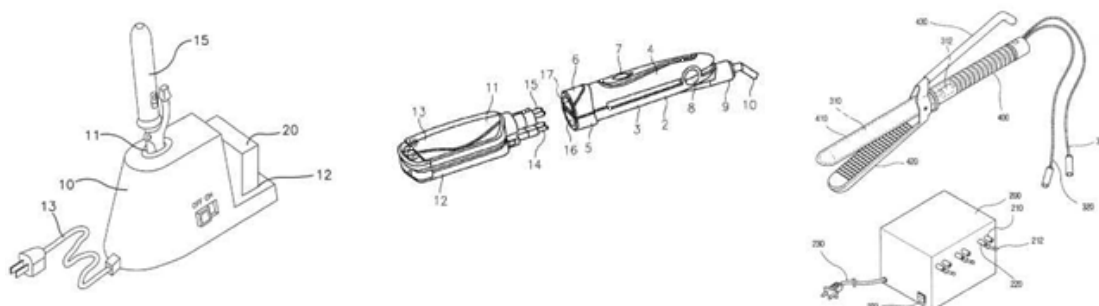

A45D 1/20

External heating means for curling-tongs or curling-irons

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

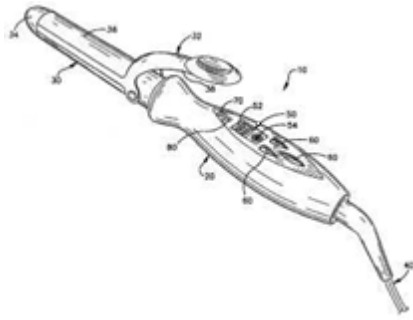

A45D 1/28

with temperature regulating or indicating means

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

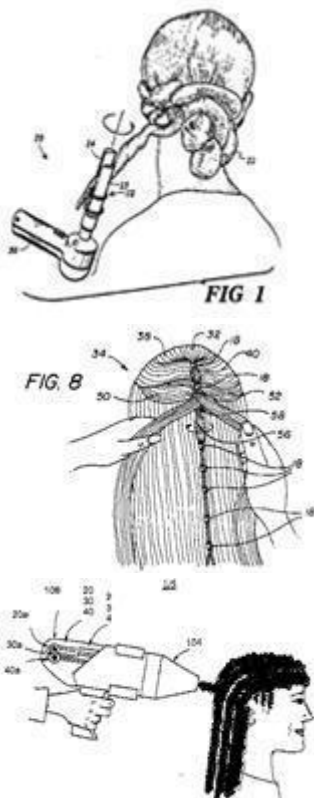

A45D 2/00

Hair-curling or hair-waving appliances (heated curling-tongs, curling-irons A45D1/00); [N: Appliances for hair dressing treatment not otherwise provided for]

Definition statement

This subclass/group covers:

Appliances for hairdressing treatment not otherwise provided for. Illustrative example:

References relevant to classification in this group

This subclass/group does not cover:

Heated curling-tongs, curling-irons	A45D 1/00	9
-------------------------------------	---------------------------	---

Informative references

Attention is drawn to the following places, which may be of interest for search:

Tools or apparatus for braiding or lacing by hand	D04C 7/00

A45D 2/001

[N: Hair straightening appliances]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

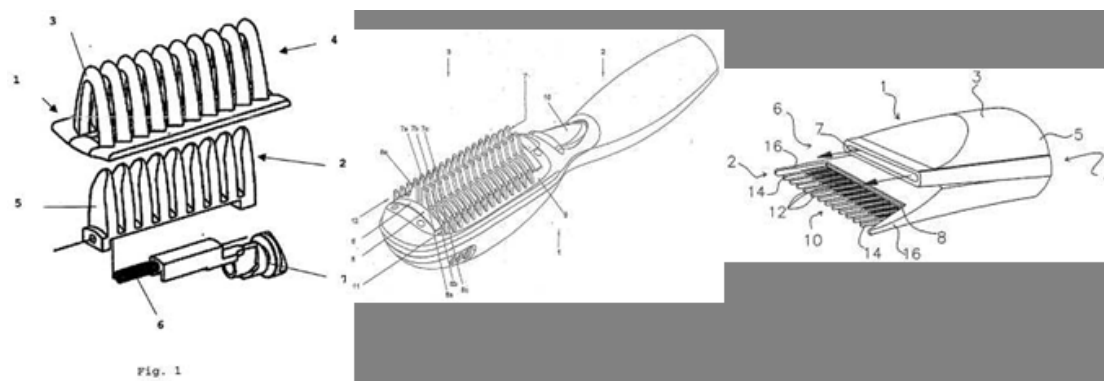

A45D 2/002

[N: with combs]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 2/02

Hair winders or hair curlers for use substantially perpendicular to the scalp, i.e. steep-curlers (A45D6/14, A45D6/16 take precedence; with incorporated heating or drying means A45D2/36; heating devices designed for use external to and in connection with, hair curlers or hair wavers A45D4/02)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With incorporated heating or drying means	A45D 2/36
Heating devices designed for use external to and in connection with,	A45D 4/02

References relevant to classification in this group

This subclass/group does not cover:

Base clamps per se	A45D 6/08
--------------------	---------------------------

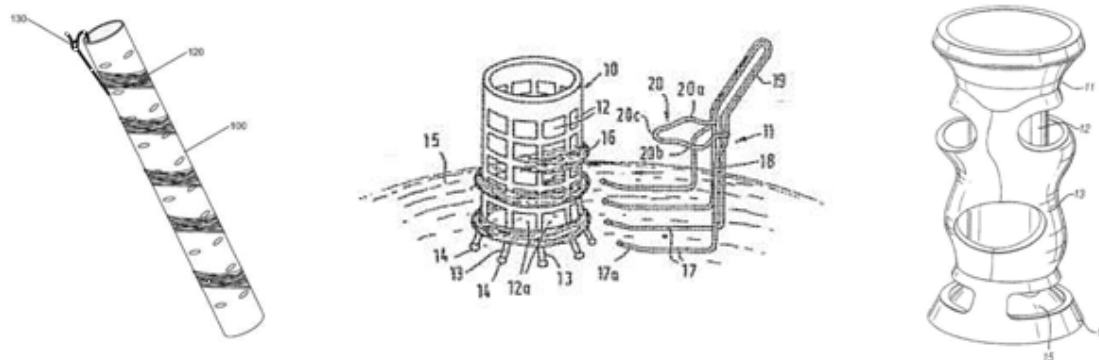

A45D 2/08

of hollow type (A45D2/10 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

In the form of spools or bobbins	A45D 2/10
----------------------------------	---------------------------

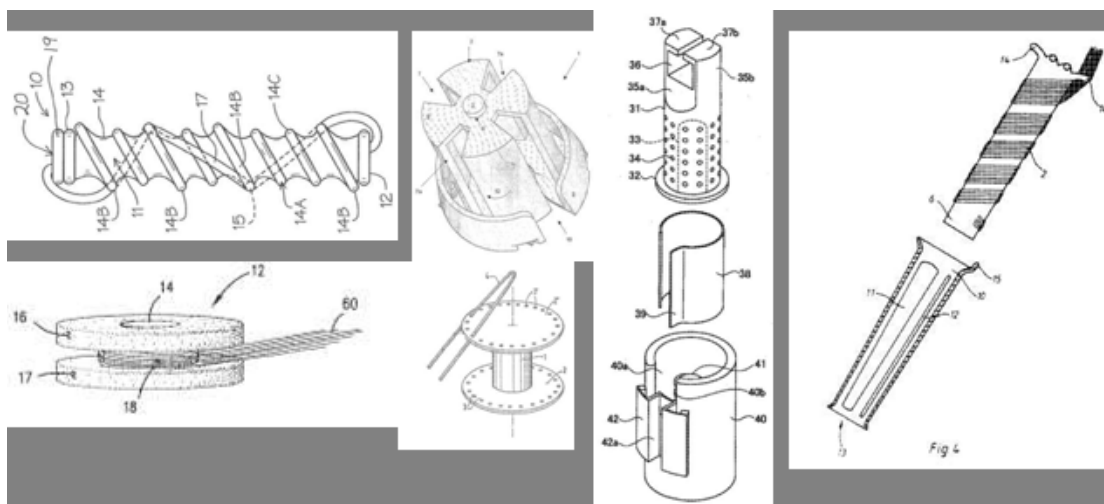

A45D 2/10

in the form of spools or bobbins

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 2/12

Hair winders or hair curlers for use parallel to the scalp, i.e. flat-curlers (A45D6/14, A45D6/16 take precedence; with internal electric heating means A45D2/36; heating devices designed for use external to, and in connection with, hair curlers or hair winders A45D4/08)

References relevant to classification in this group

This subclass/group does not cover:

Clamps or pins for hair curlers	A45D 6/14 , A45D 6/16
With internal electric heating means	A45D 2/36
Heating devices designed for use external to, and in connection with, hair curlers or hair winders	A45D 4/08

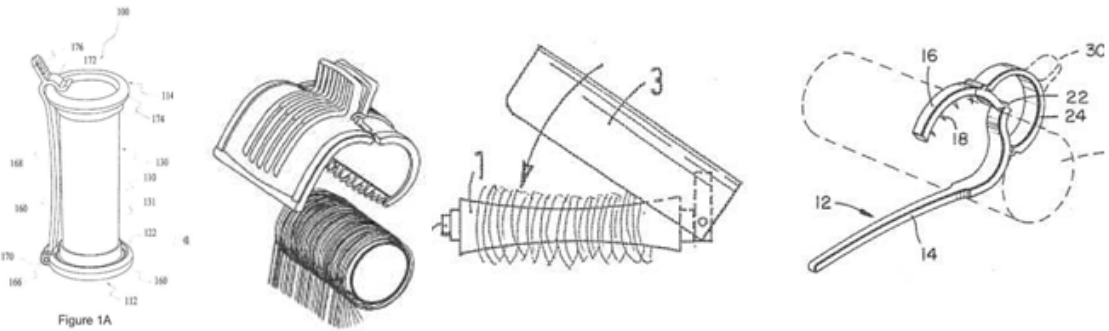

A45D 2/122

[Means for fastening the hair on the curler body]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 2/125

[Flexible fastening means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

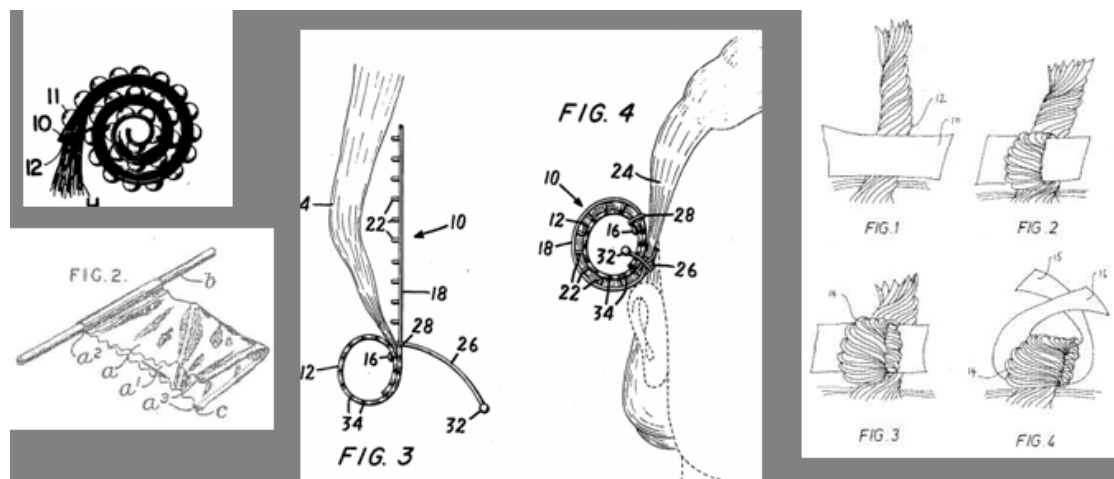

A45D 2/127

[N: with a wrapping strip, e.g. flexible]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

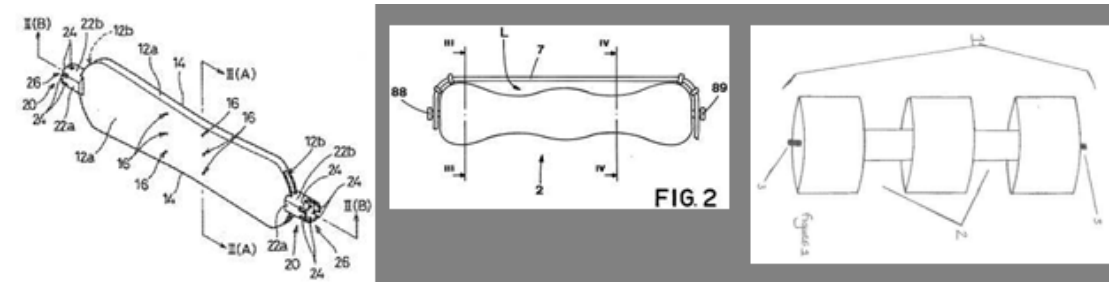

A45D 2/14

of single-piece type, e.g. stiff rods or tubes with or without cord, band, or the like as hair-fastening means

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

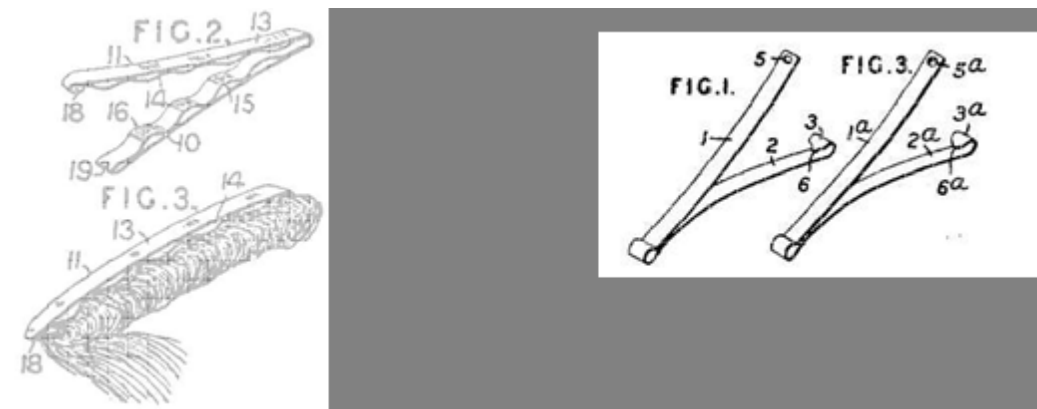

A45D 2/141

[N: comprising flat clasps]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

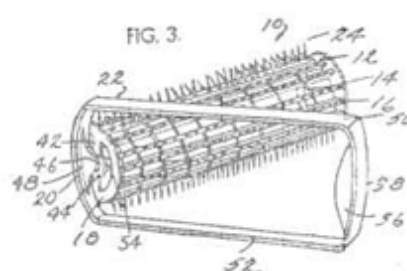

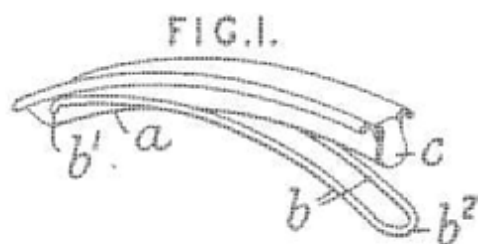

A45D 2/143

[N: with a clamping bow as fastening means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

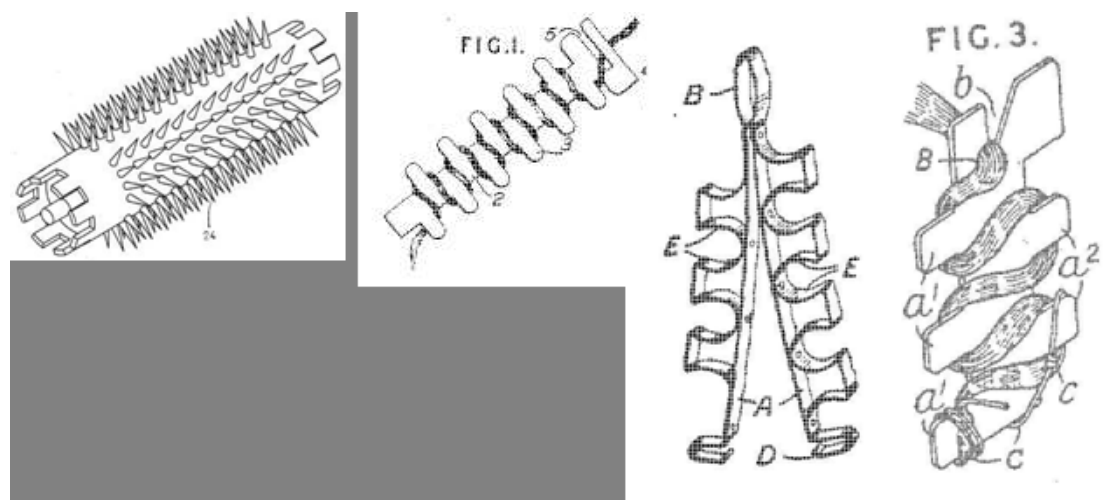

A45D 2/145

[N: with radial projections]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

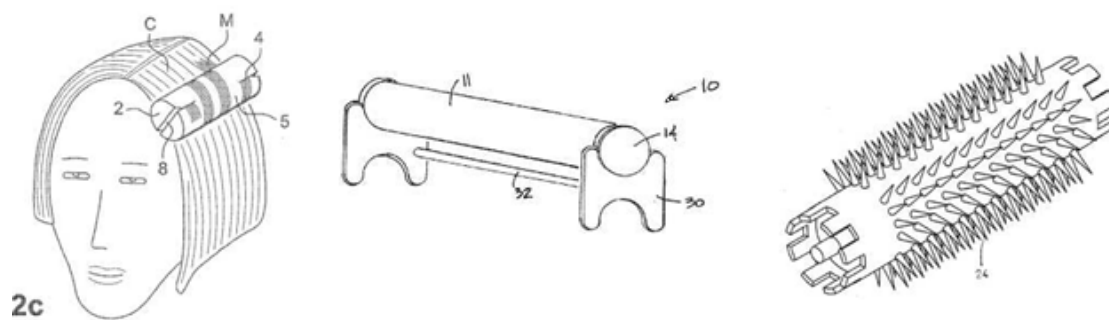

A45D 2/146

[N: tube-like]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

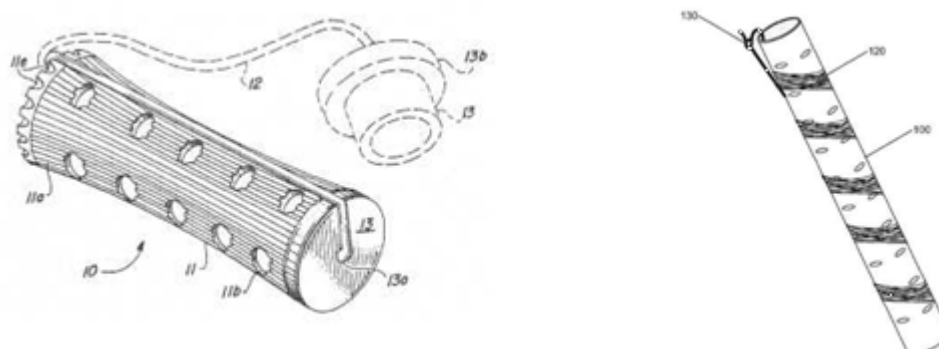

A45D 2/148

[N: comprising perforations]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

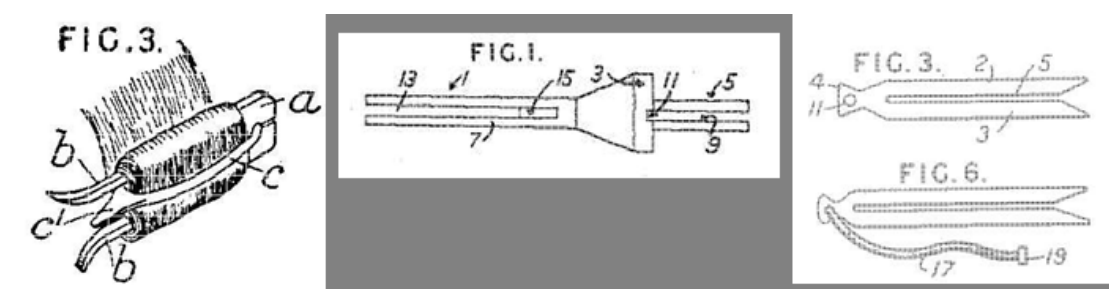

A45D 2/16

in the form of forked rods or tubes

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

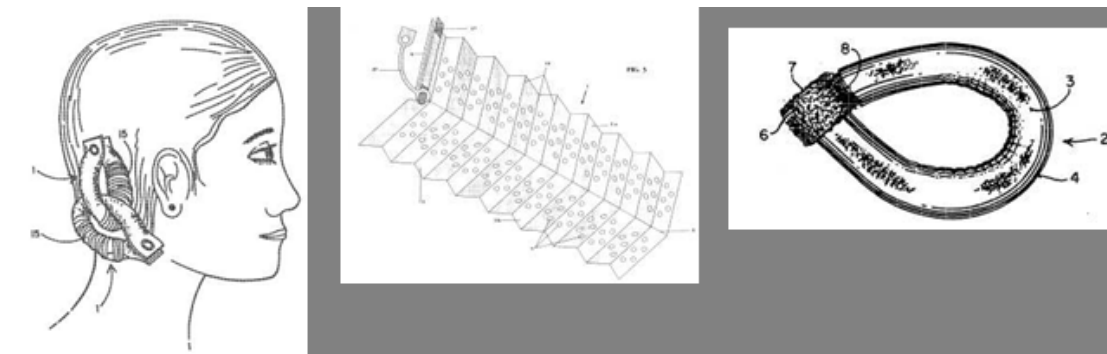

A45D 2/18

Flexible curlers (A45D2/20 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Elastic curlers	A45D 2/20
-----------------	---------------------------

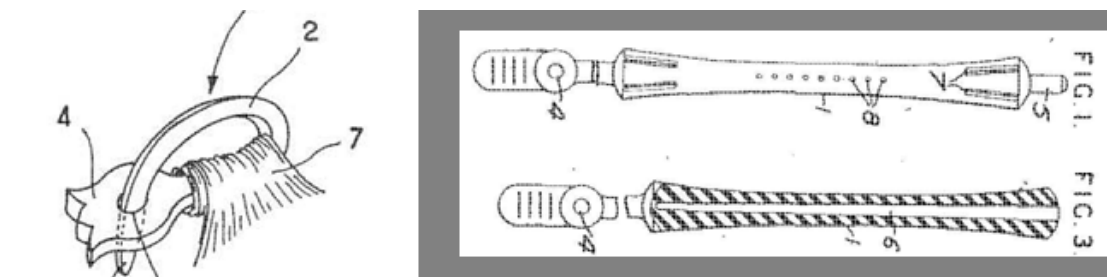

A45D 2/20

Elastic curlers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

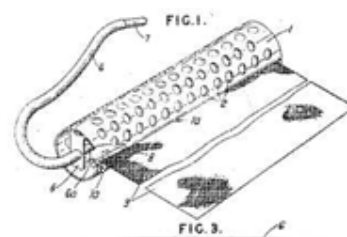

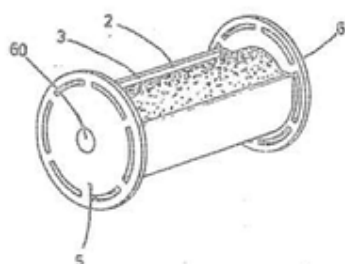

A45D 2/22

with means for applying liquids therethrough

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

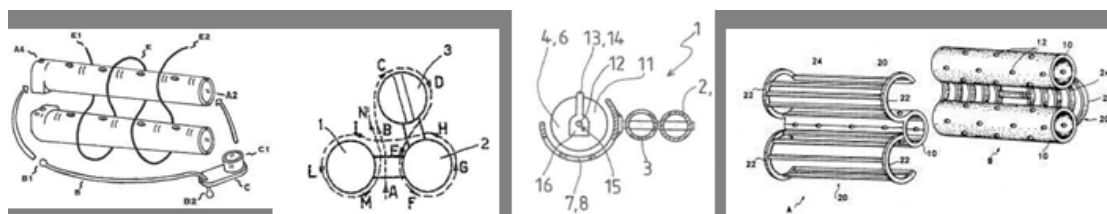

A45D 2/24

of multi-part type, e.g. with sliding parts other than for fastening

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

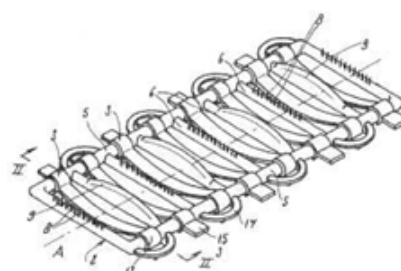

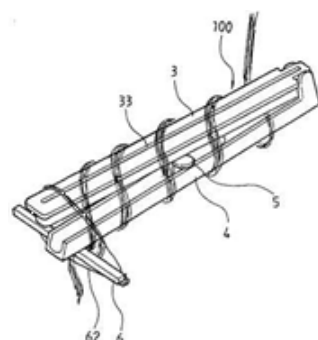

A45D 2/2407

[N: with articulated parts (A45D2/28 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With clamping bow	A45D 2/28
-------------------	---------------------------

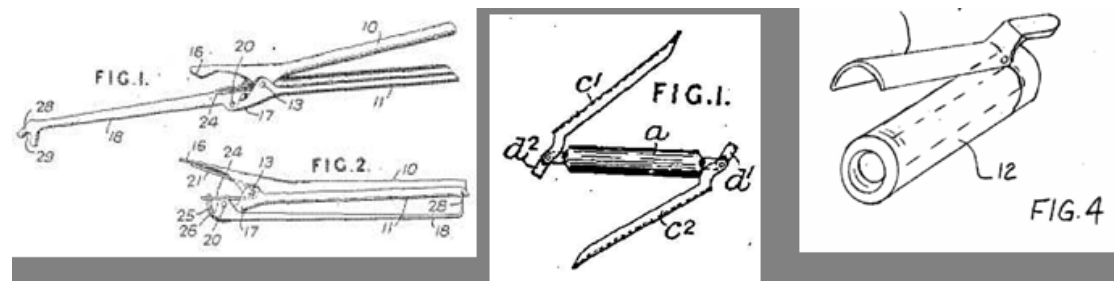

A45D 2/2414

[N: comprising a flat clasp]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

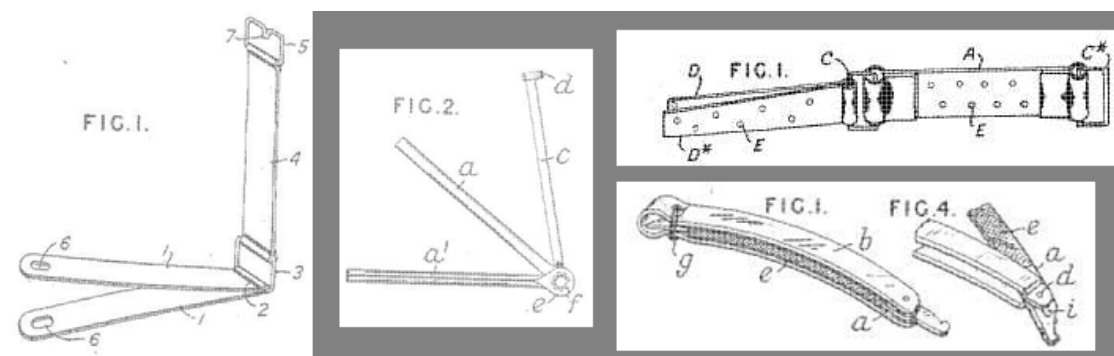

A45D 2/2421

[N: comprising flat clasps (A45D2/2414 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With articulated parts comprising a flat clasp	A45D 2/2414
--	-----------------------------

A45D 2/2428

[N: with clamping bow as fastening means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

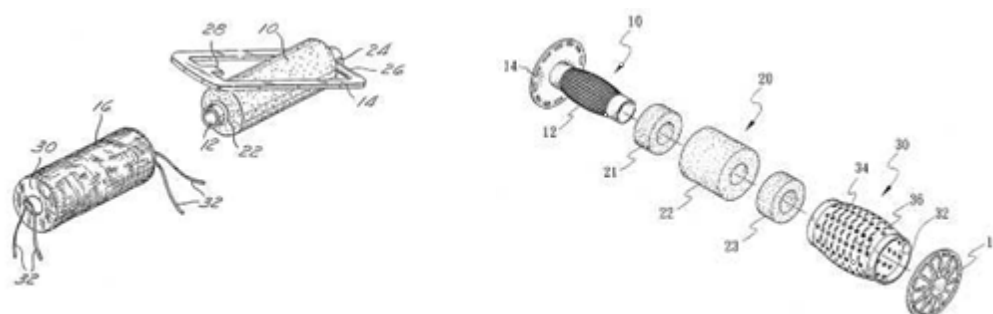

A45D 2/2435

[N: comprising foam-like material]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

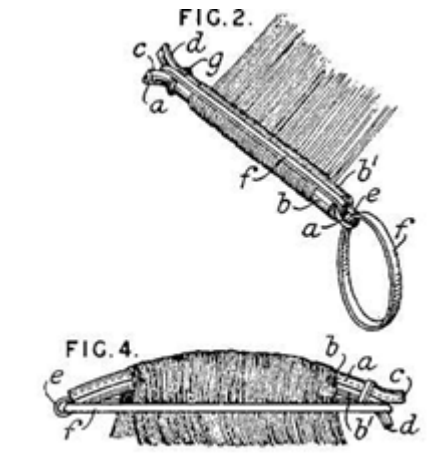

A45D 2/2442

[N: flexible]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

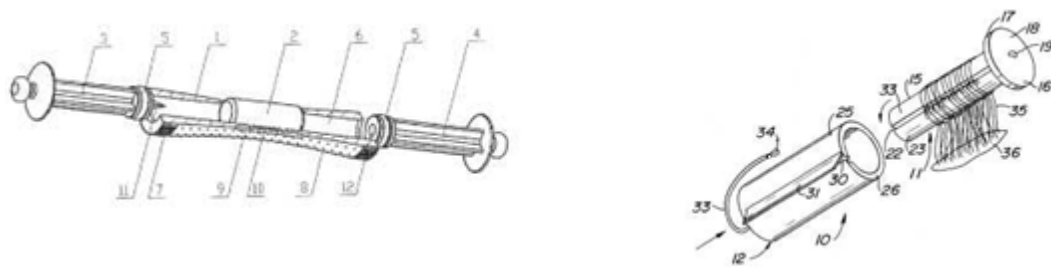

A45D 2/245

[N: with means for applying liquid therethrough]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

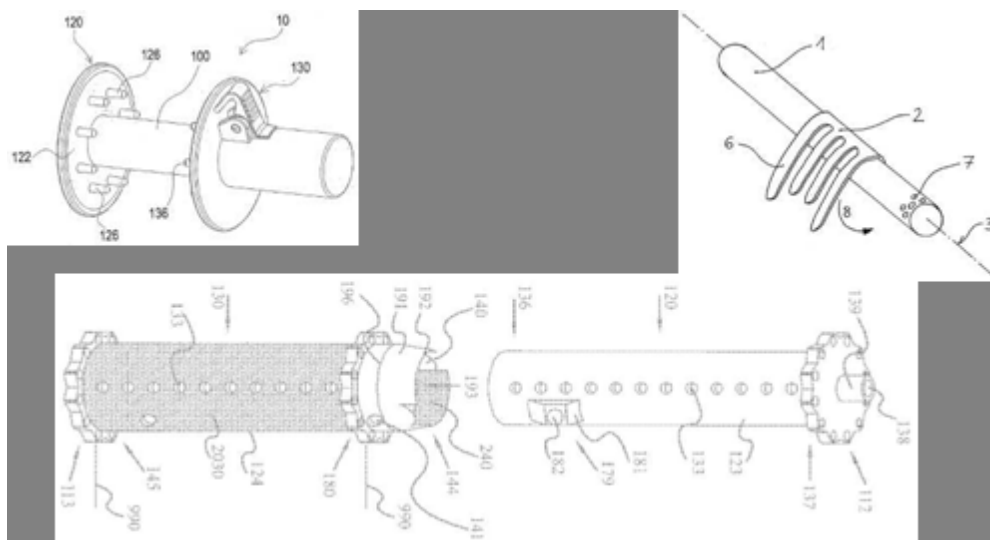

A45D 2/2457

[N: with sliding parts]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 2/2464

[N: tube-like]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

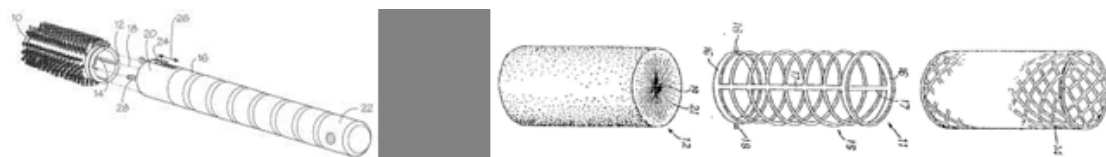

A45D 2/2471

[N: comprising bristles]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

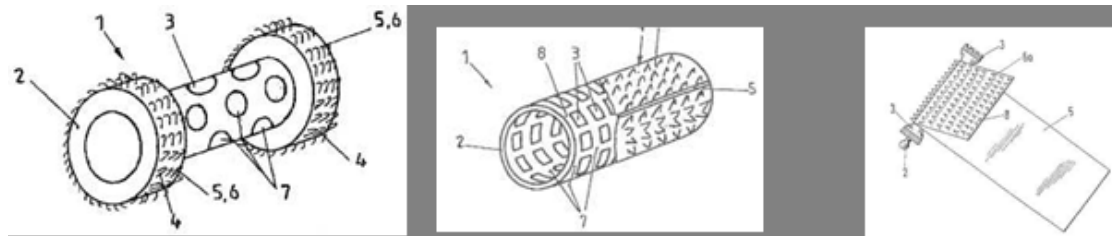

A45D 2/2478

[N: comprising hooks, e.g. Velcro]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

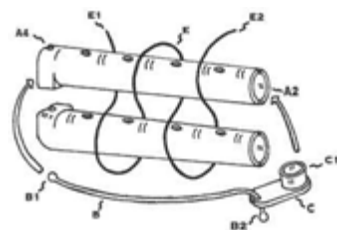

A45D 2/2485

[N: comprising perforations]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

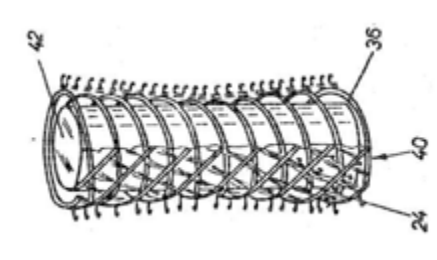

A45D 2/2492

[N: comprising a mesh]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

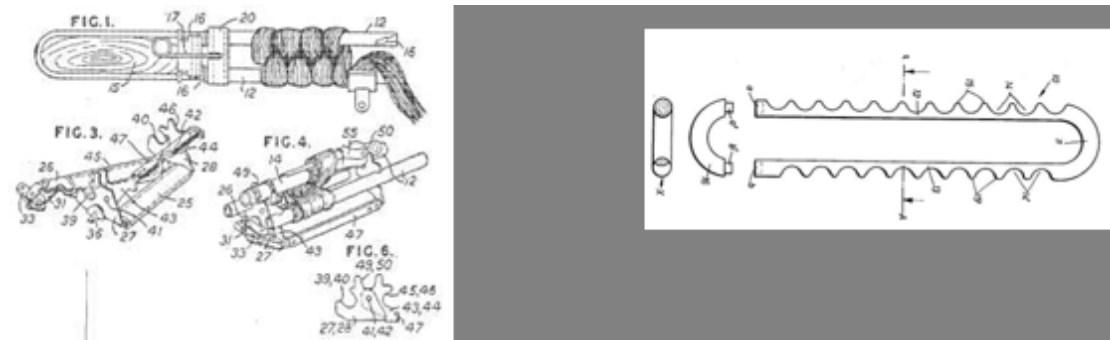

A45D 2/26

forked

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

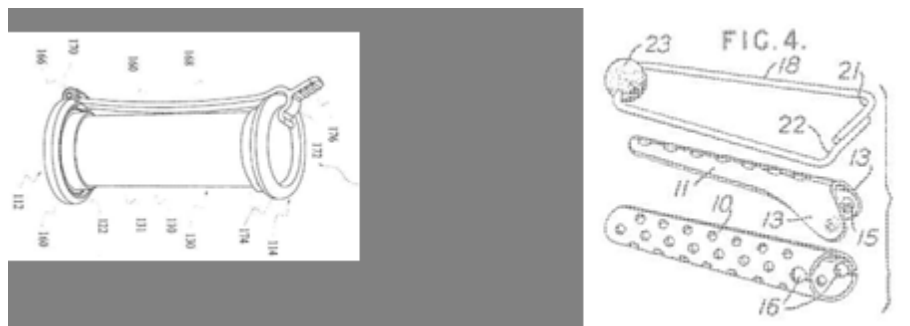

A45D 2/28

with clamping bow as fastening means [N: (A45D2/2428 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Comprising flat clasps with clamping bow	A45D 2/2428
--	-----------------------------

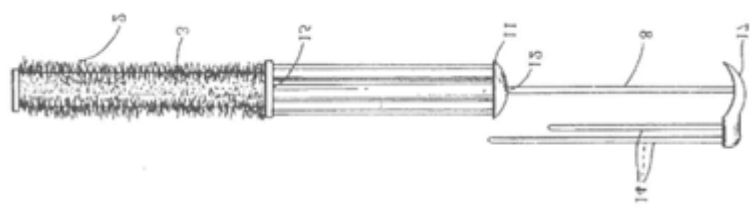

A45D 2/30

with slide as fastening means

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

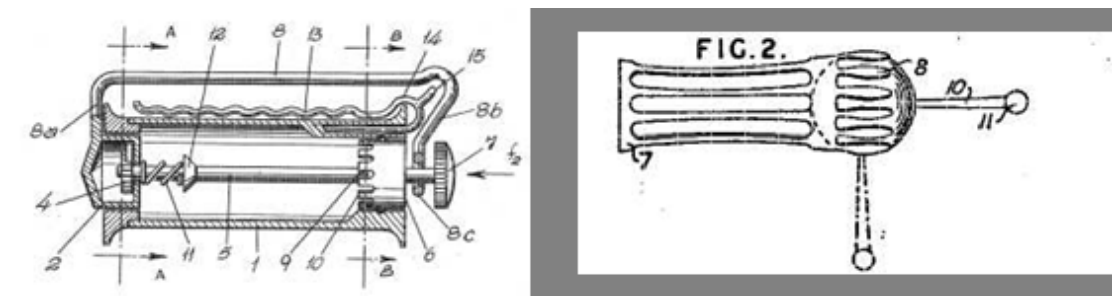

A45D 2/32

with positive non-return means, e.g. ratchet

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

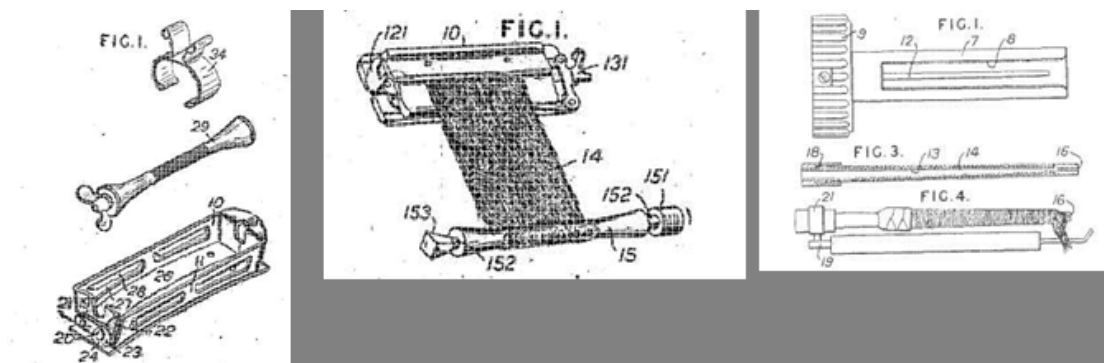

A45D 2/34

with base clamp

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Base clamps per se	A45D 6/10
--------------------	---------------------------

A45D 2/36

Hair curlers or hair winders with incorporated heating or drying means, e.g. electric, using chemical reaction

References relevant to classification in this group

This subclass/group does not cover:

Electric heating elements per se	H05B
----------------------------------	----------------------

A45D 2/362

[N: with a heat accumulator, i.e. for heating before use]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

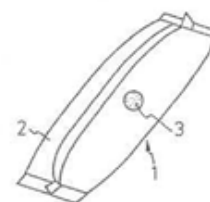

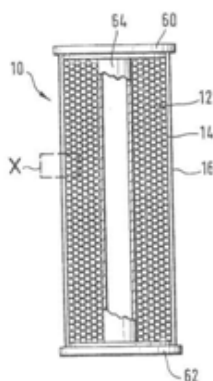

A45D 2/365

[N: with chemical heating means (A45D2/362 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With a heat accumulator	A45D 2/362

A45D 2/367

[N: with electrical heating means (A45D2/362 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With a heat accumulator	A45D 2/362
-------------------------	----------------------------

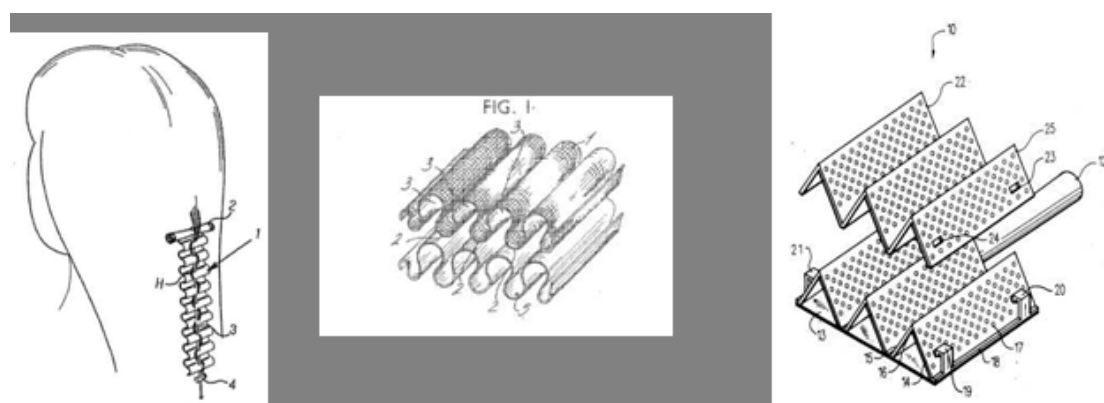

A45D 2/38

Surface-wave devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

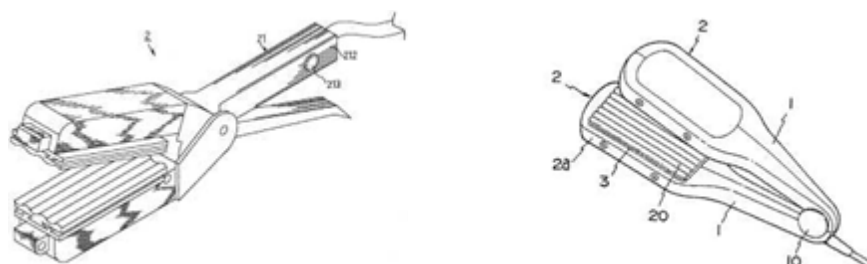

A45D 2/40

as hair-pressing tongs [N: (hair grips, clamps or clasps per se A45D8/14, A45D8/20, A45D8/24)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hair grips, clamps or clasps per se	A45D 8/14 , A45D 8/20 , A45D 8/24
-------------------------------------	---

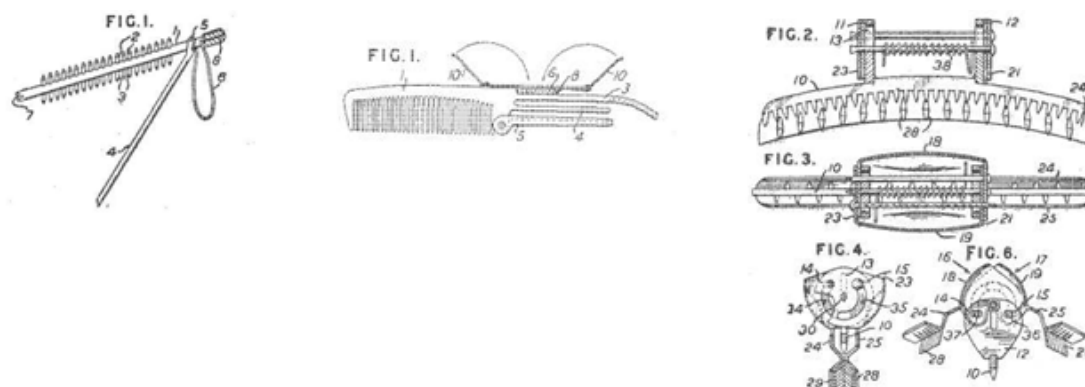

A45D 2/42

Clamps or clasps with teeth or combs [N: (hair clasps with comb-like prongs per se A45D8/30)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hair clasps with comb-like prongs per se	A45D 8/30
--	---------------------------

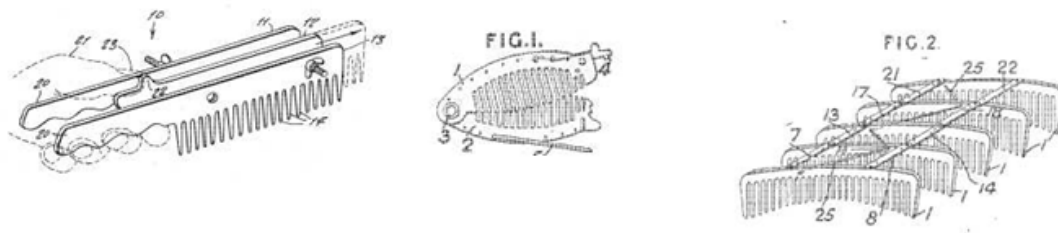

A45D 2/44

using two or more combs one upon the other or one in distance to the other, e.g. using slidable combs

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

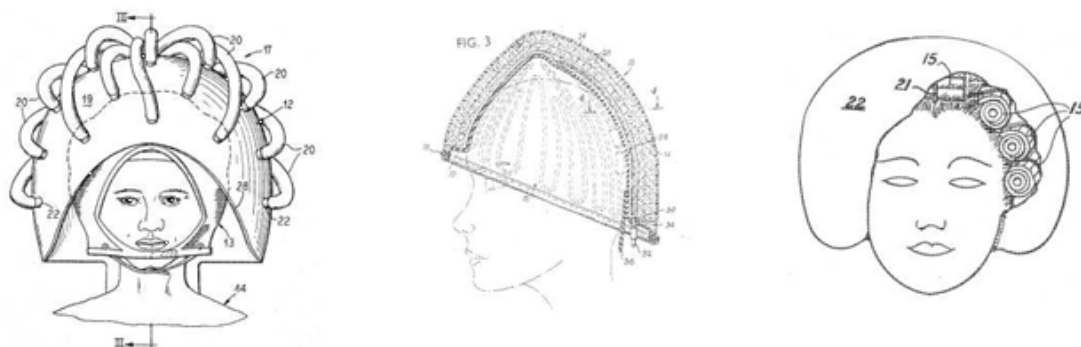

A45D 2/46

Hair-waving caps

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

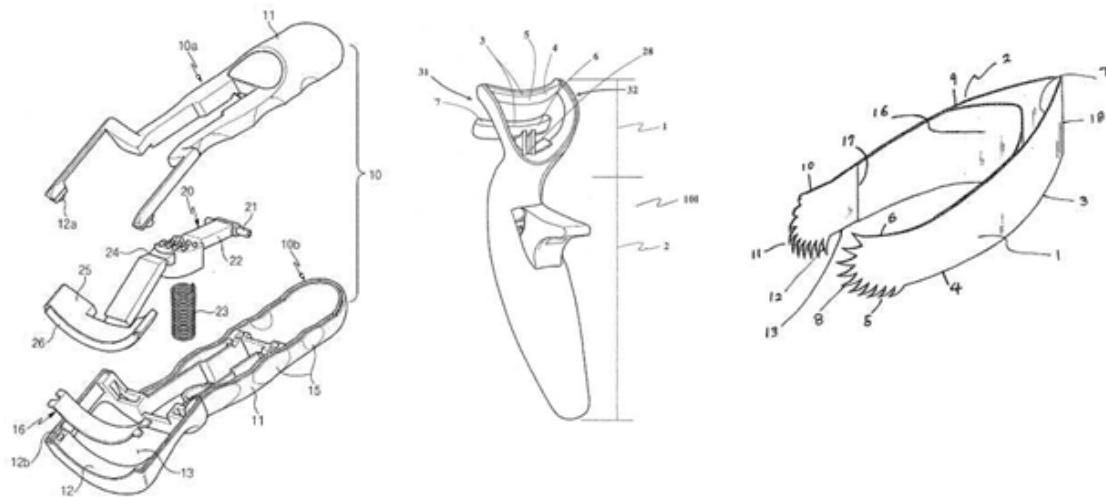

A45D 2/48

Eyelash curlers; Eyebrow curlers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

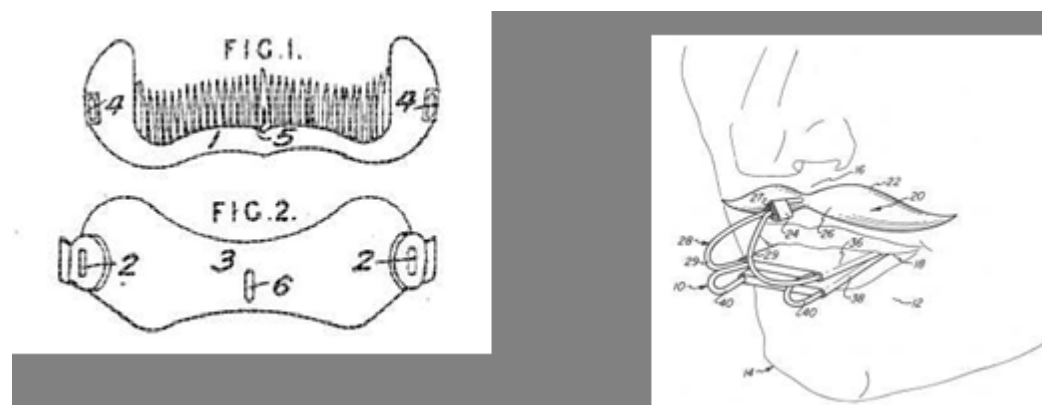

A45D 2/50

Beard binders; Like means for the care of the beard

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

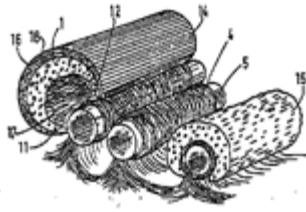

A45D 4/00

Separate devices designed for heating hair curlers or hair-wavers (hair-drying devices without connection to hair curlers or hair-wavers A45D20/00)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hair-drying devices without connection to hair curlers or hair-wavers	A45D 20/00
---	----------------------------

A45D 4/02

for steep curling, e.g. with means for decreasing the heat
(A45D4/14, A45D4/16 take precedence)

Definition statement

This subclass/group covers:

Separate devices for heating steep curlers, i.e. curlers having a longitudinal axis that is perpendicular to the scalp

References relevant to classification in this group

This subclass/group does not cover:

With chemical heat reaction	A45D 4/14
For heating before use	A45D 4/16

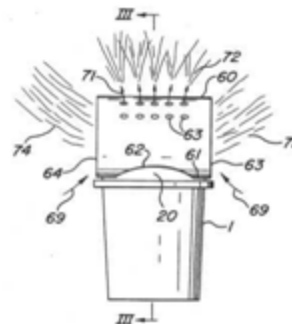

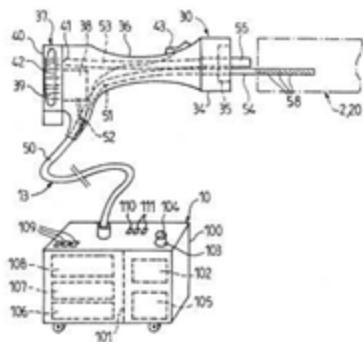

A45D 4/04

heated by steam or hot air

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

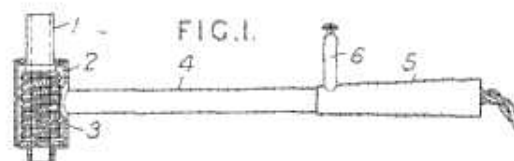

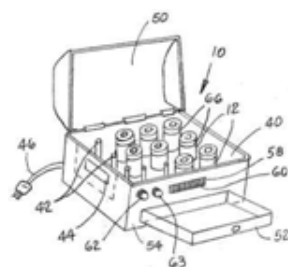

A45D 4/06

heated by electricity

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 4/08

for flat curling, e.g. with means for decreasing the heat
(A45D4/14, A45D4/16 take precedence)

References relevant to classification in this group

This subclass/group does not cover:

With chemical heat reaction	A45D 4/14
For heating before use	A45D 4/16

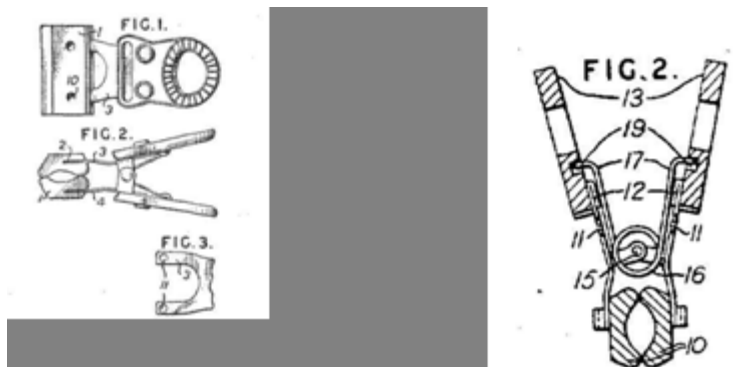

A45D 4/085

[N: with a heat accumulator (for curlers A45D2/362)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

For curlers	A45D 2/362
-------------	----------------------------

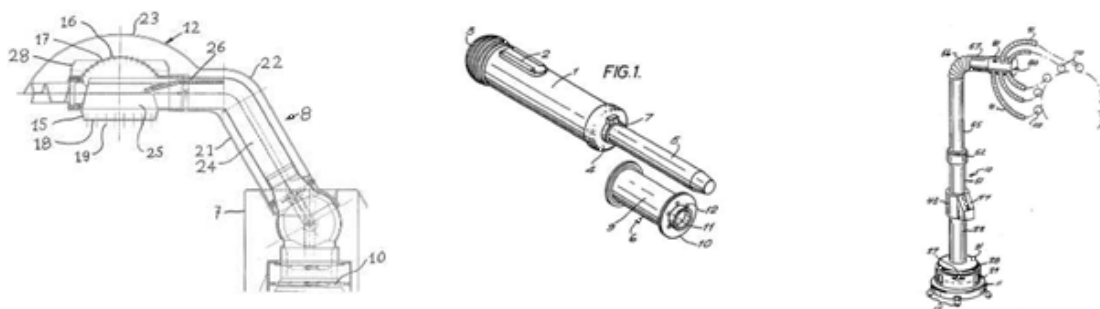

A45D 4/10

heated by steam or hot air

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

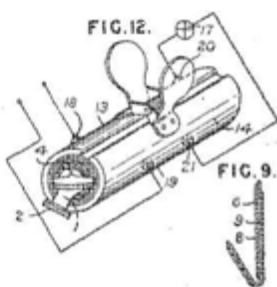

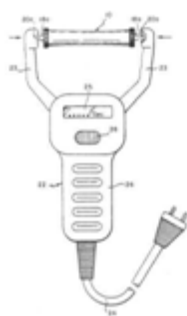

A45D 4/12

heated by electricity

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

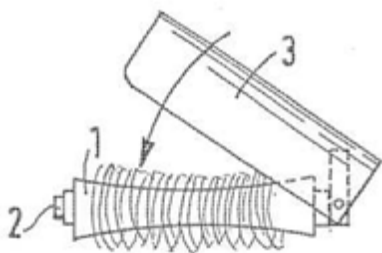

A45D 4/14

with chemical heat reaction and heat storage [N: (A45D7/065 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Using wrappers with chemical heat reaction	A45D 7/065
--	----------------------------

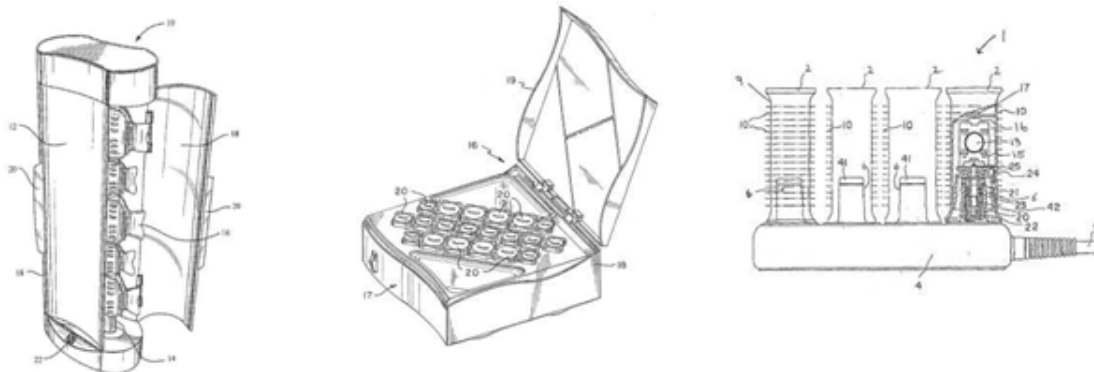

A45D 4/16

Independent devices characterised by heating the hair-curling or hair-waving means before use (A45D1/20 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

For curling-tongs or curling-irons

[A45D 1/20](#)

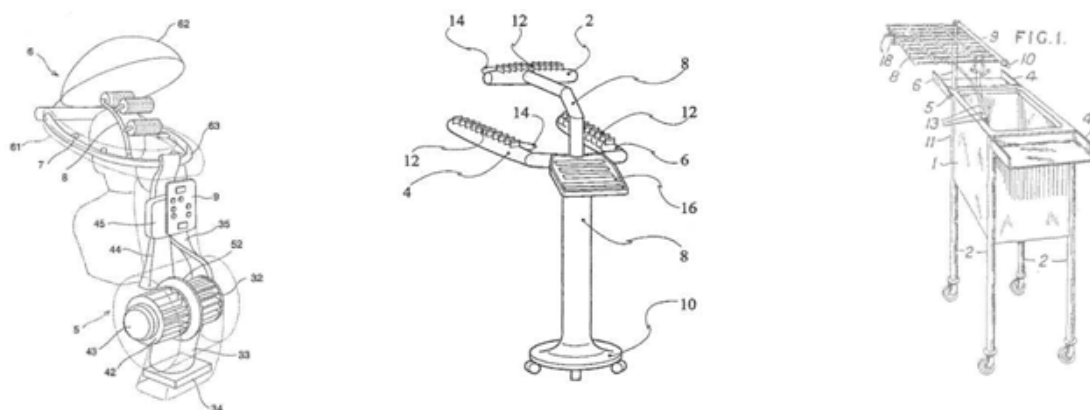

A45D 4/18

Supports or suspending means for devices heating hair-curling or hair-waving means while in use

Definition statement

This subclass/group covers:

Hair straps; Hair rings

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 8/38

Hair fillers, e.g. wire gratings

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

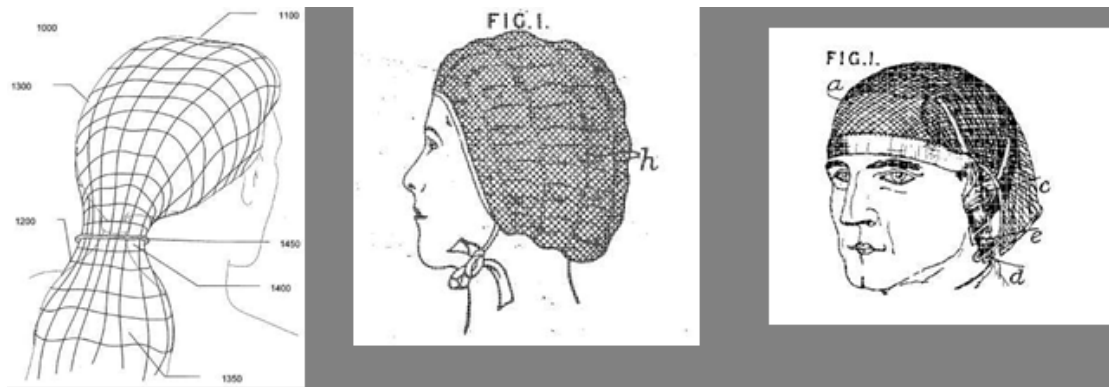

A45D 8/40

Hair-nets; Hair-protecting caps

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

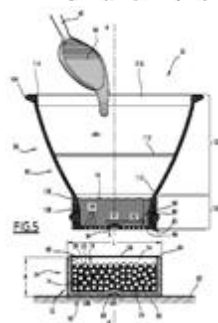

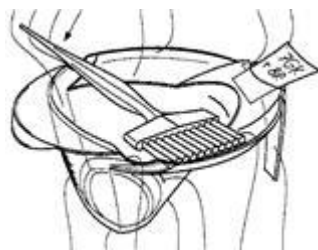

A45D 19/00

Devices for washing the hair or the scalp; Similar devices for colouring the hair

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Cosmetic preparations	A61K
Preparations for care of the hair	A61Q 5/10

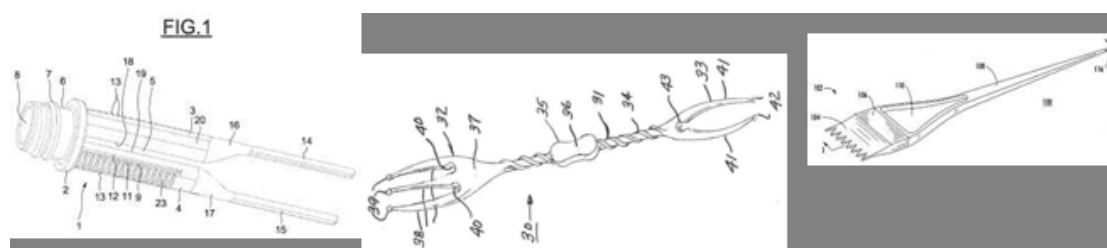

A45D 19/0008

Devices for colouring or bleaching separated strands of hair, e.g. highlighting (A45D19/02 and A45D19/18 take precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hand-actuated implements	A45D 19/02
Hair-colouring caps	A45D 19/18

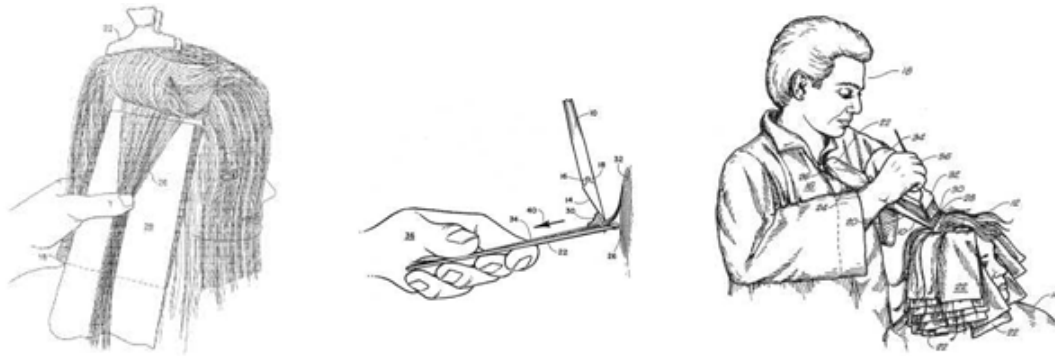

A45D 19/0016

comprising an open, flat support for strands of hair or for wrapping foils during the application of the dyeing product

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

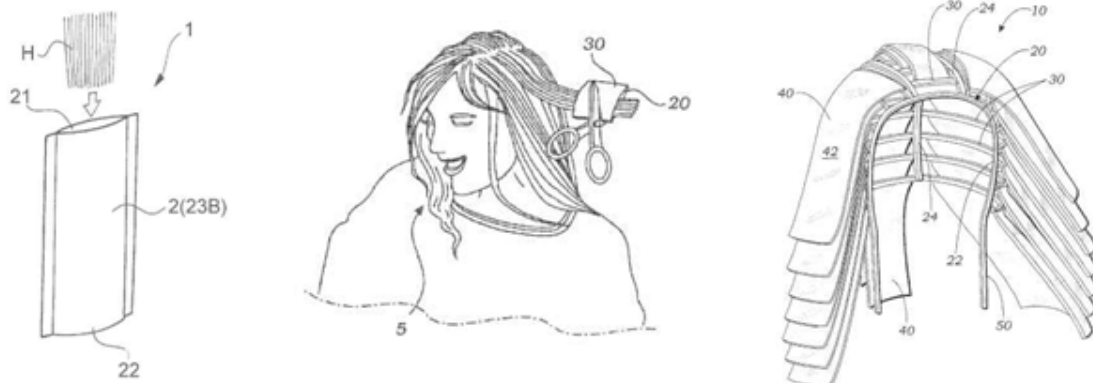

A45D 19/0025

comprising wrapping foils or foldable sheets for enclosing a strand of hair during treatment, e.g. frosting foils

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

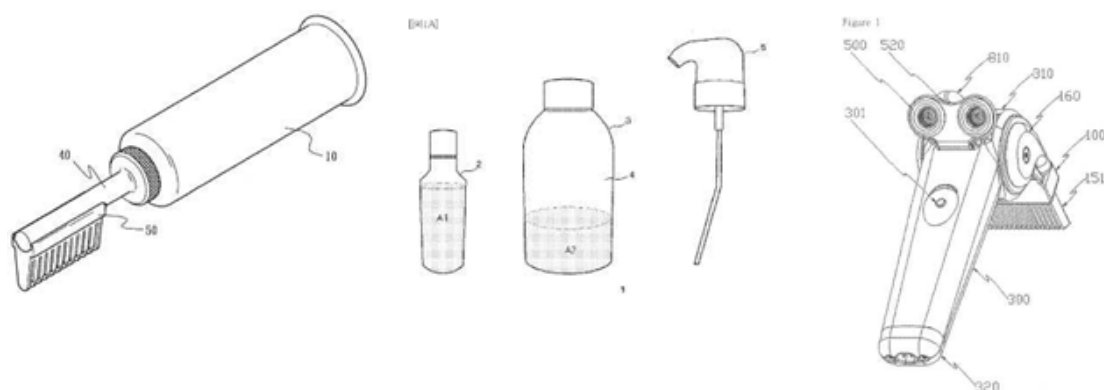

A45D 19/02

Hand-actuated implements, e.g. hand-actuated spray heads

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Applicators, e.g. with container, for applying a product onto the hair

References relevant to classification in this group

This subclass/group does not cover:

Spraying in general	B05B , B05D
---------------------	---

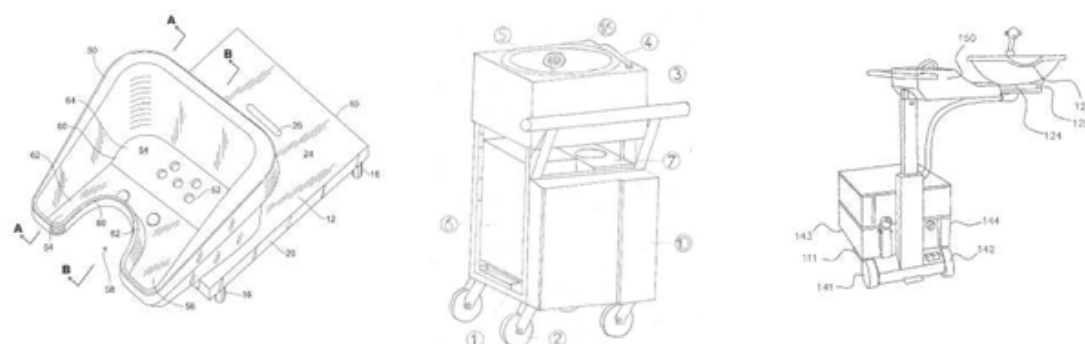

A45D 19/04

Portable wash stands

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

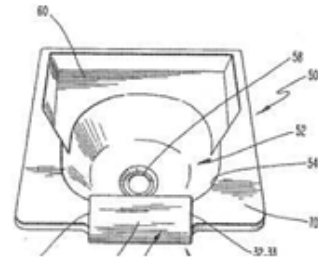

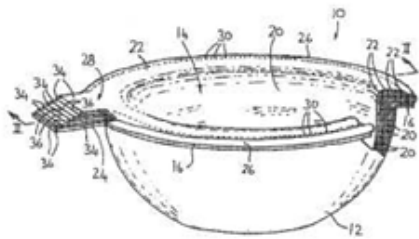

A45D 19/06

in the form of bowls or similar open containers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

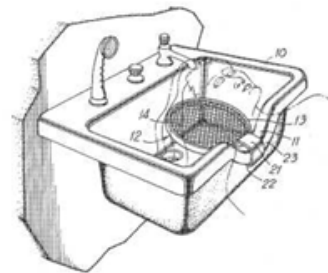

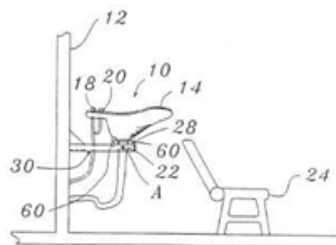

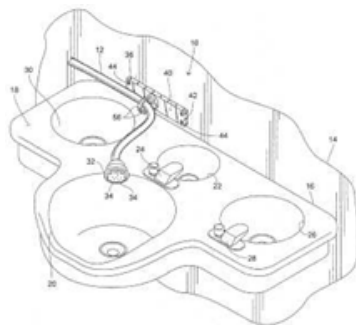

A45D 19/08

Adaptations of wash-basins

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

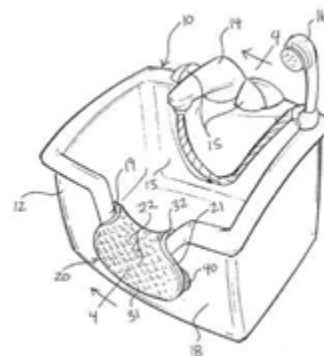

A45D 19/10

Backward lavabos

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 19/12

Water catch bowls

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

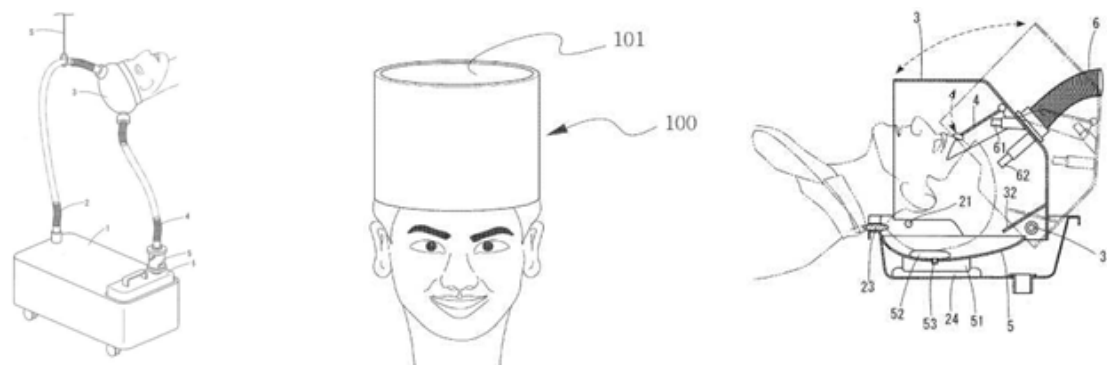

A45D 19/14

Closed washing devices, e.g. washing caps (A45D19/18 takes precedence)

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hair-colouring caps	A45D 19/18
---------------------	----------------------------

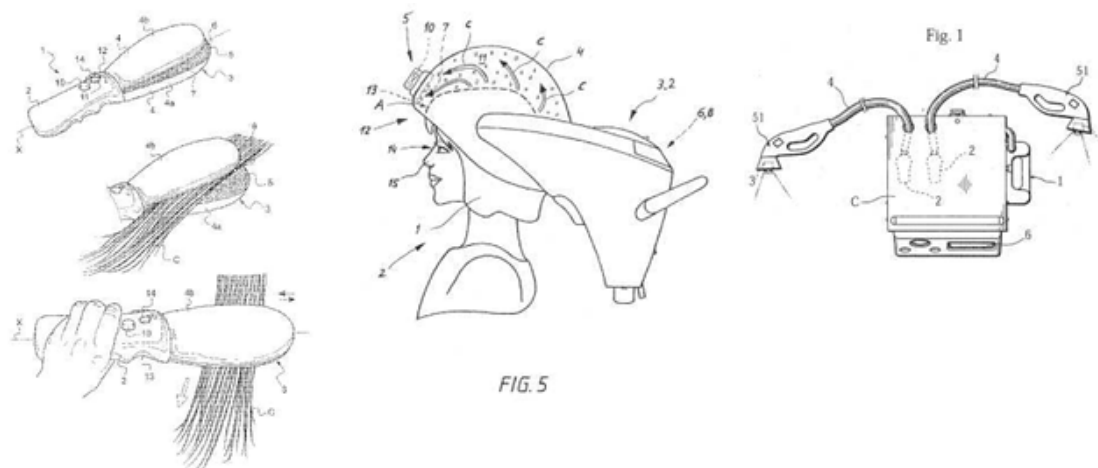

A45D 19/16

Surface treatment of hair by steam, oil, or the like

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

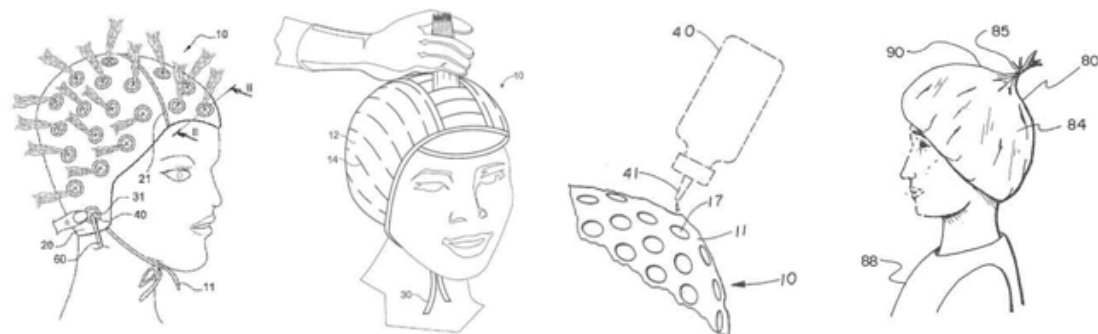

A45D 19/18

Hair-colouring caps

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

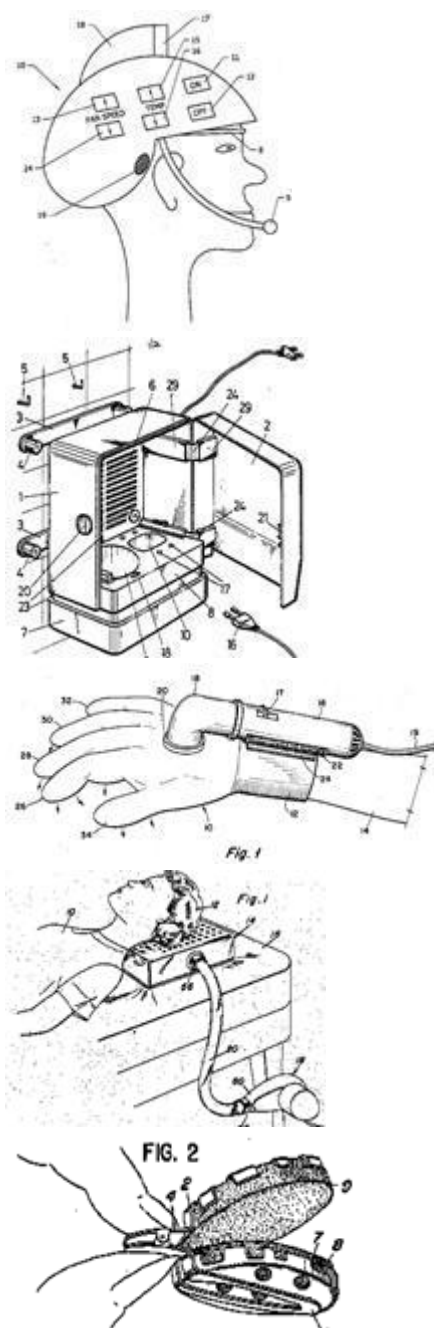

A45D 20/00

Hair drying devices; Accessories therefor (A45D2/00 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hair-curling or hair-waving appliances	A45D 2/00
Drying in general	F26

Informative references

Attention is drawn to the following places, which may be of interest for search:

Body-drying implements	A47K 10/00
Radiation therapy for treating hair, using light	A61N 5/06C7

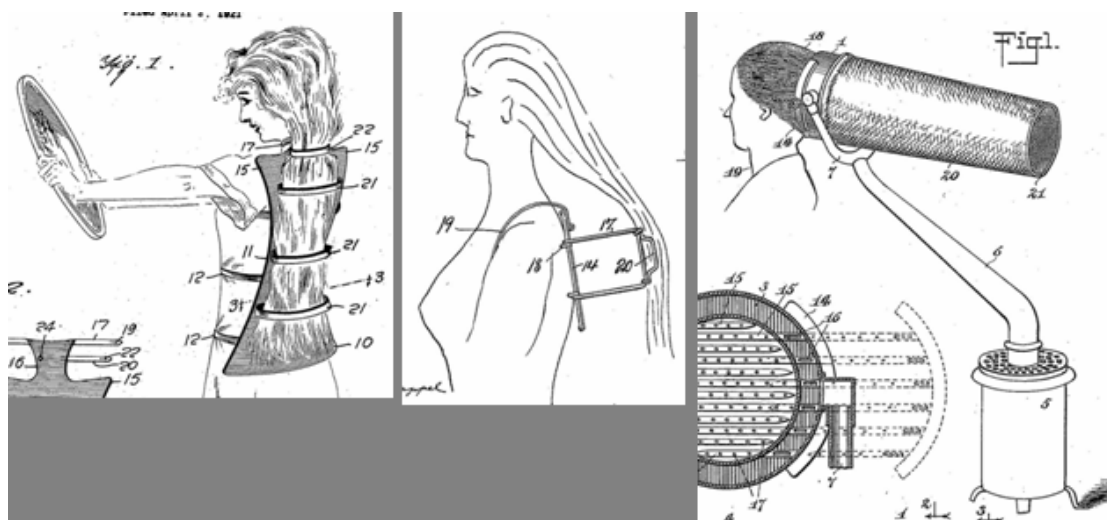

A45D 20/02

Lay frames for long open hair

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

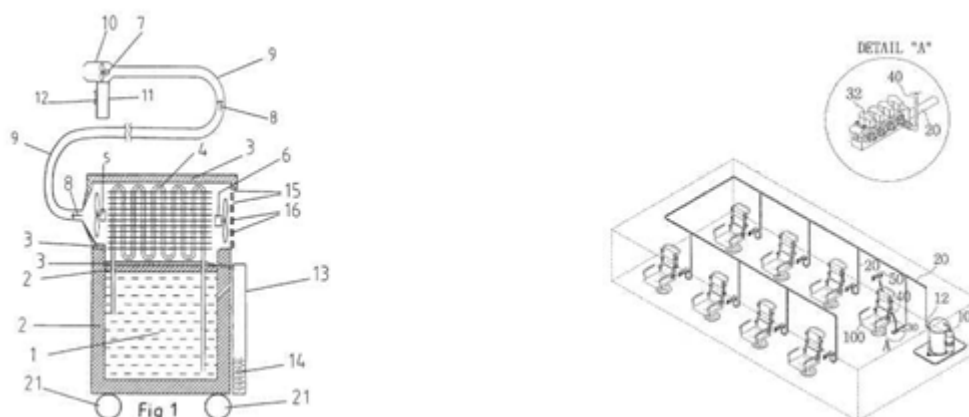

A45D 20/04

Hot-air producers (A45D20/20, A45D20/22 take precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Helmets	A45D 20/20 , A45D 20/22
---------	---

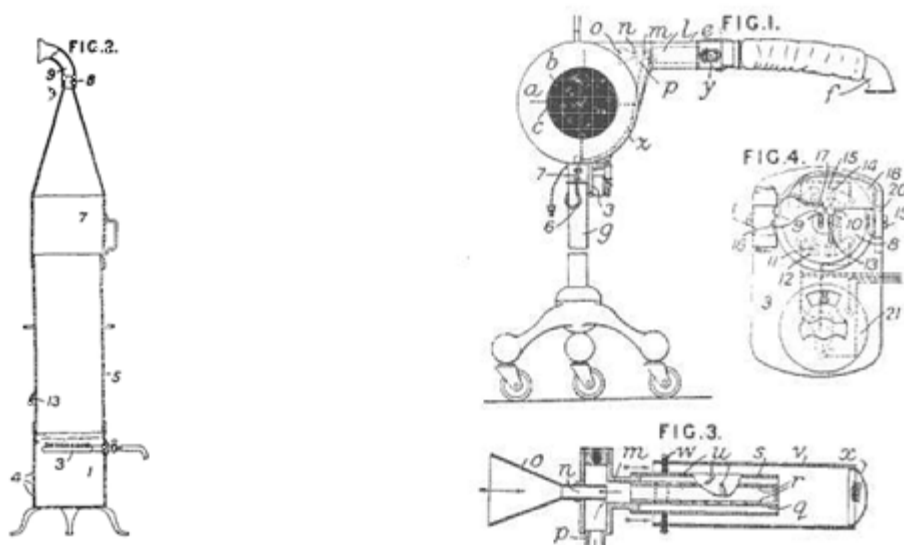

A45D 20/06

heated otherwise than electrically; ventilated by muscle power

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

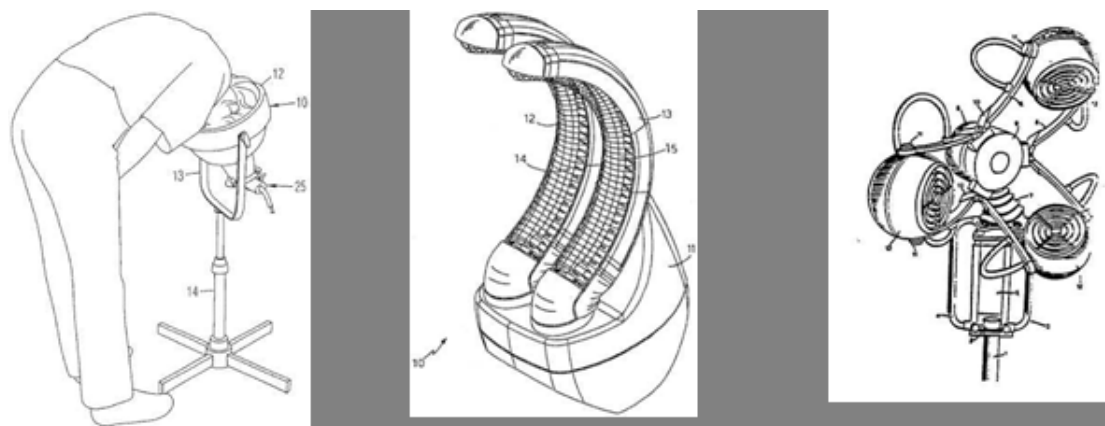

A45D 20/08

heated electrically

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Electric heating elements per se	H05B
----------------------------------	----------------------

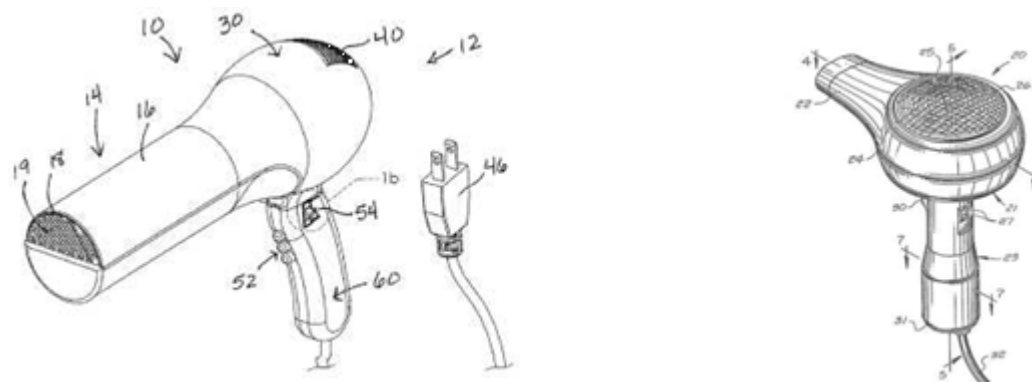

A45D 20/10

Hand-held drying devices, e.g. air douches

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Hand-held air guns	F24H 3/0423
--------------------	-----------------------------

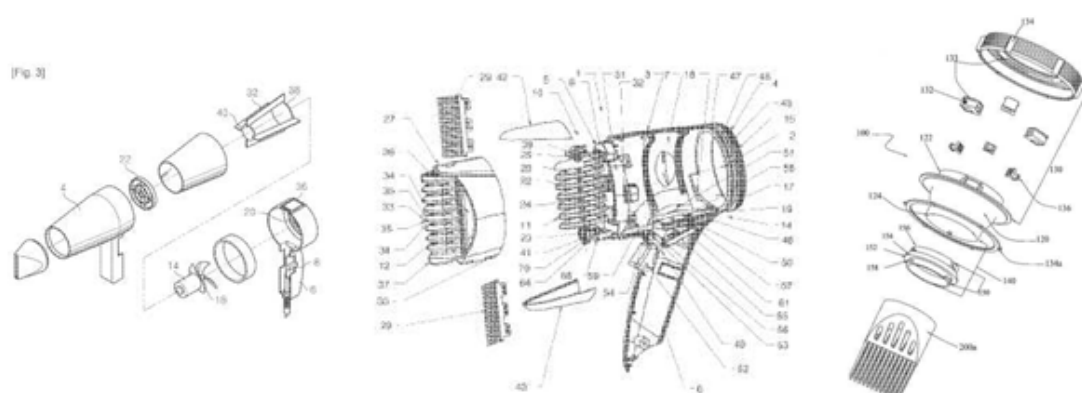

A45D 20/12

Details thereof or accessories therefor, e.g. nozzles, stands

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

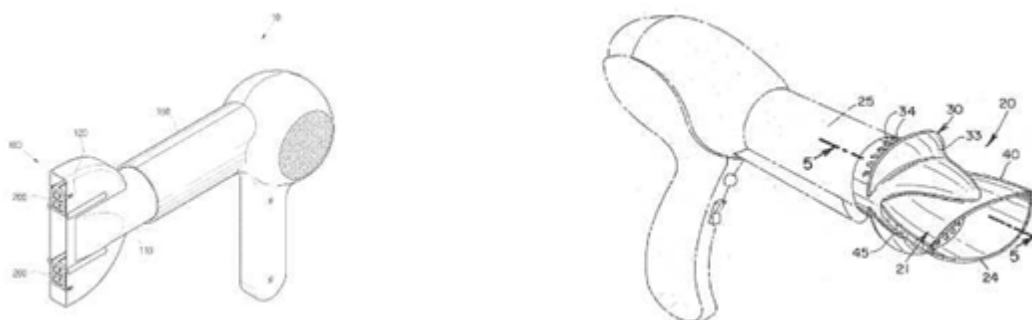

A45D 20/122

[N: Diffusers, e.g. for variable air flow]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

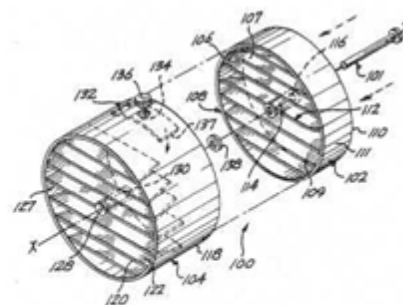

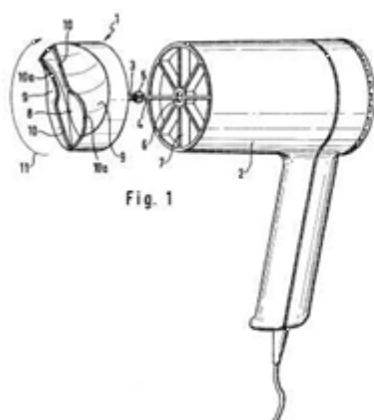

A45D 20/124

[N: comprising rotating elements]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

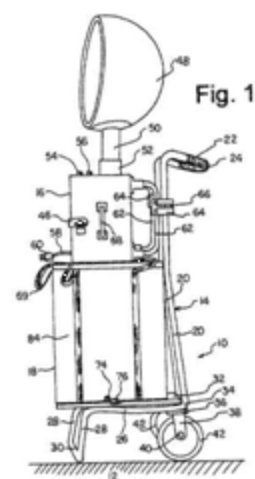

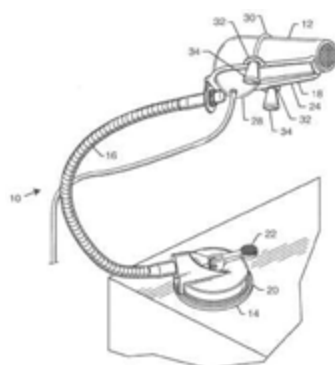

A45D 20/14

Portable drying stands

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

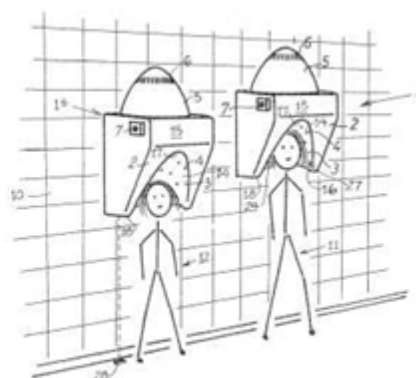

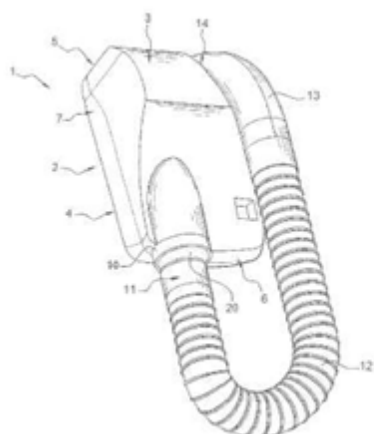

A45D 20/16

Fixed installed drying devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Body-drying by means of hot air

[A47K 10/48](#)

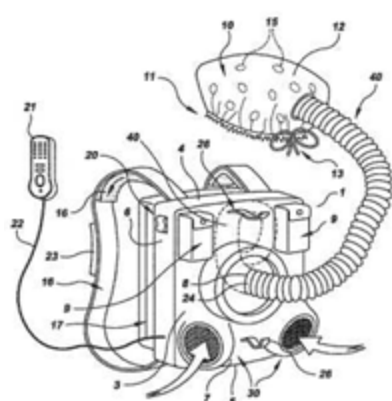

A45D 20/18

Flexible caps with provision for hot air supply

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

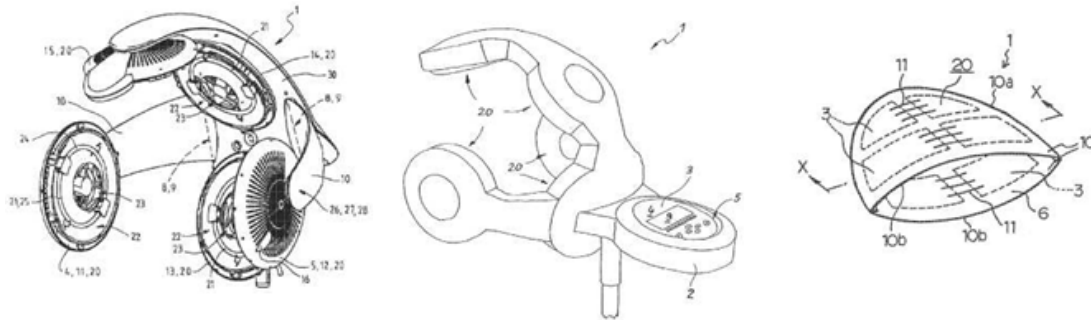

A45D 20/20

Helmets without hot air supply or other ventilation, e.g. electrically heated

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

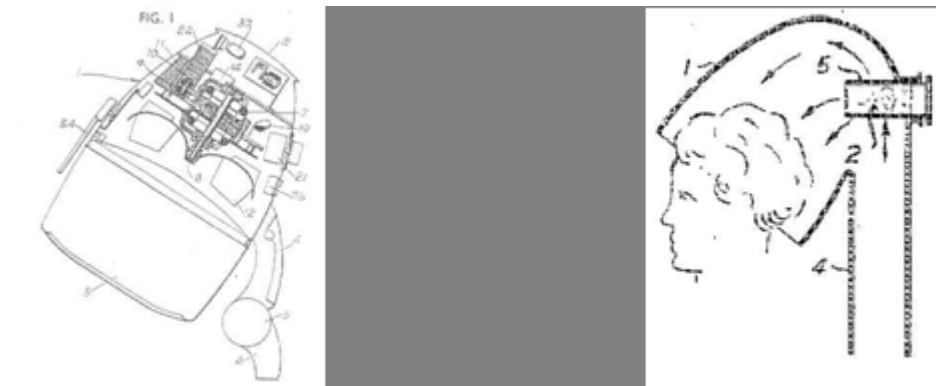

A45D 20/22

Helmets with hot air supply or ventilating means, e.g. electrically heated air current

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

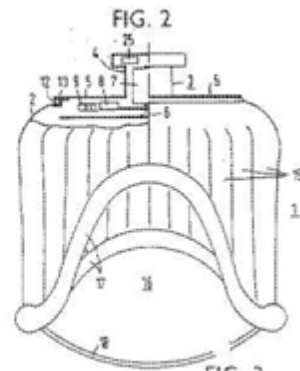

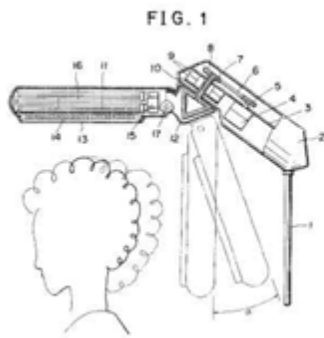

A45D 20/24

Shape or structure of the helmet body (A45D20/26 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Guiding or regulating the air	A45D 20/26
-------------------------------	----------------------------

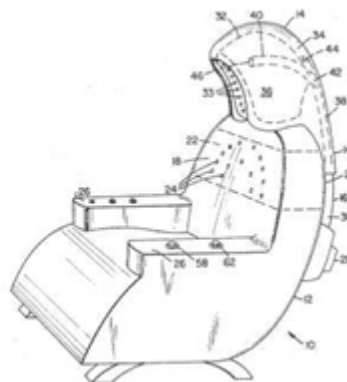

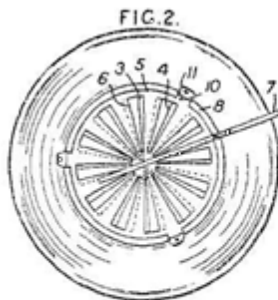

A45D 20/26

Guiding the air; Regulating the air quantity

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

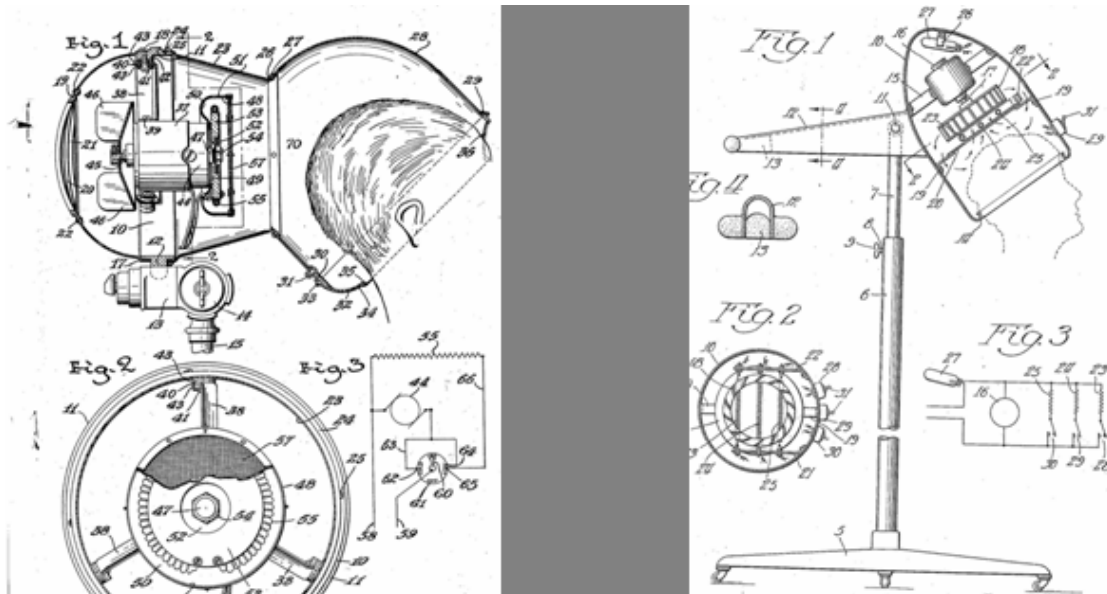

A45D 20/28

Drying the air by incorporated heating elements

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

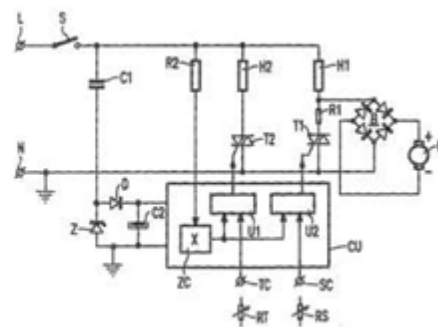

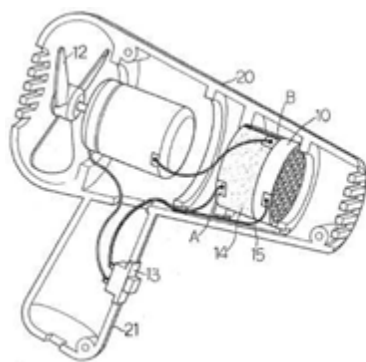

A45D 20/30

Electric circuitry specially adapted for hair drying devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

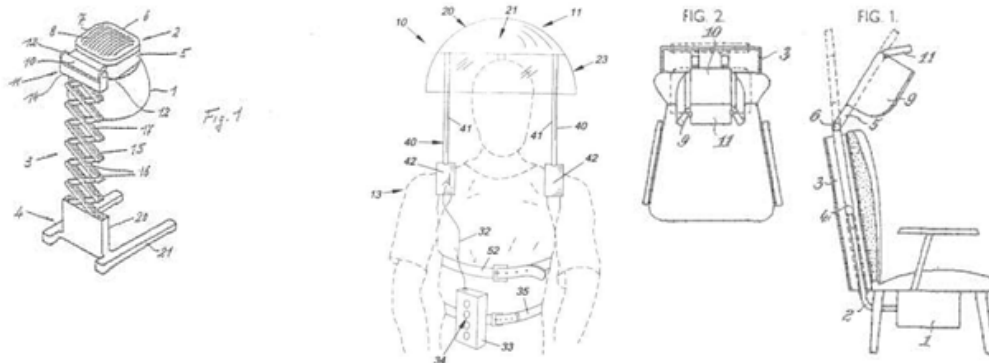

A45D 20/32

Supporting or fastening of the helmets

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

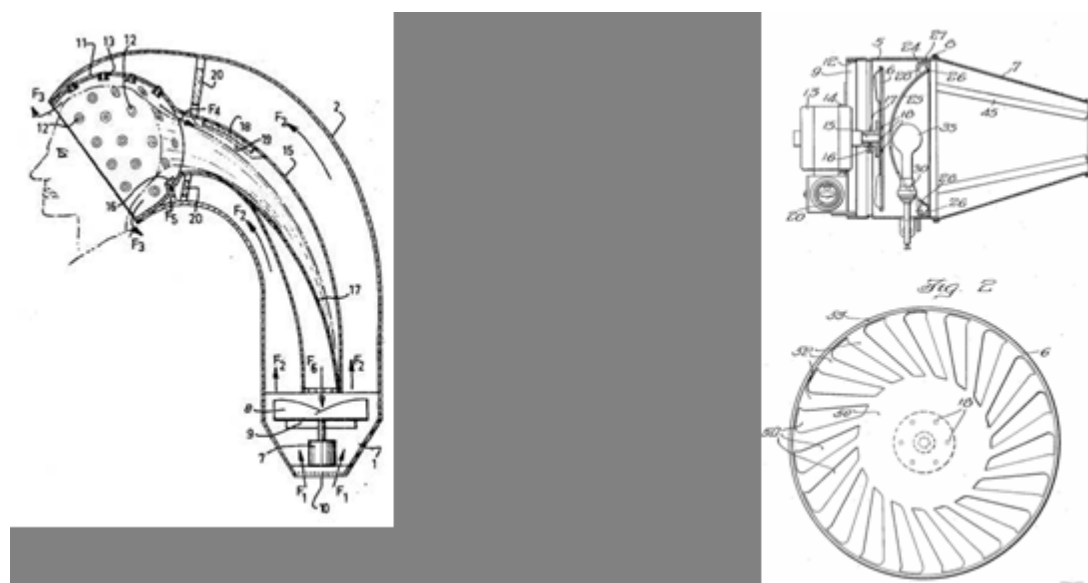

A45D 20/34

Arrangement of the ventilating means

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

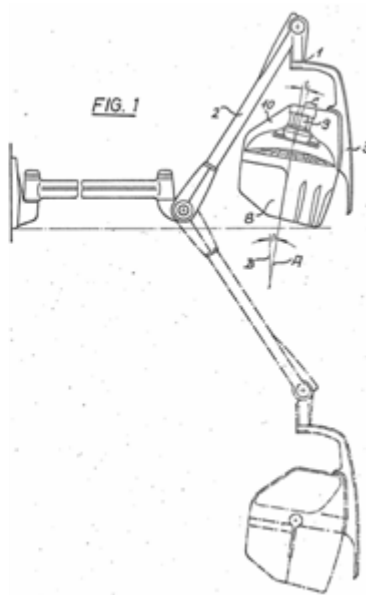

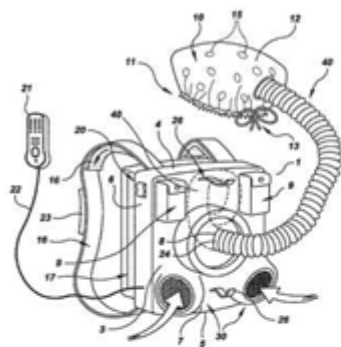

A45D 20/36

Suspension of the motor

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

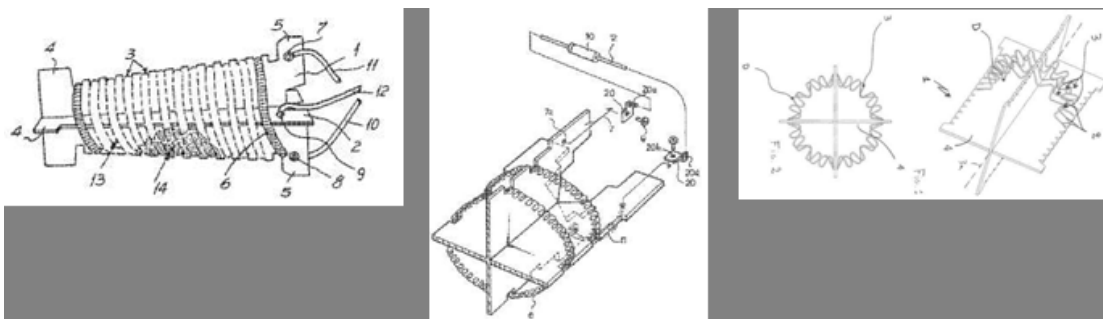

A45D 20/38

Arrangement of the electric heating means

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

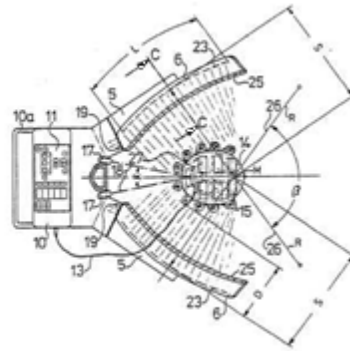

Electric heating elements per se	H05B
----------------------------------	----------------------

A45D 20/40

for use of infra-red rays

Definition statement

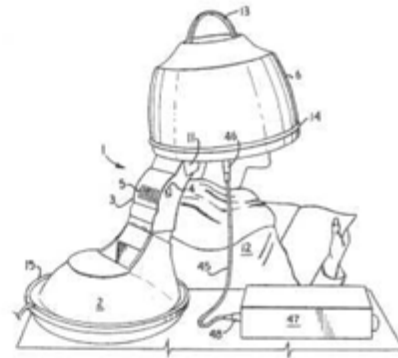

Illustrative examples of subject matter classified in this group.

Additional devices or measures, e.g. for noise damping, for musical entertainment

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Hair-drying helmets whereon the ventilating means and the heating means are apart from the helmet

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 20/50

and provision for an air stream

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

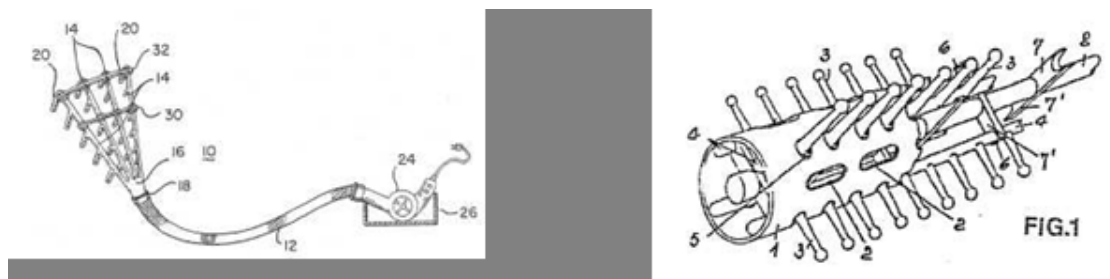

A45D 20/52

Hair-drying combs or hair-drying brushes, adapted for heating by an external heating source, [N: e.g. air stream]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

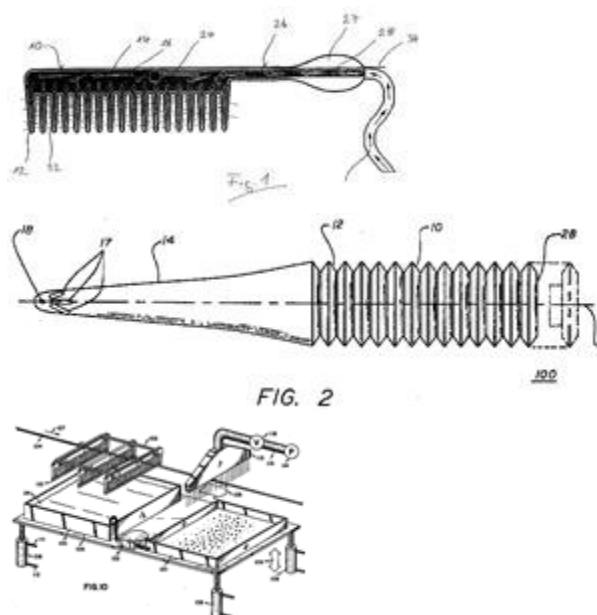

A45D 24/00

Hair combs for care of the hair; Accessories therefor (high combs or dress combs A45D8/12; hair-drying combs A45D20/48 to A45D20/52; hair-trimming devices, using a razor blade, integral or combined with combs B26B21/00, e.g. B26B21/12)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

High combs or dress combs	A45D 8/12
Hair-drying combs	A45D 20/48 - A45D 20/52
Hair-trimming devices, using a razor blade, integral or combined with combs	B26B 21/00 , B26B 21/12

Informative references

Attention is drawn to the following places, which may be of interest for search:

Combs for grooming animals	A01K 13/002
Brushes	A46B

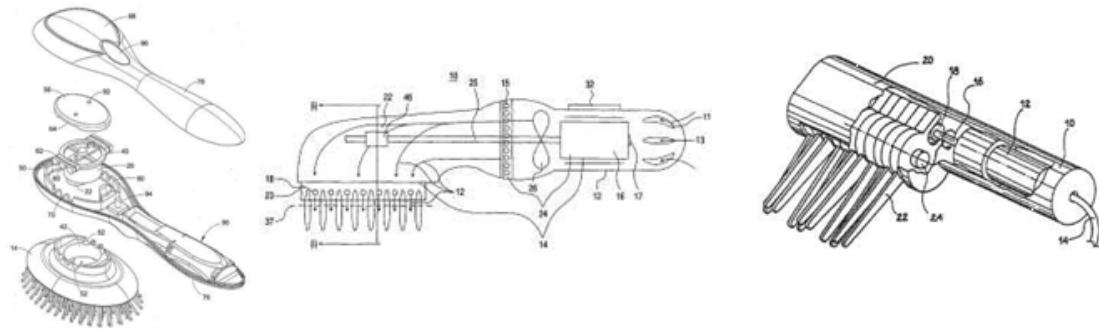

A45D 24/007

[N: power-driven]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

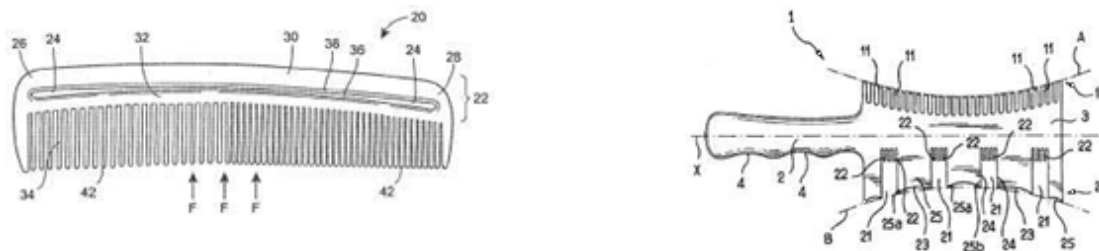

A45D 24/02

Single-piece combs

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

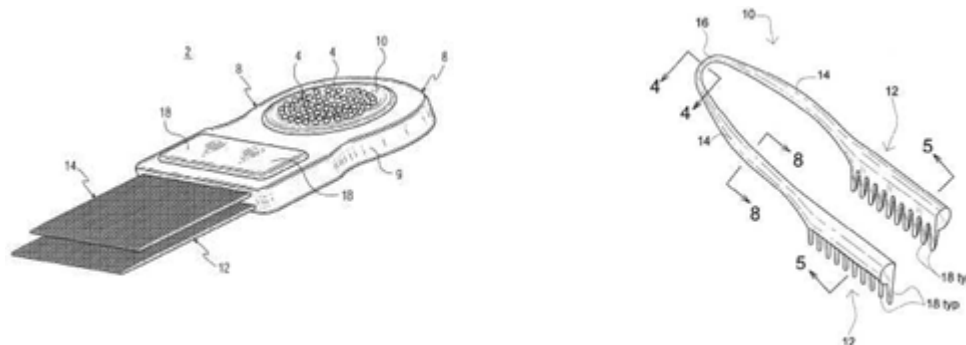

A45D 24/04

Multi-part combs

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

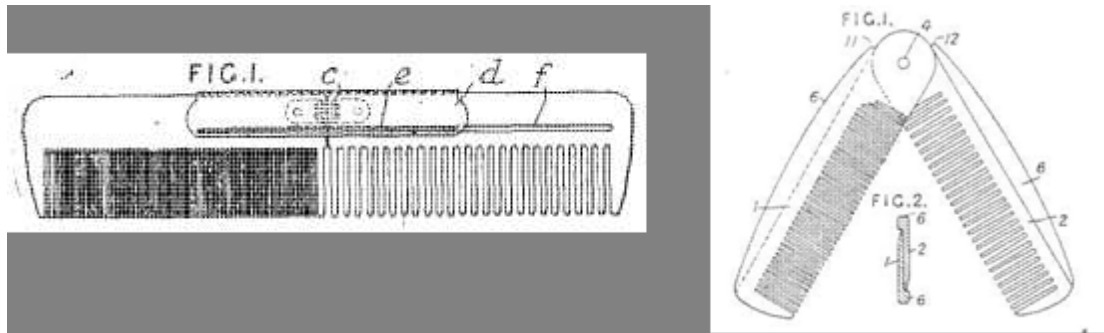

A45D 24/06

the combs being foldable (A45D24/08 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With protective sheath	A45D 24/08
------------------------	----------------------------

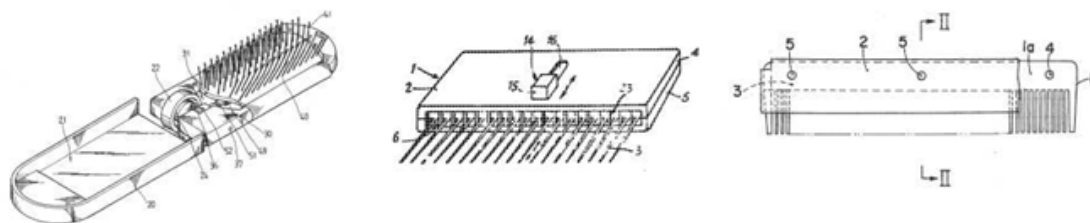

A45D 24/08

with protective sheath

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

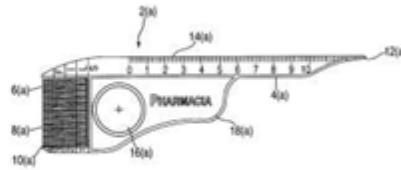

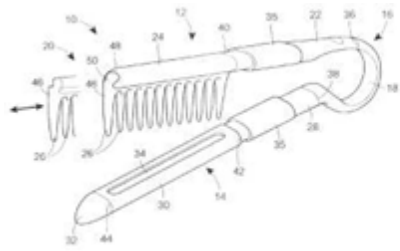

A45D 24/10

combined with additional devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

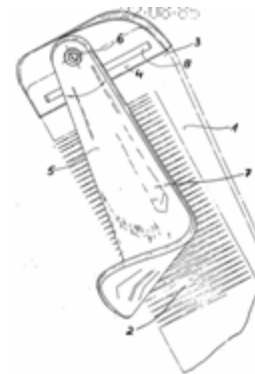

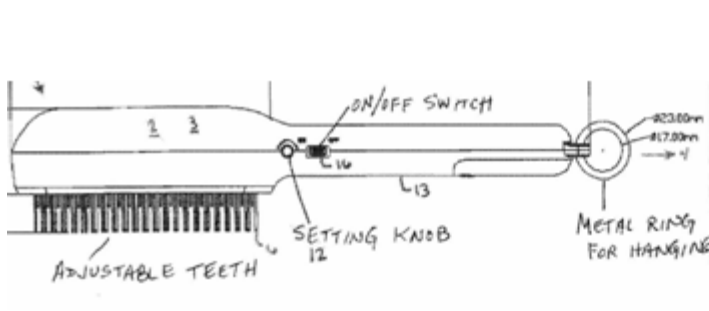

A45D 24/12

with suspending means

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

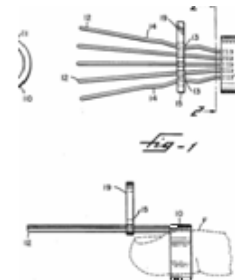

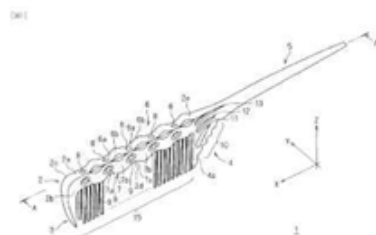

A45D 24/14

with handle designed to be attached to the hand of the user

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

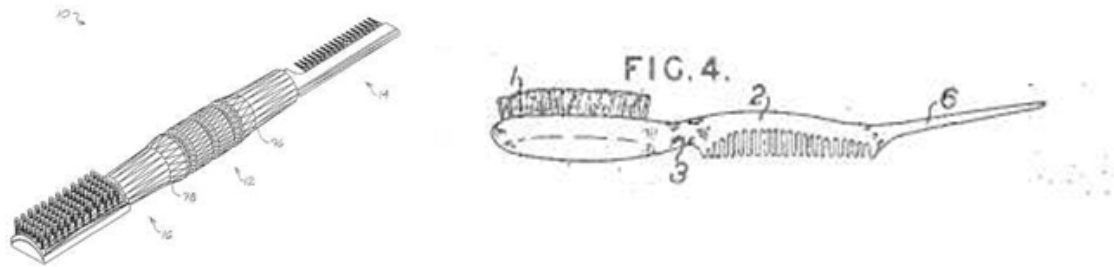

A45D 24/16

with brushes, pads, or the like whereon the additional devices are operable without more ado

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

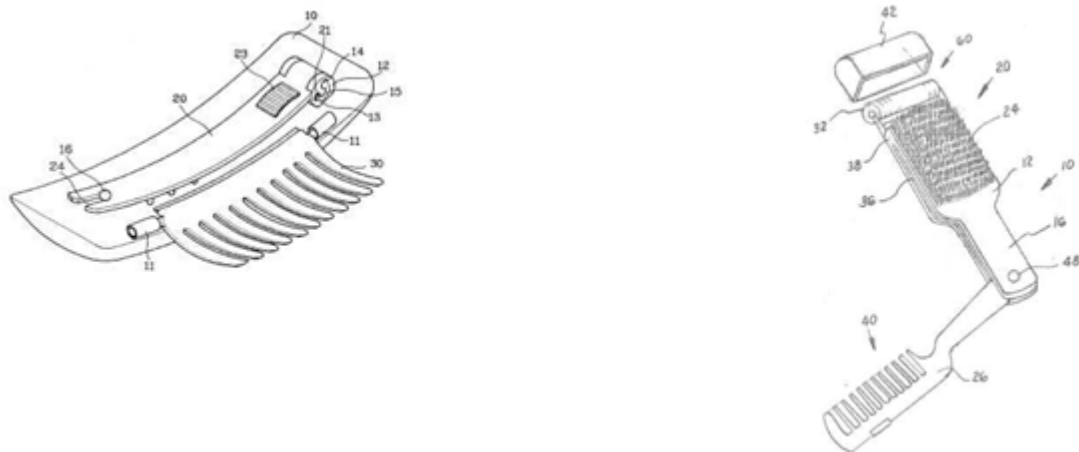

A45D 24/18

the additional devices being only operable when the comb-part is in a non-operable position

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

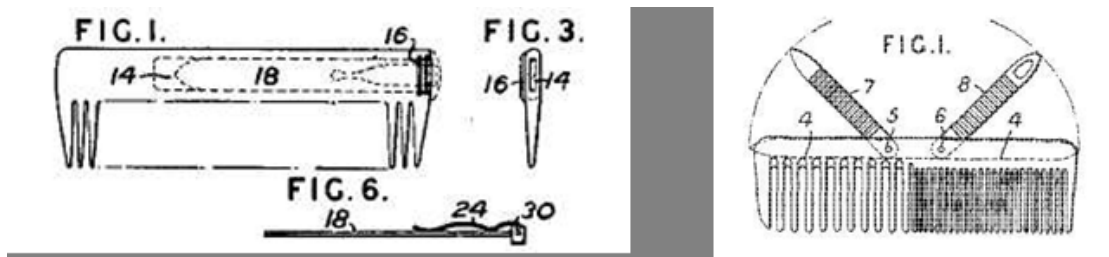

A45D 24/20

the additional devices being nail cleaners or nail files

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

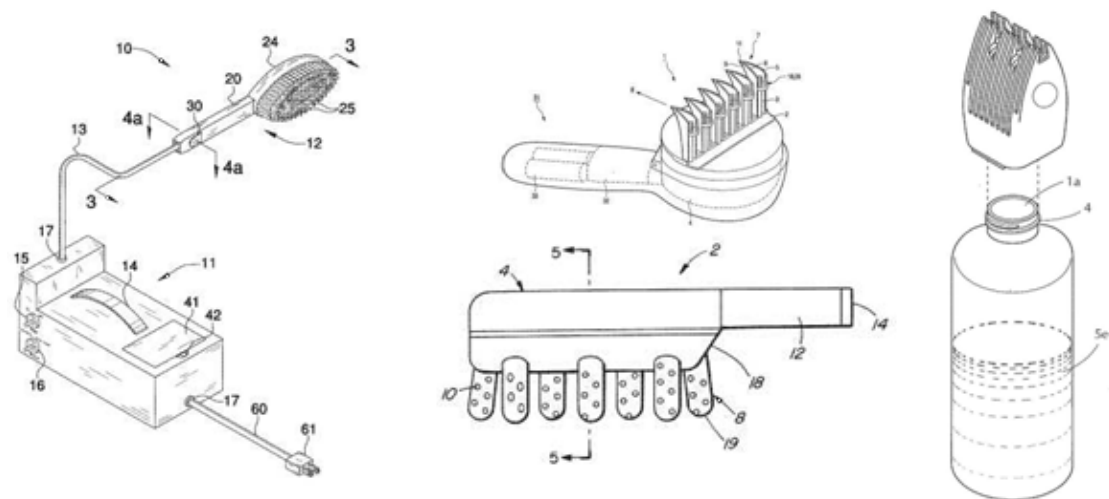

A45D 24/22

Combs with dispensing devices for liquids, pastes or powders

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

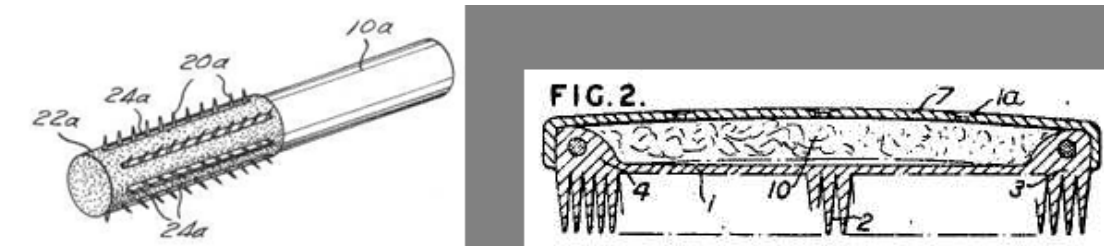

A45D 24/24

with provision for free supply; using wicks

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

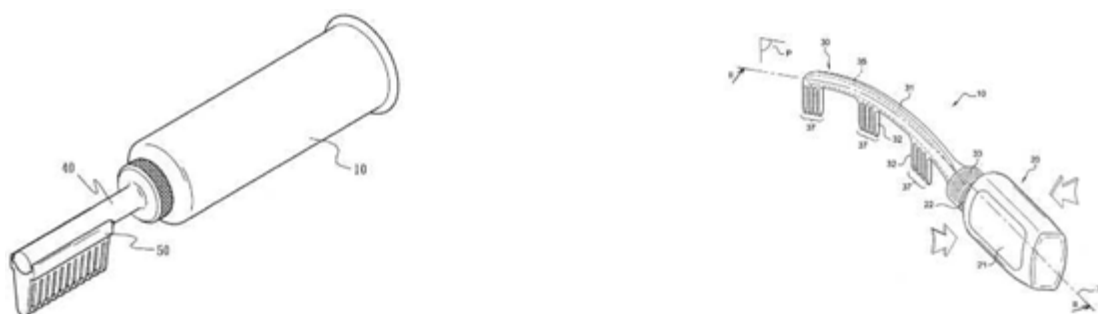

A45D 24/26

with flexible walls of the liquid, paste, or powder storing device

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 24/28

with piston pump [N: or other types of pumps]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 24/30

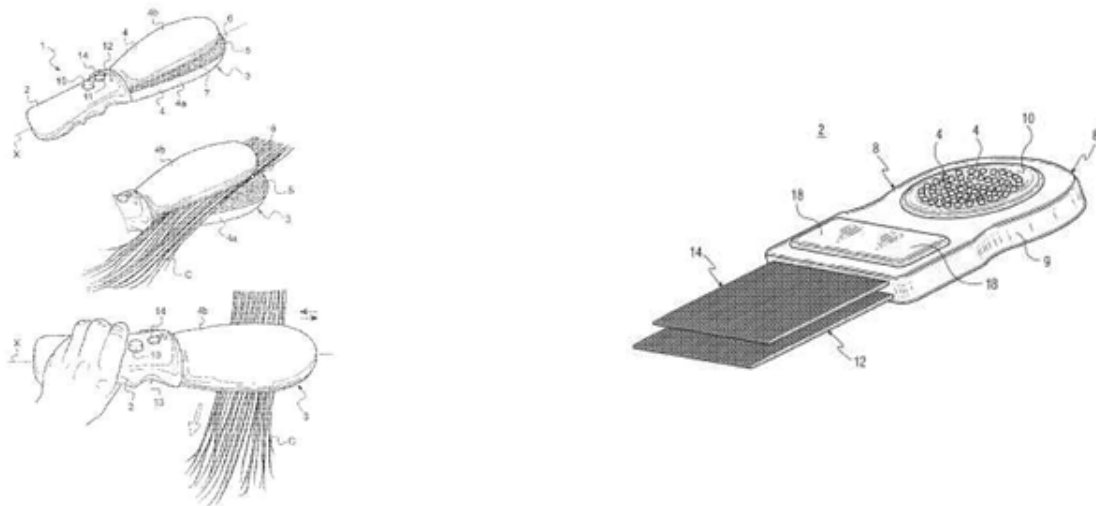

Combs specially adapted for removing dirt or grease

(A45D24/32 takes precedence)

Definition statement

This subclass/group covers:

Combs designed to remove dirt, grease or lice. Illustrative example:

References relevant to classification in this group

This subclass/group does not cover:

With suction appliance	A45D 24/32
------------------------	----------------------------

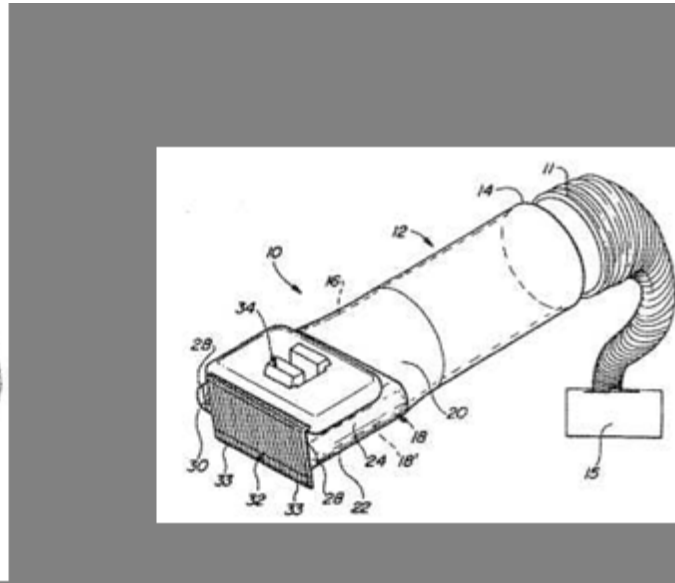

A45D 24/32

Combs with suction appliance

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

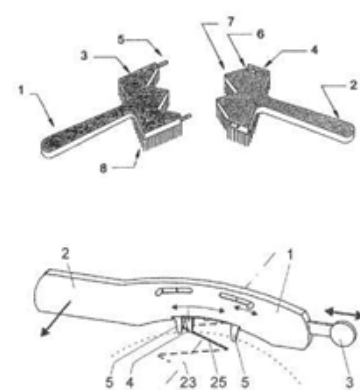

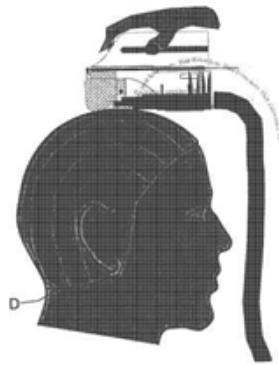

A45D 24/34

Crown parting devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

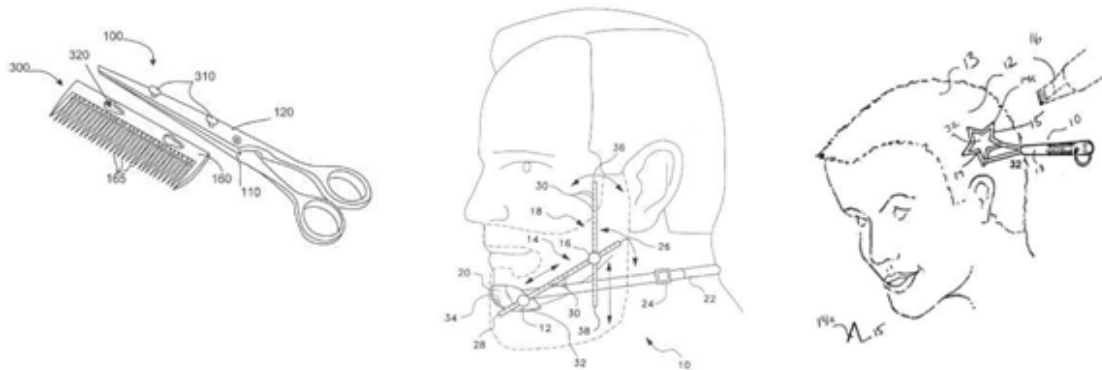

A45D 24/36

Combs, stencils, or guides, specially adapted for hair trimming devices

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Razor blades attached to ordinary combs

[B26B 21/125](#)

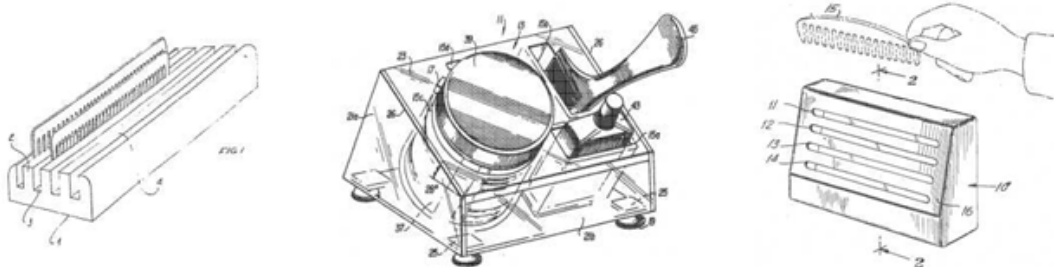

A45D 24/38

Comb supports

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

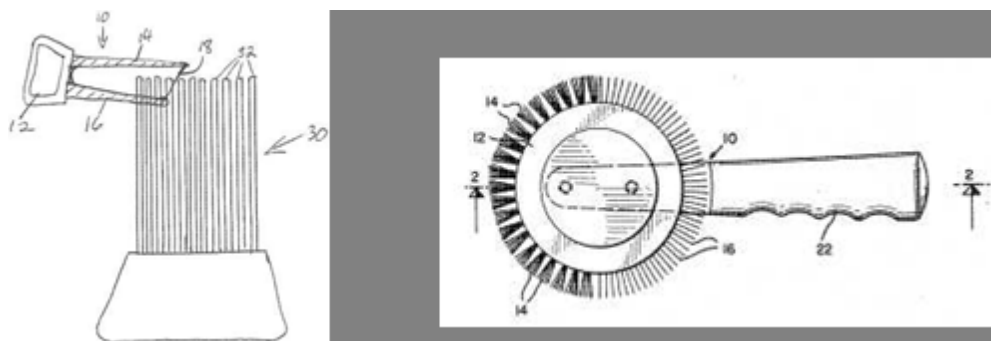

A45D 24/40

[N: Manually actuated] comb cleaners

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

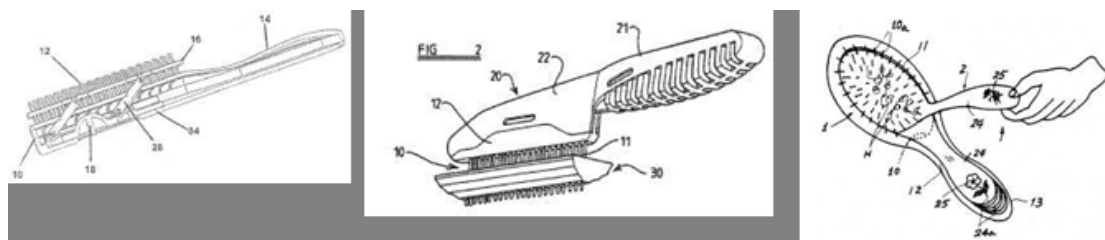

A45D 24/42

detachable from, or fixed to, the comb

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

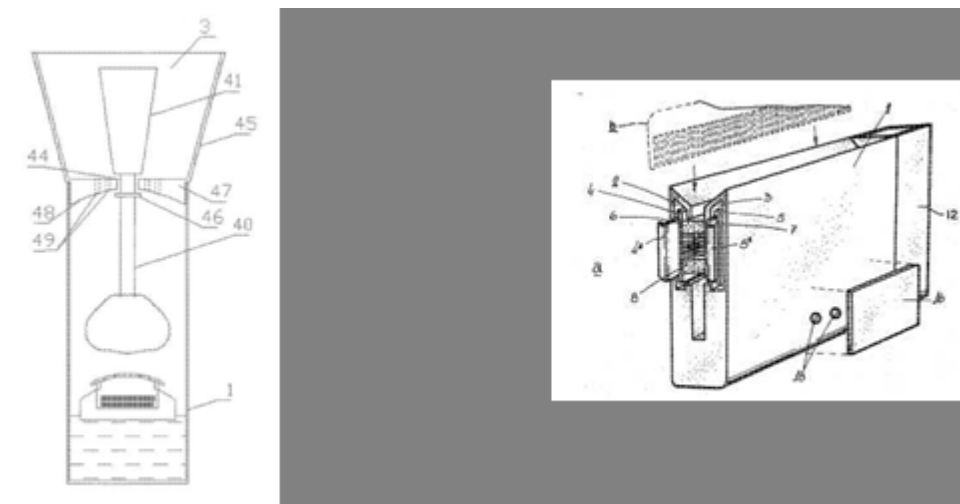

A45D 24/44

as separate apparatus

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

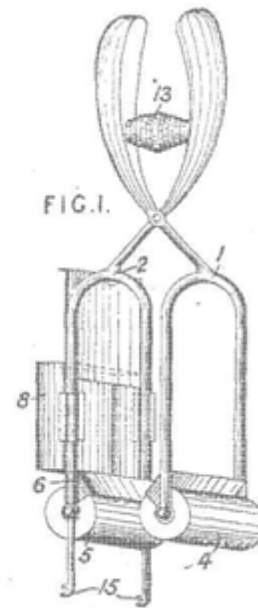

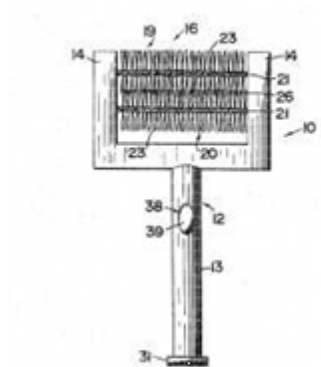

A45D 24/46

with roller brushes

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

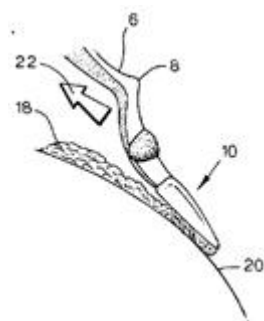

A45D 26/00

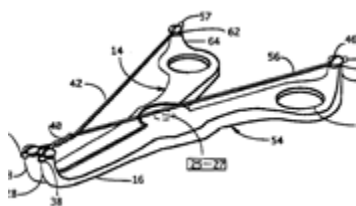

Hair-singeing apparatus; Apparatus for removing superfluous hair, e.g. tweezers (removing hair using electrosurgical instruments A61B18/04, A61B18/18)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Removing hair using electrosurgical instruments	A61B 18/04 , A61B 18/18
---	---

[N: by abrasion]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 26/0009

[N: by singeing]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

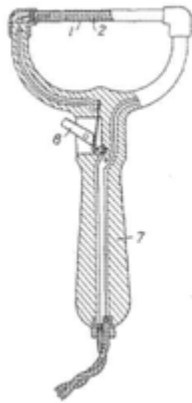

Fig. 1

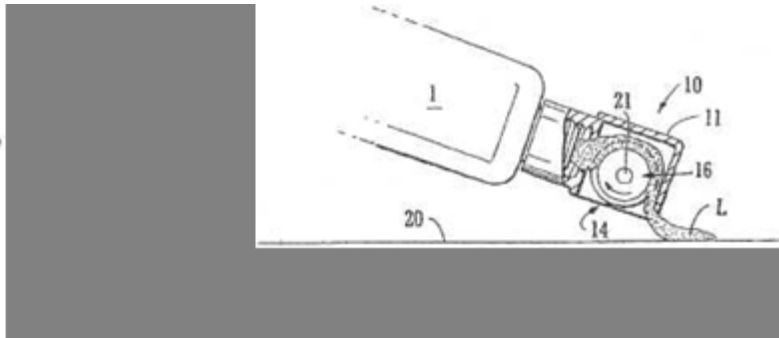

A45D 26/0014

[N: using wax]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

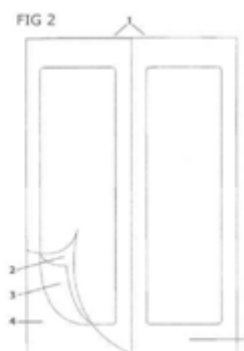

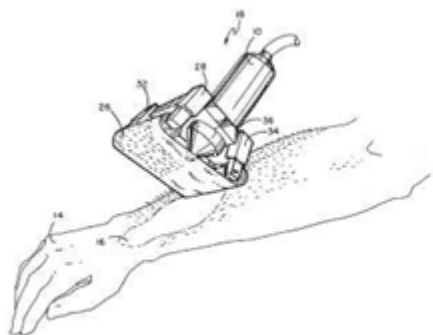

A45D 26/0019

[N: using an adhesive element]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

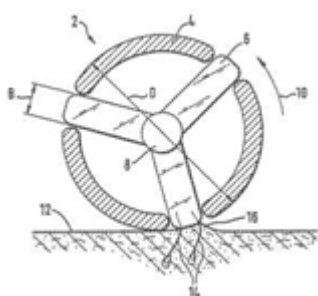

A45D 26/0023

[N: with rotating clamping elements (A45D26/0042 takes precedence)]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With slits opening and closing during use	A45D 26/0042
---	------------------------------

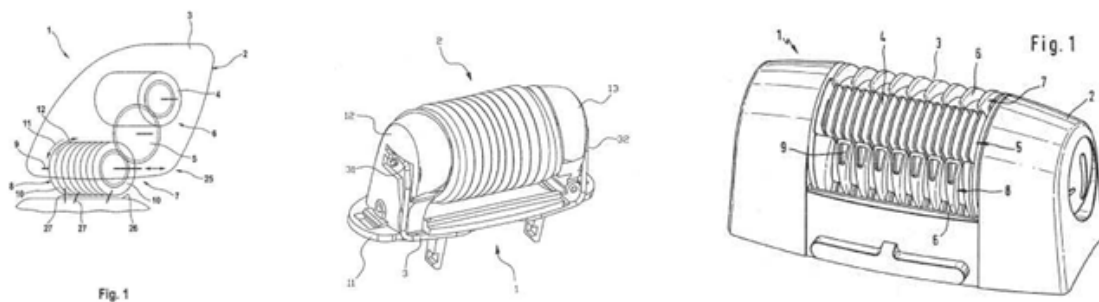

A45D 26/0028

[N: with rotating discs or blades]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

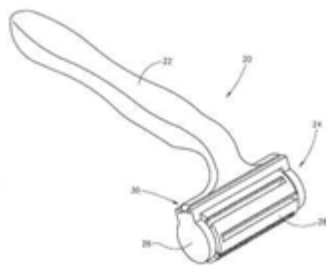

A45D 26/0033

[N: with rollers]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

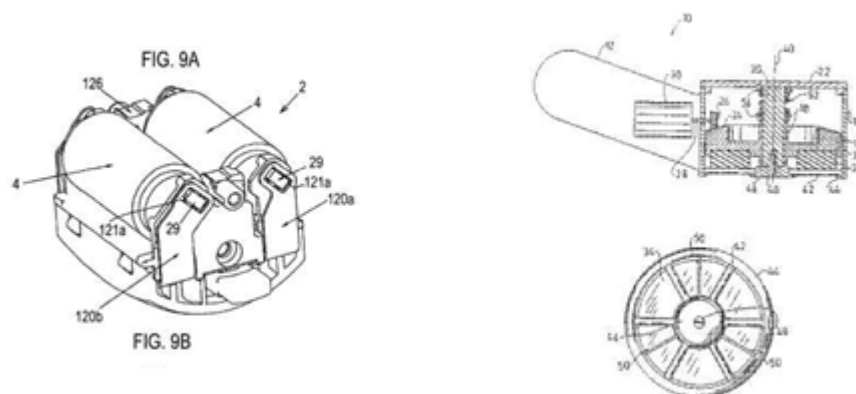

A45D 26/0038

[N: power-driven]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

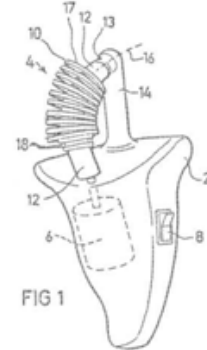

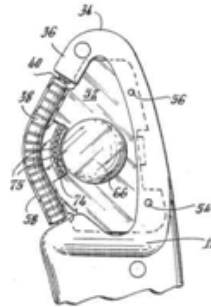

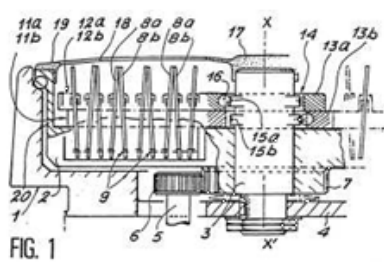

A45D 26/0042

[N: with flexible members provided with slits opening and closing during use]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

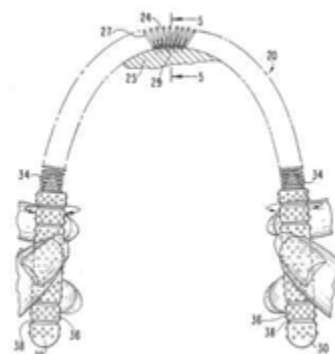

A45D 26/0047

[N: with a helicoidal spring]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 26/0052

[N: power-driven]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

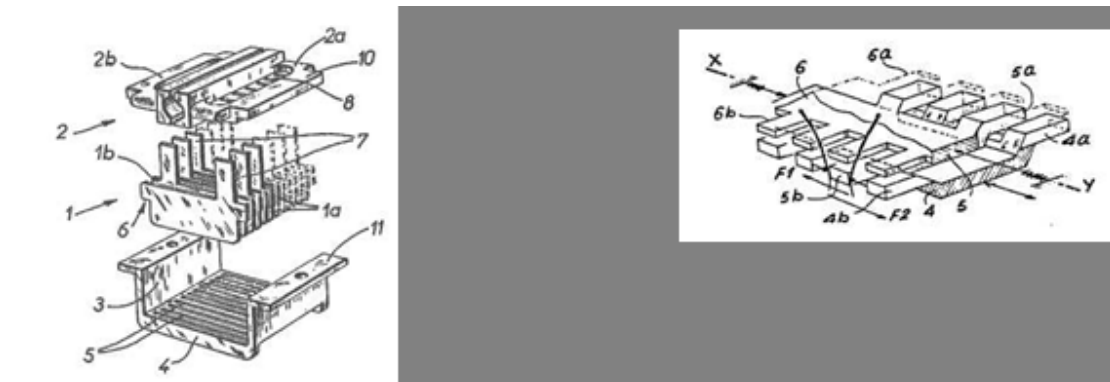

A45D 26/0057

[N: with multiple elements having a translatable movement parallel to the skin]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

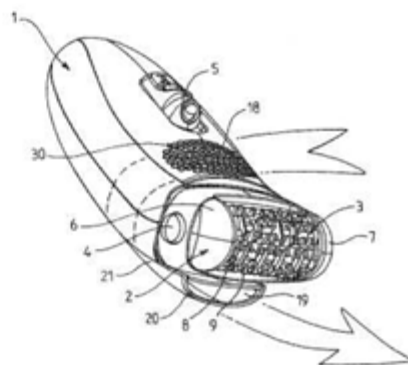

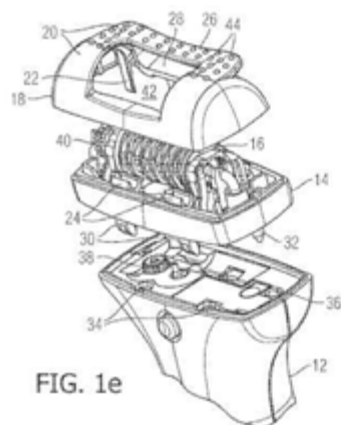

A45D 26/0061

[N: with means for reducing pain during hair removal]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

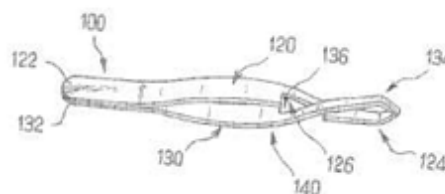

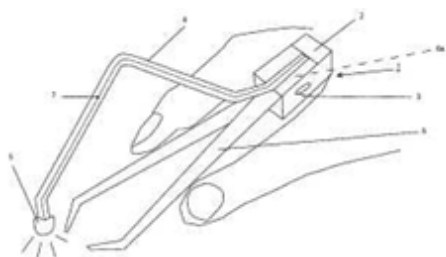

A45D 26/0066

[N: Tweezers]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

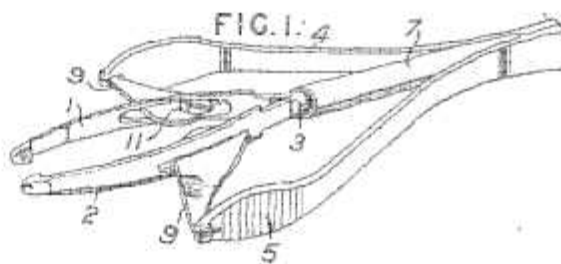

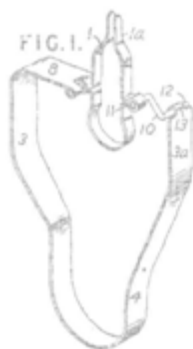

A45D 26/0071

[N: the hair being extracted automatically, i.e. without manual traction by the user]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

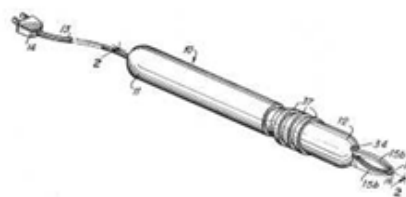

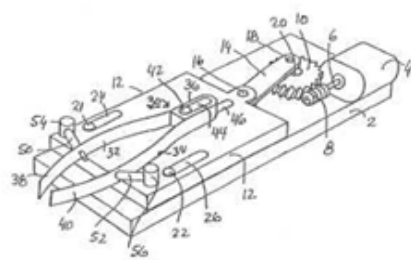

A45D 26/0076

[N: power-driven]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

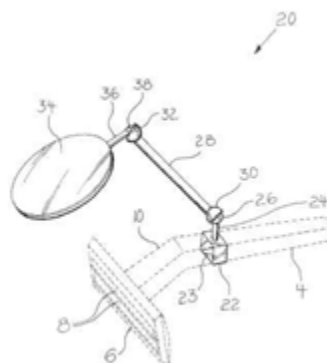

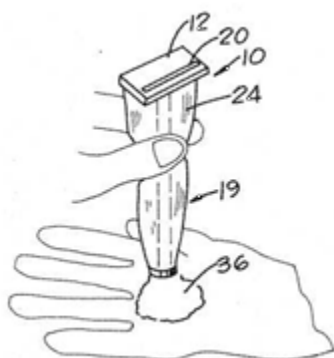

A45D 27/00

Shaving accessories (containers for handling shaving soap
A45D40/00; shaving mirrors A45D42/08)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Containers for handling shaving soap	A45D 40/00
Shaving mirrors	A45D 42/08
Cabinets for shaving tackle	A47B 67/02
Resharpening razor blades	B24

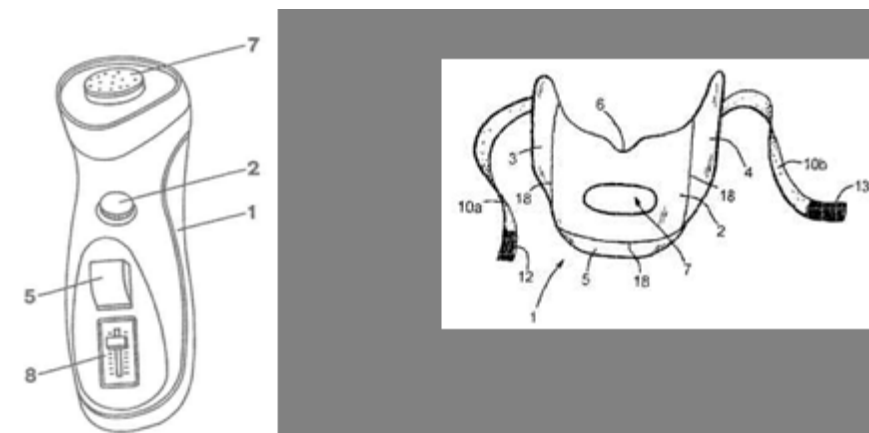

A45D 27/003

[N: Devices for softening beards, e.g. face steamers (shaving masks A45D27/42)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Shaving masks	A45D 27/42

A45D 27/04

Hand implements for lathering, e.g. using brush

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

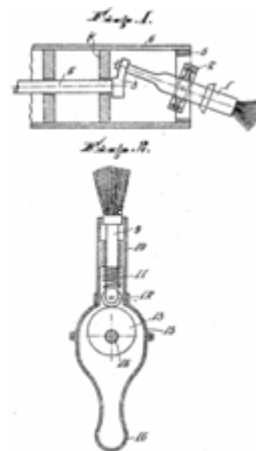

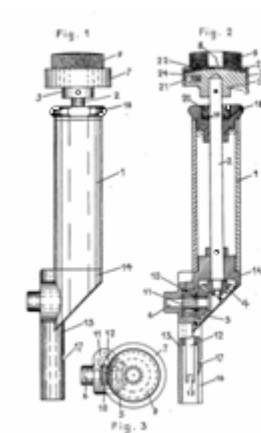

A45D 27/06

Motor-driven devices for lathering

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

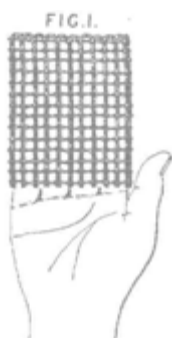

A45D 27/08

Gloves or cloths for lathering

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

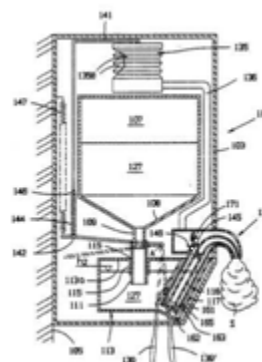

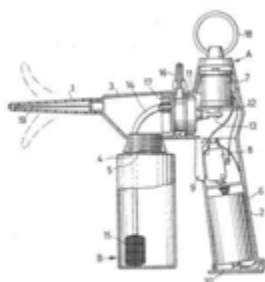

A45D 27/10

Lather-producing devices operated by compressed air or by swirling water [N: (pressurised or aerosol containers B65D83/14)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Pressurised or aerosol containers	B65D 83/14
-----------------------------------	----------------------------

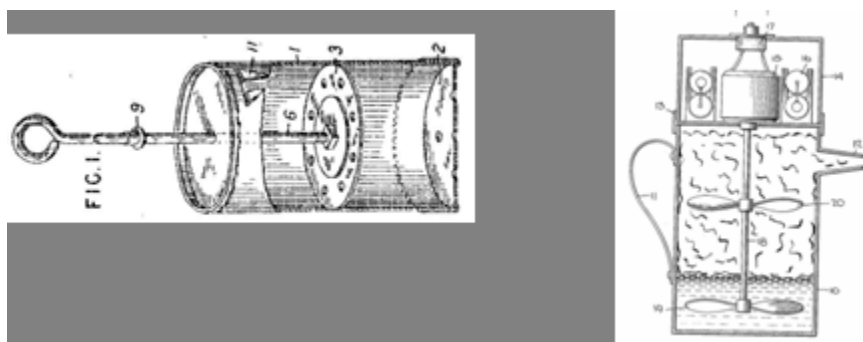

A45D 27/12

Lather-producing devices having stirring means (A45D27/10 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Operated by compressed air or by swirling water	A45D 27/10
---	----------------------------

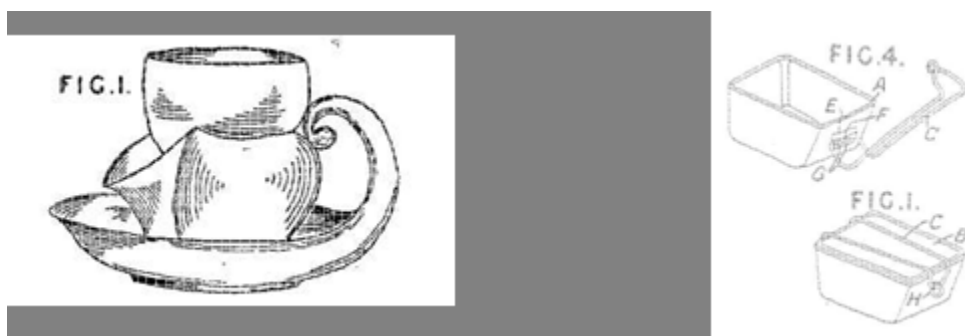

A45D 27/14

Shaving mugs

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 27/16

with soap holders

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

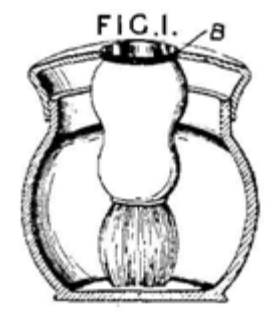

A45D 27/18

with brush supports

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

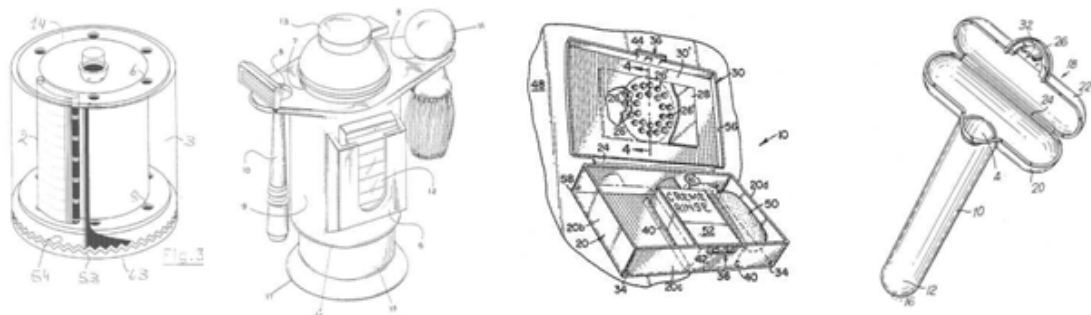

A45D 27/22

Containers or carriers for storing shaving appliances

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Cabinets for shaving tackle	A47B 67/02
Containers in general	B65D

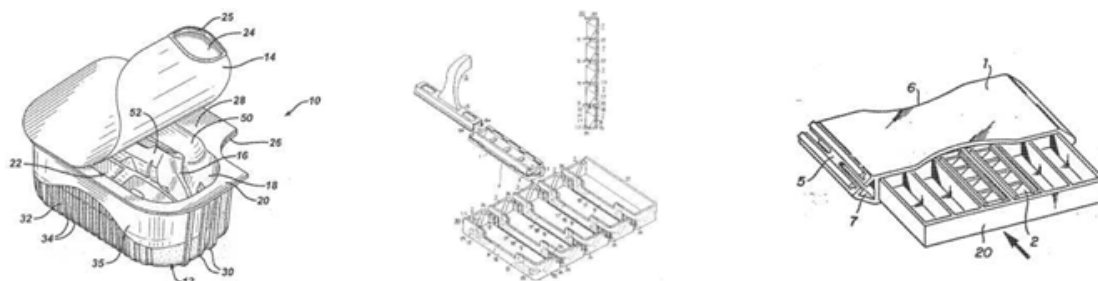

A45D 27/225

[N: for storing razor blade cartridges, e.g. after use]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

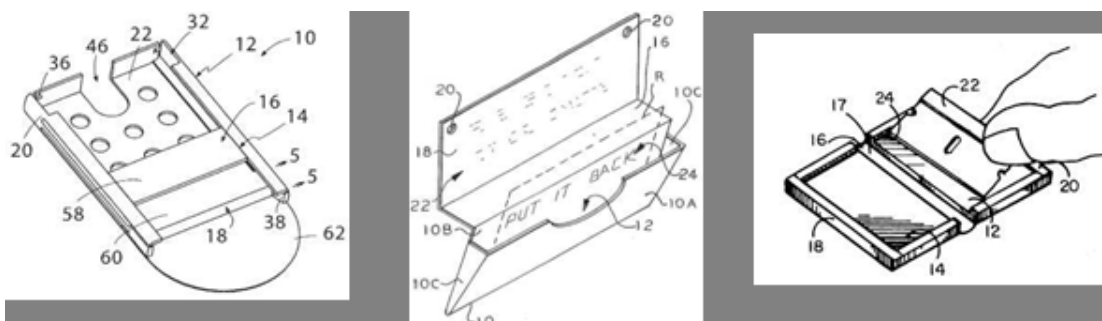

A45D 27/24

for storing [N: thin flat] razor blades, e.g. after use (devices for collecting used scalpel blades A61B17/3217; devices for dispensing razor-blades B65D83/10)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Devices for collecting used scalpel blades	A61B 17/3217
Packaging containers	B65D
For dispensing razor-blades	B65D 83/10

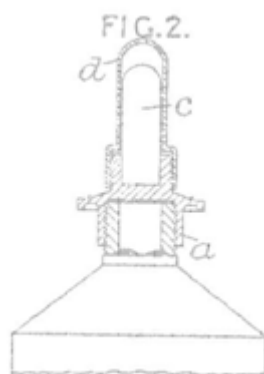

A45D 27/26

for styptic pencils, styptic cotton-wool or the like

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

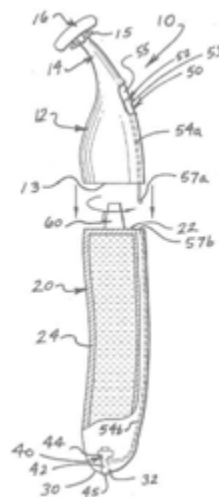

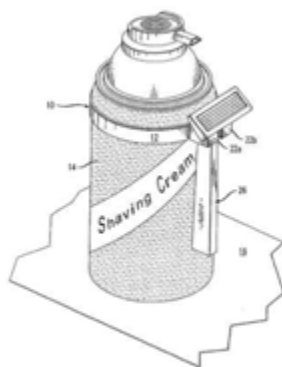

A45D 27/28

for storing one shaving appliance within another (means integral with, or attached to, the razor for storing shaving cream, styptic, or the like B26B21/44)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Means integral with, or attached to, the razor for storing shaving cream, styptic, or the like	B26B 21/44

Nail cleaners, e.g. scrapers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

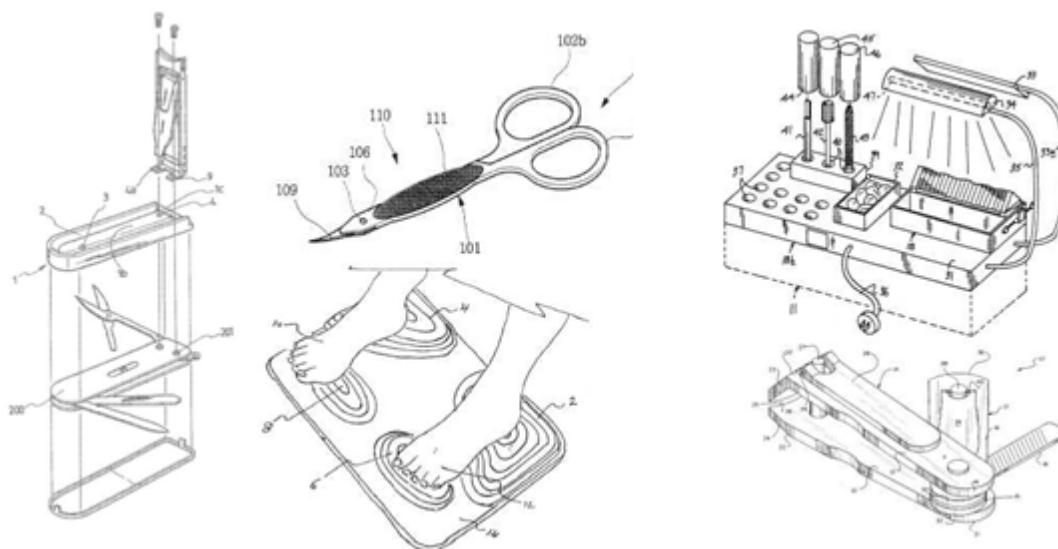

A45D 29/18

Manicure or pedicure sets, e.g. combinations without case, etui, or the like (combined with or on sheath of scissors B26B13/22, B26B29/04)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Combined with or on sheath of scissors	B26B 13/22 , B26B 29/04
--	---

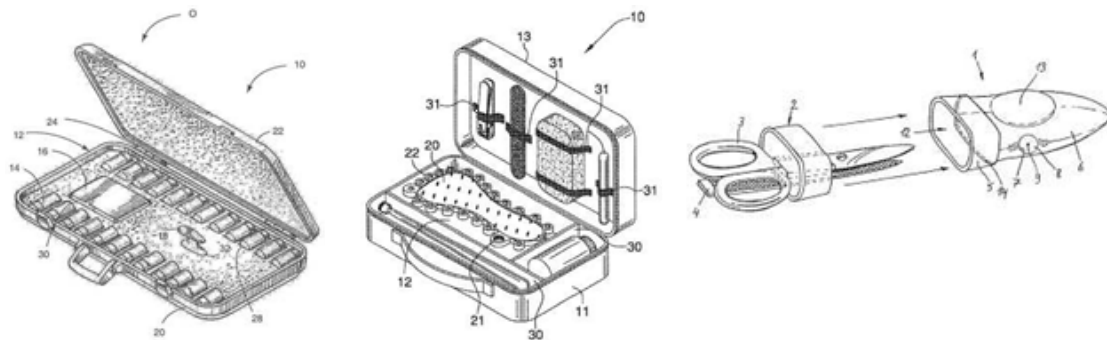

A45D 29/20

Boxes, cases, etuis or the like specially adapted therefor

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Receptacles for travelling or like purposes	A45C 11/00
---	----------------------------

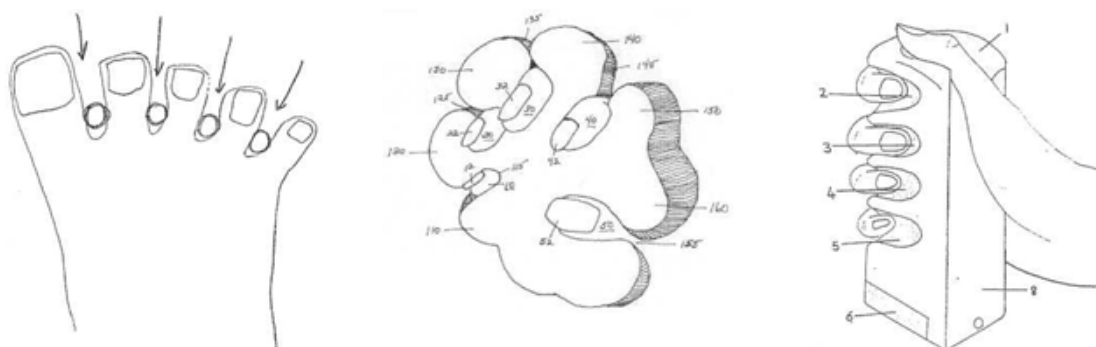

A45D 29/22

Finger-supports

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

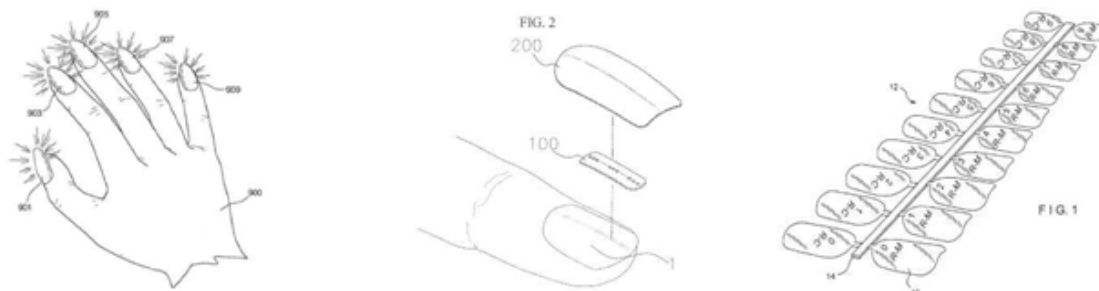

A45D 31/00

Artificial nails

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Jewellery adapted to be worn on the nails	A44C 15/008
Injection moulding	B29C 45/00

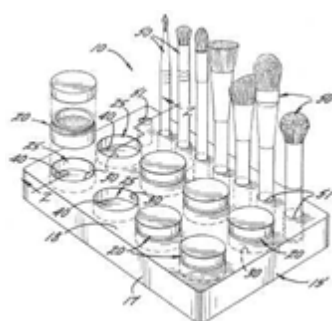

A45D 33/00

Containers or accessories specially adapted for handling toilet or cosmetic powder

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Cosmetic brushes	A46B 9/021
Cosmetic or similar toilet preparations	A61K 8/00
For applying therapeutic or disinfecting substances	A61M 35/00
Make-up preparations; Body powders	A61Q 1/02
Packaging fluent solid material, e.g. powders	B65B 1/00

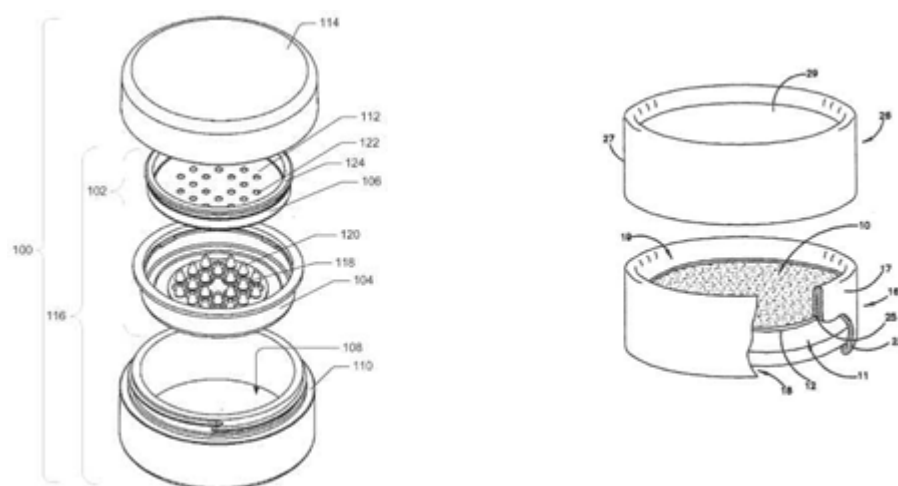

A45D 33/003

[N: Powder boxes]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

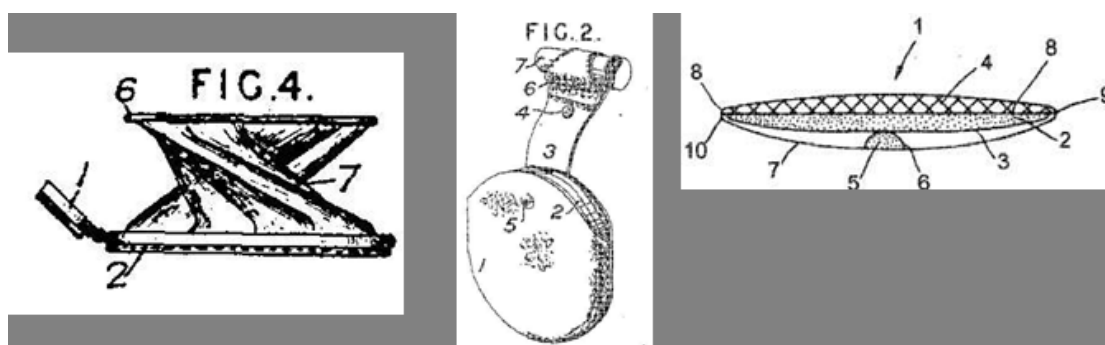

A45D 33/005

[N: Flexible holders, pouches for powder or powder puffs]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

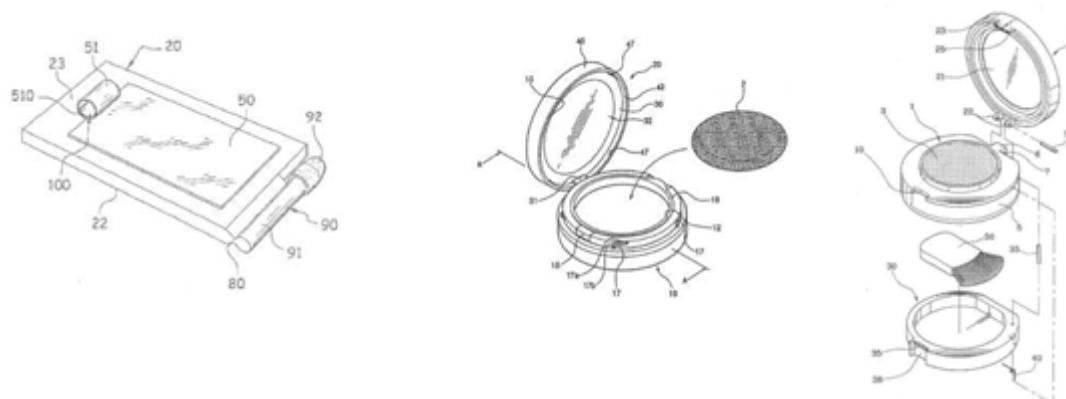

A45D 33/006

[N: Vanity boxes or cases, compacts, i.e. containing a powder receptacle and a puff or applicator (A45D33/025 to A45D33/34 and A45D40/22 take precedence; toilet etuis A45C11/008)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

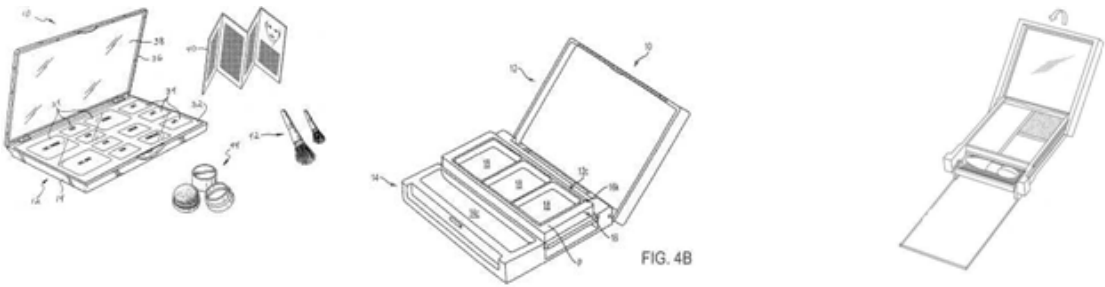

Cosmetic powder cases characterised by their dispensing means, by a special structural configuration or by a hinged cover; Powder puffs	A45D 33/025 - A45D 33/34 , A45D 40/22
Toilet etuis	A45C 11/008

A45D 33/008

[N: comprising a mirror (hand or pocket mirrors A45D42/00; handbags or purses with mirrors A45C15/04)]

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

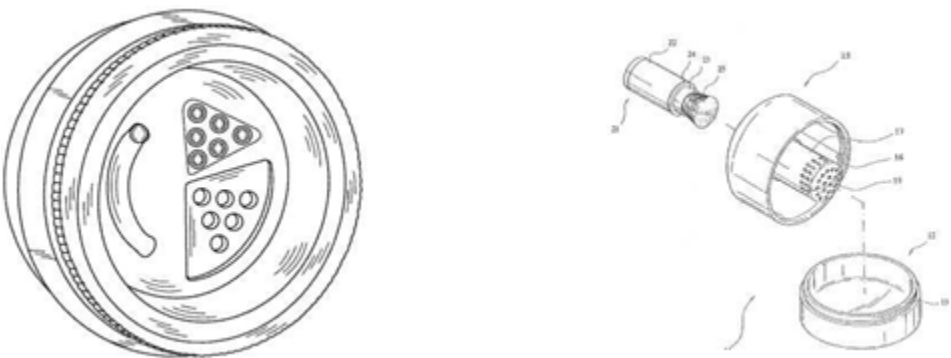

Handbags or purses with mirrors	A45C 15/04
Hand or pocket mirrors	A45D 42/00

A45D 33/02

with dispensing means, e.g. sprinkling means

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

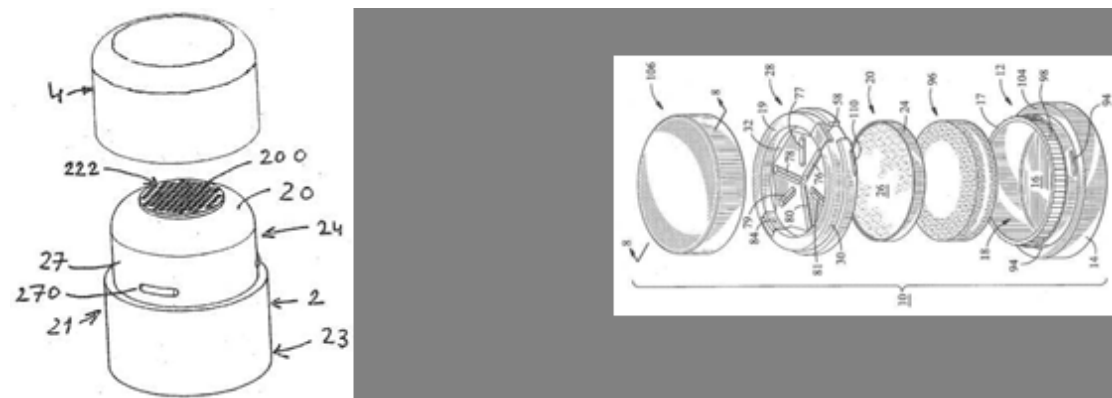

A45D 33/025

[N: for compacts, vanity boxes or cases (A45D33/04 to A45D33/16 take precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With spring bottoms, diaphragm bases, rotary vanes, iris diaphragms, rollers, screws or displacing/rotating covering part	A45D 33/04 - A45D 33/16
---	---

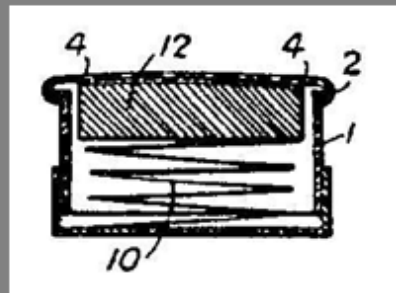

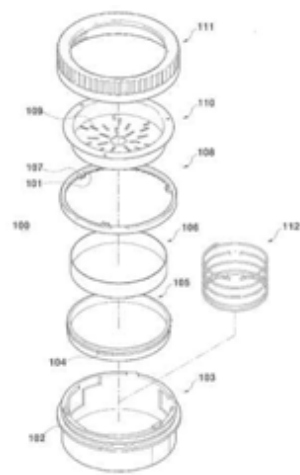

A45D 33/04

with spring bottoms

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

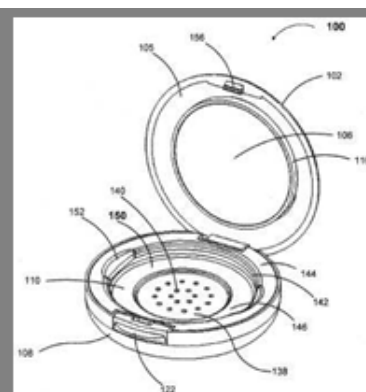

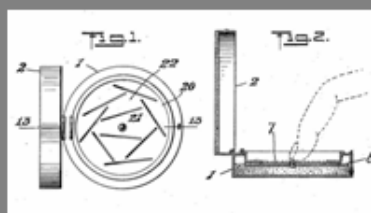

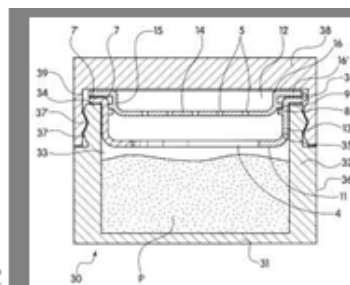

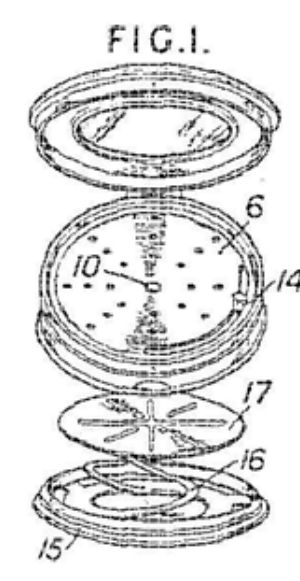

A45D 33/06

with diaphragm bases

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

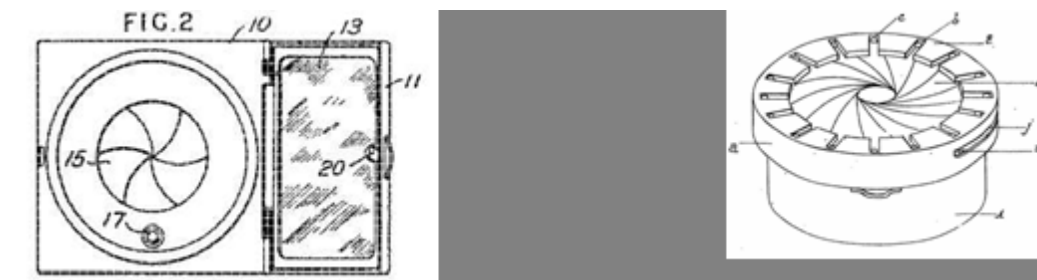

A45D 33/10

with closures in form of iris diaphragms

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 33/12

with rollers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

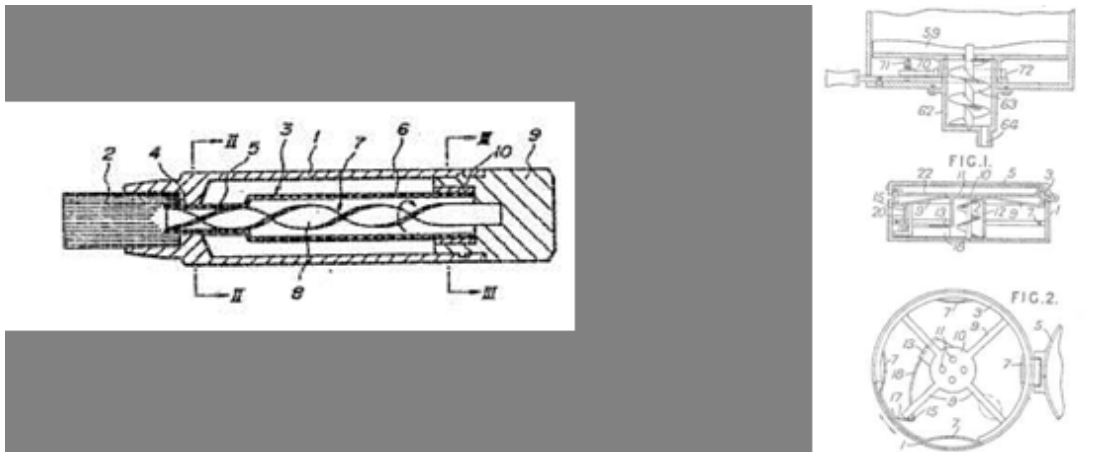

A45D 33/14

with screws

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 33/16

with openings in the lid, able to be opened or closed by displacing or rotating a covering part

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

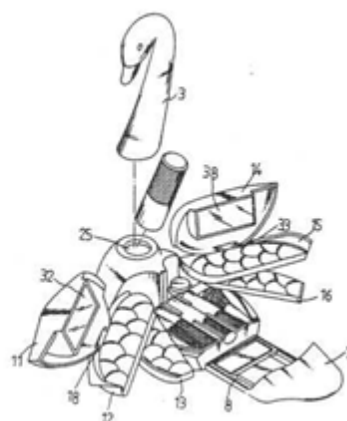

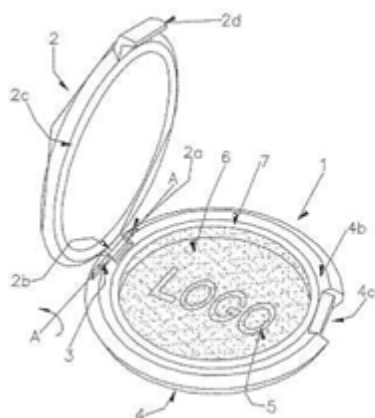

A45D 33/18

with special decorative arrangements or form

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Decorative art in general	B44
---------------------------	-----

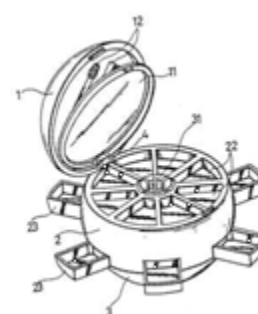

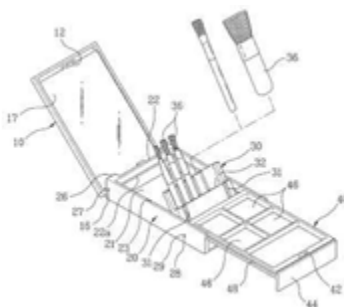

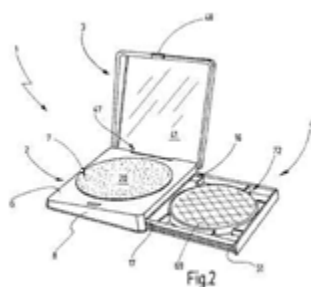

A45D 33/20

Containers with movably mounted drawers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

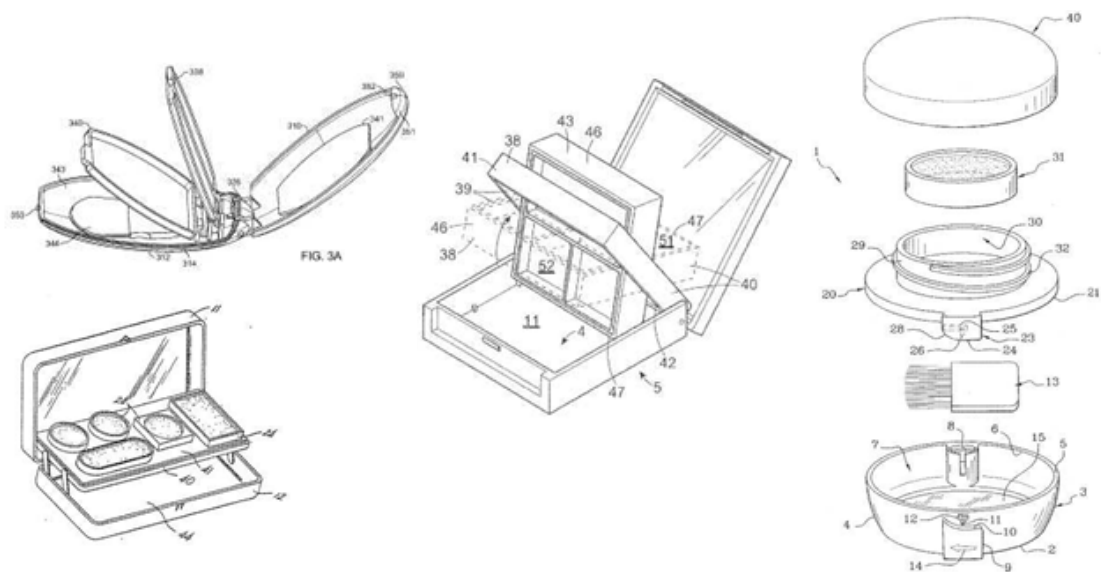

A45D 33/22

Containers with lids or covers at the top and the bottom

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

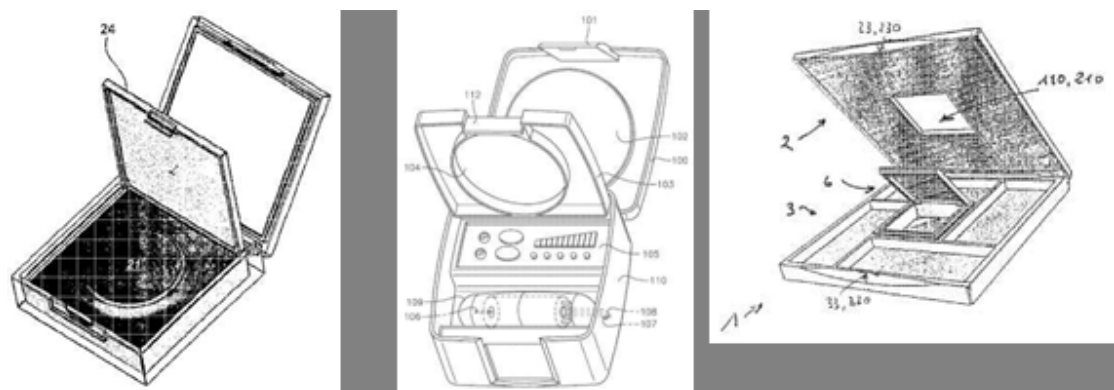

A45D 33/24

Containers with two lids on one side; Containers with several covers

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

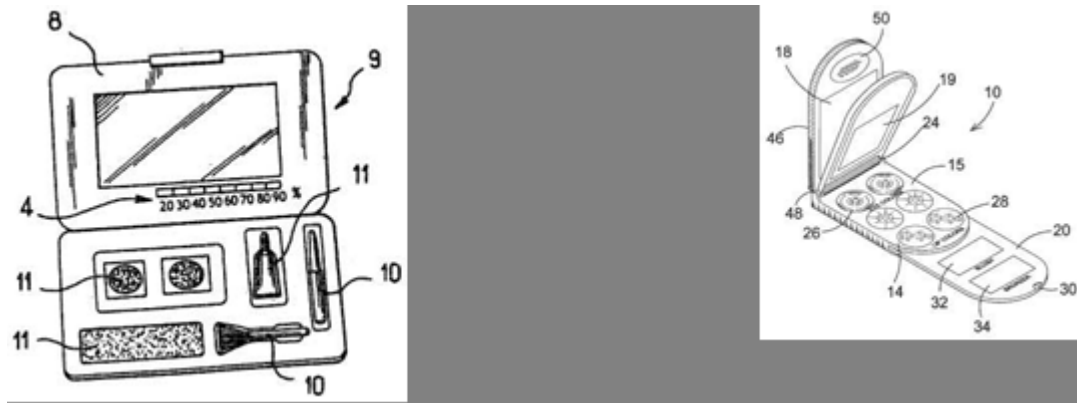

A45D 33/26

combined with other objects

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

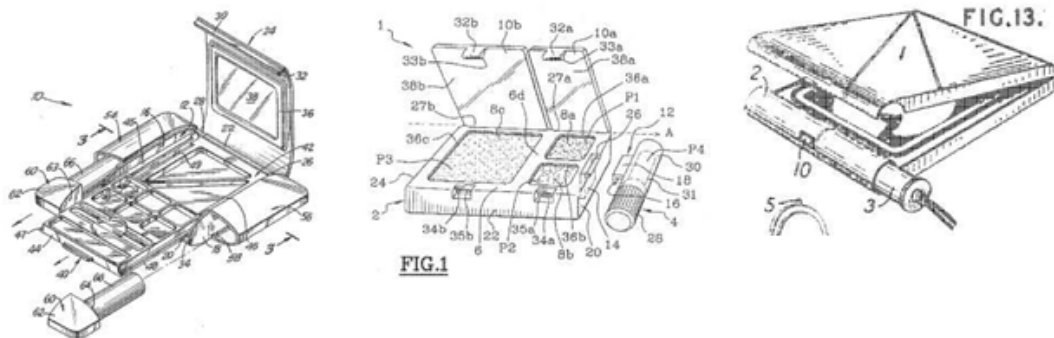

A45D 33/28

with lipstick holders or with other toilet articles

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

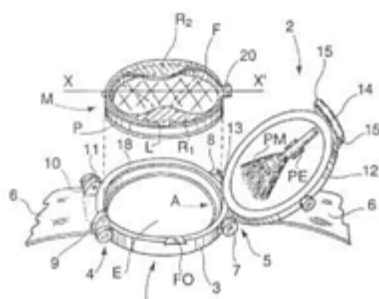

A45D 33/30

with watches or other mechanically-driven articles

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

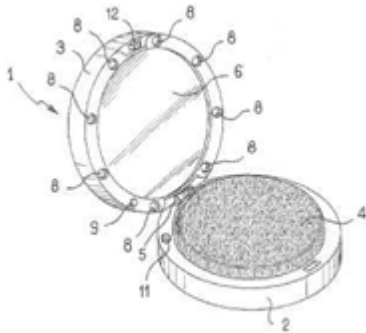

A45D 33/32

with illuminating means

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

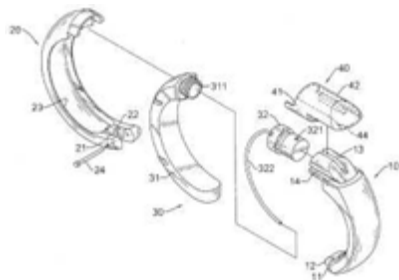

A45D 33/33

with bracelet or garter holder; as pendant

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

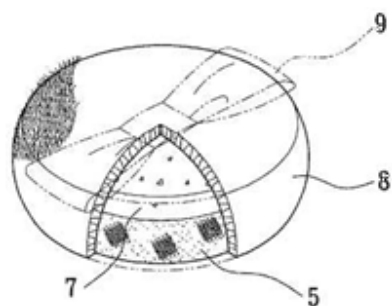

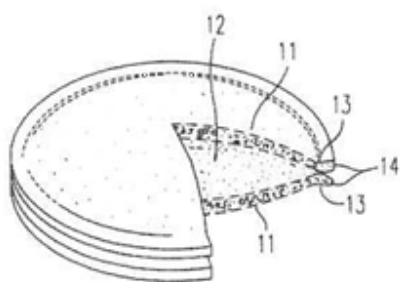

A45D 33/34

Powder-puffs, e.g. with installed container

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

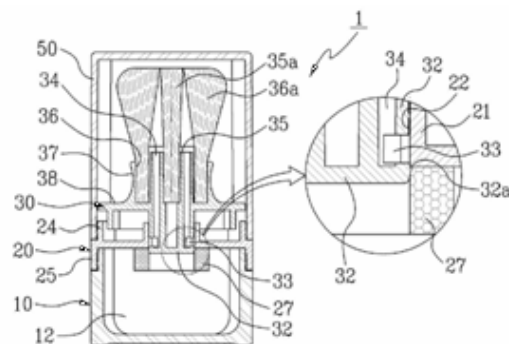

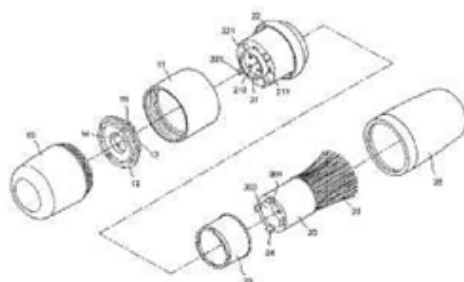

A45D 33/36

with handle

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

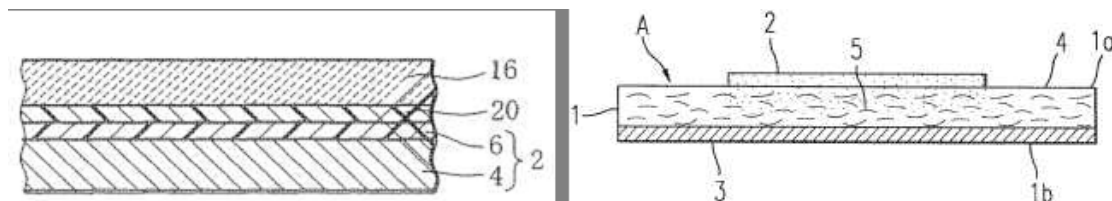

A45D 33/38

Papers containing powder or other toilet substances

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

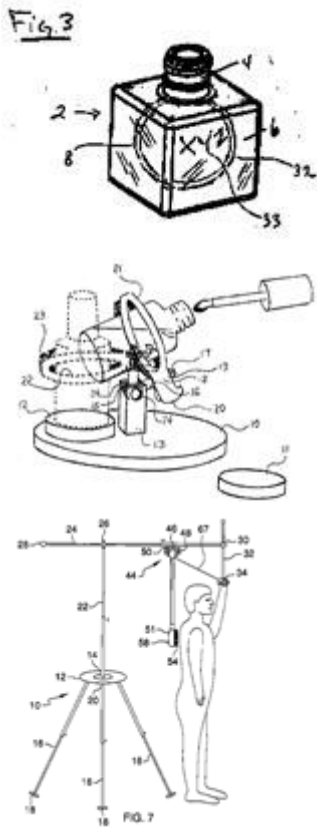

A45D 34/00

Containers or accessories specially adapted for handling

liquid toilet or cosmetic substances, e.g. perfumes ([N: jewellery dispensing perfume or the like A44C15/002]

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Jewellery dispensing perfume or the like	A44C 15/002
Features common to writing or drawing implements	B43

Informative references

Attention is drawn to the following places, which may be of interest for search:

Body washing or cleaning implements	A47K 7/00
-------------------------------------	---------------------------

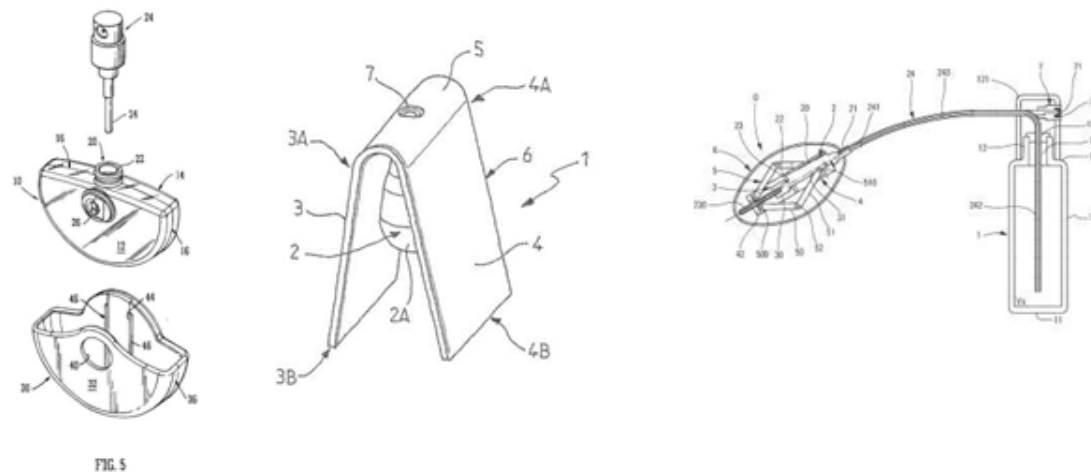

A45D 34/02

Scent flasks, e.g. with evaporator

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 34/04

Appliances specially adapted for applying liquid, e.g. using roller or ball

Informative references

Attention is drawn to the following places, which may be of interest for search:

Dispensers for soap	A47K 5/06
Containers with means for dispensing contents	B65D 83/00

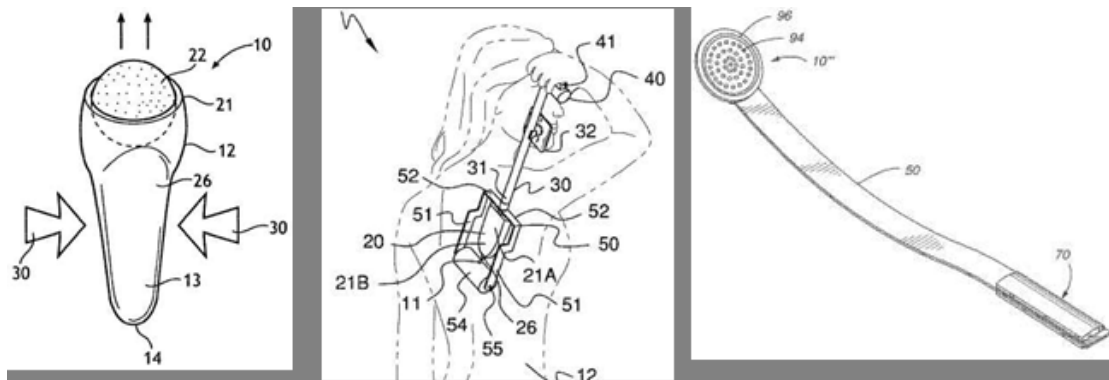

A45D 34/041

[N: using a roller, a disc or a ball]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

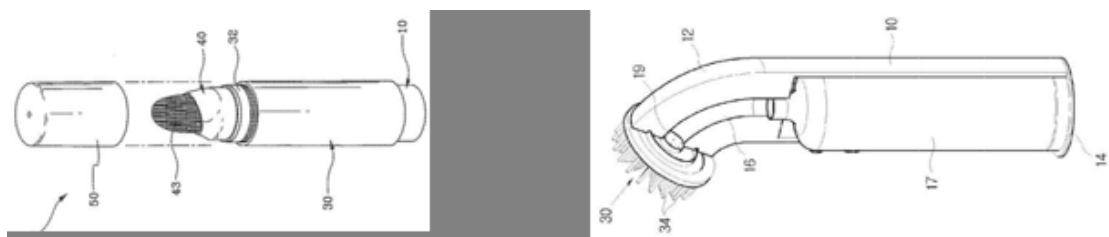

A45D 34/042

[N: using a brush or the like]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

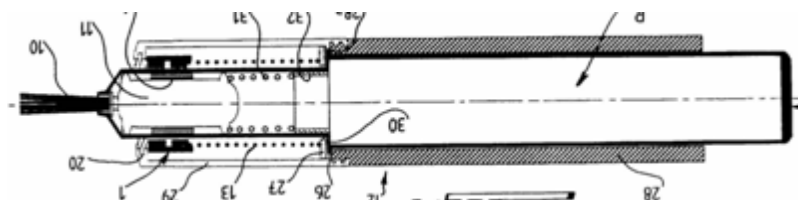

A45D 34/043

[N: movable within the container]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

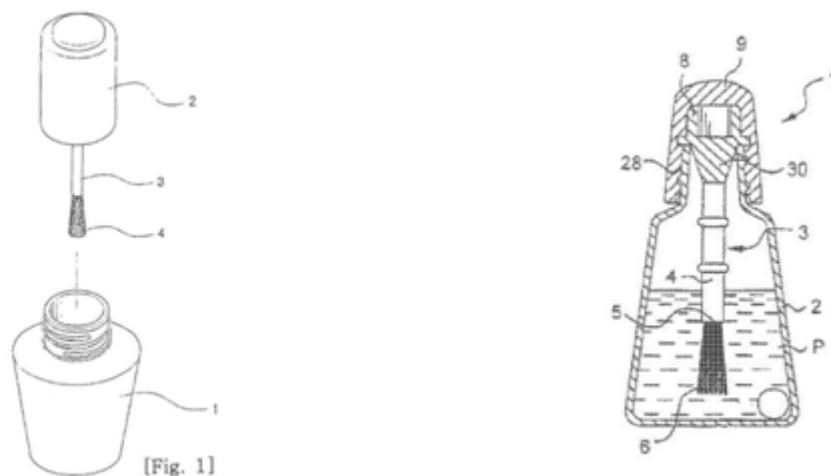

A45D 34/045

[N: connected to the cap of the container]

Definition statement

This subclass/group covers:

Liquid applicators, typically nail varnish applicators. Illustrative example:

Informative references

Attention is drawn to the following places, which may be of interest for search:

Mascara applicators	A45D 40/265
---------------------	-----------------------------

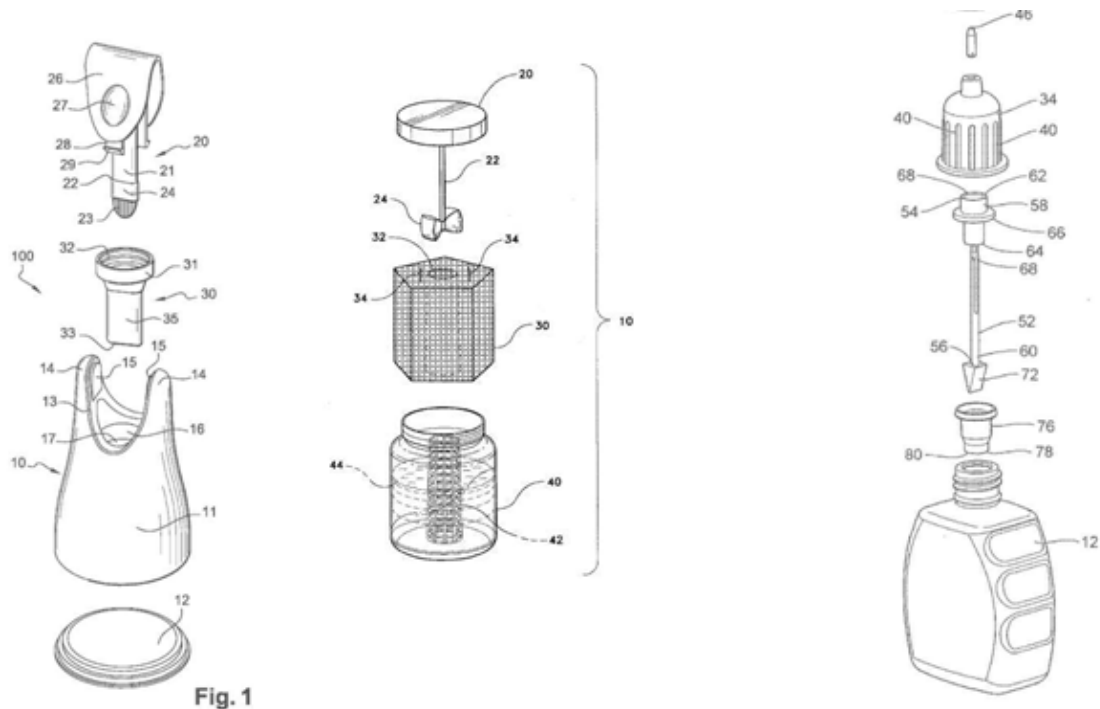

A45D 34/046

[N: comprising a wiper]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

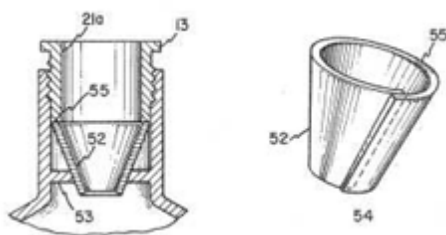

A45D 34/047

[N: with adjustable wiping action]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

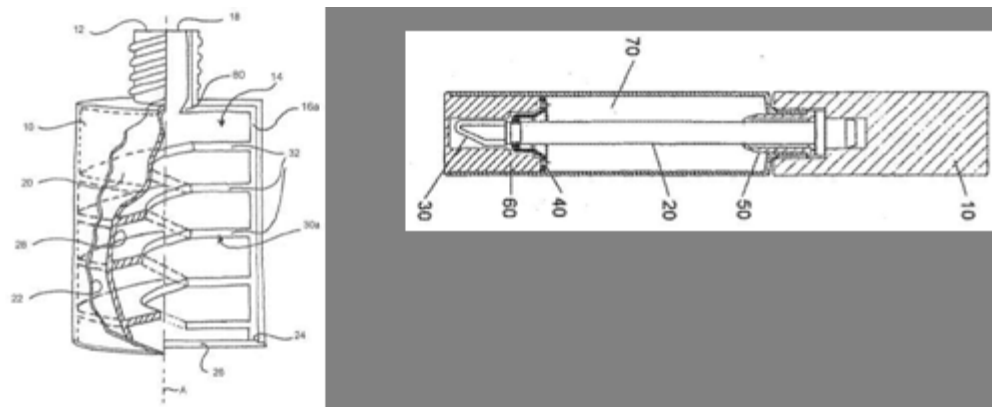

A45D 34/048

[N: with stirring means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

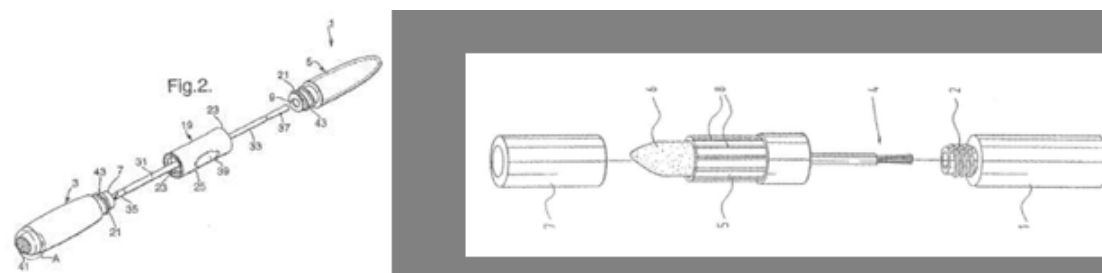

A45D 34/06

in combination with other toilet articles, e.g. lipstick

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

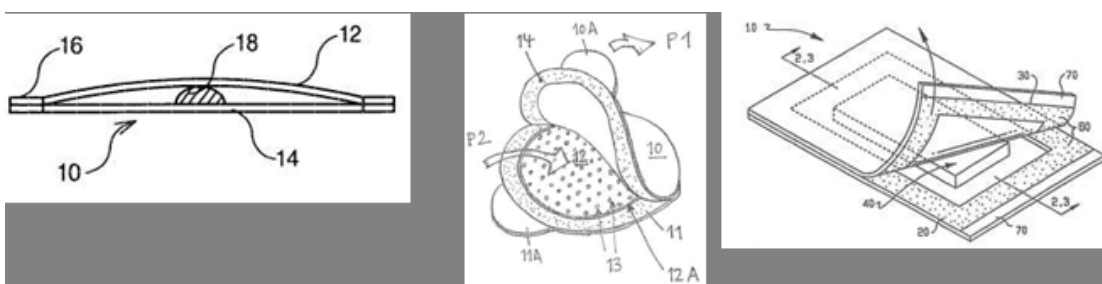

A45D 37/00

Sachet pads for liquid substances

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Cosmetic preparations for tissues, wipes or patches	A61K 8/0208
Cloths, pads or sponges containing cleaning agents	A47L 13/17
Absorbent pads for applying media, e.g. remedies on the human body	A61M 35/006

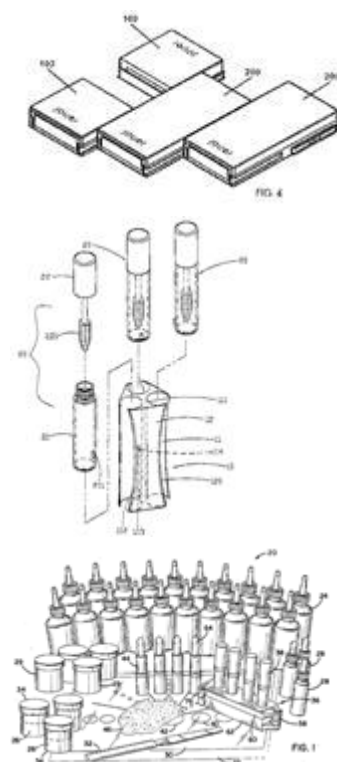

A45D 40/00

Casings or accessories for storing or handling solid or pasty toilet or cosmetic substances, e.g. shaving soap, lipstick, make-up(features common to containers for handling powdery or liquid toilet or cosmetic substancesA45D33/00 to A45D37/00; cosmetic or like preparationsA61K8/00,A61Q; sample tables or the like G09F5/00)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Features common to containers for handling powdery or liquid toilet or cosmetic substances	A45D 33/00 - A45D 37/00
Cosmetic or like preparations	A61K 8/00 , A61Q
Features common to writing or drawing implements	B43
Sample tables or the like	G09F 5/00

A45D 40/0068

[N: Jars]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

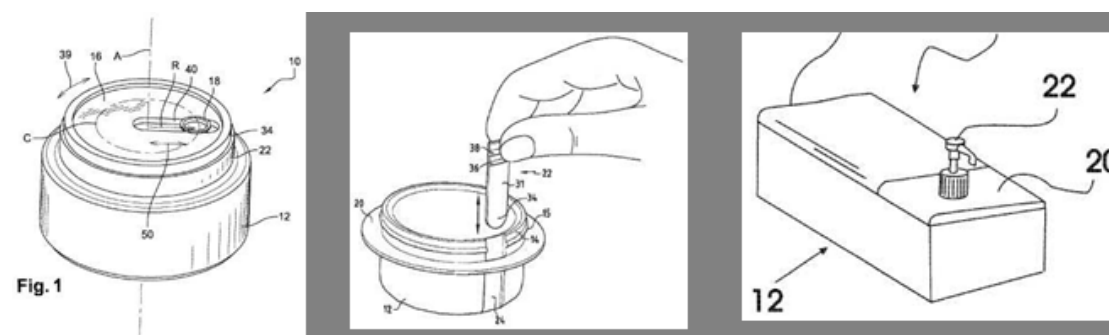

A45D 40/0075

[N: with dispensing means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

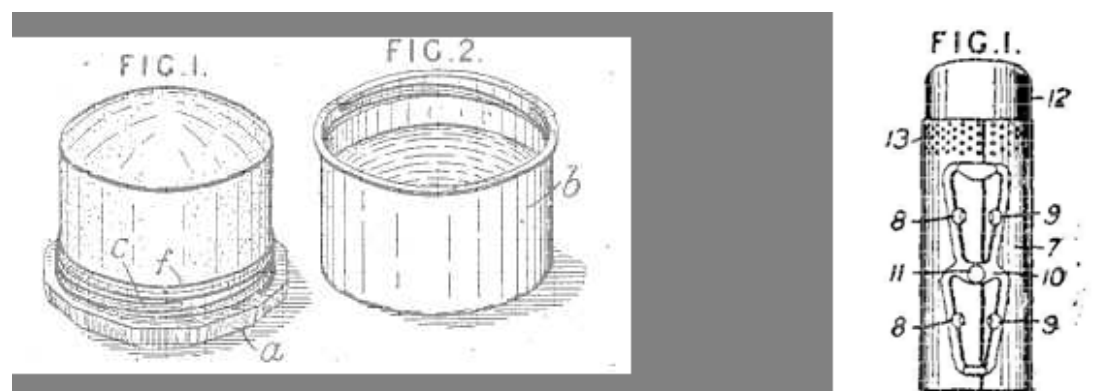

A45D 40/0081

[N: for shaving soap (A45D40/02, A45D40/06 take precedence)]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

The stick having a sliding or screwing movement	A45D 40/02 , A45D 40/06
---	---

A45D 40/02

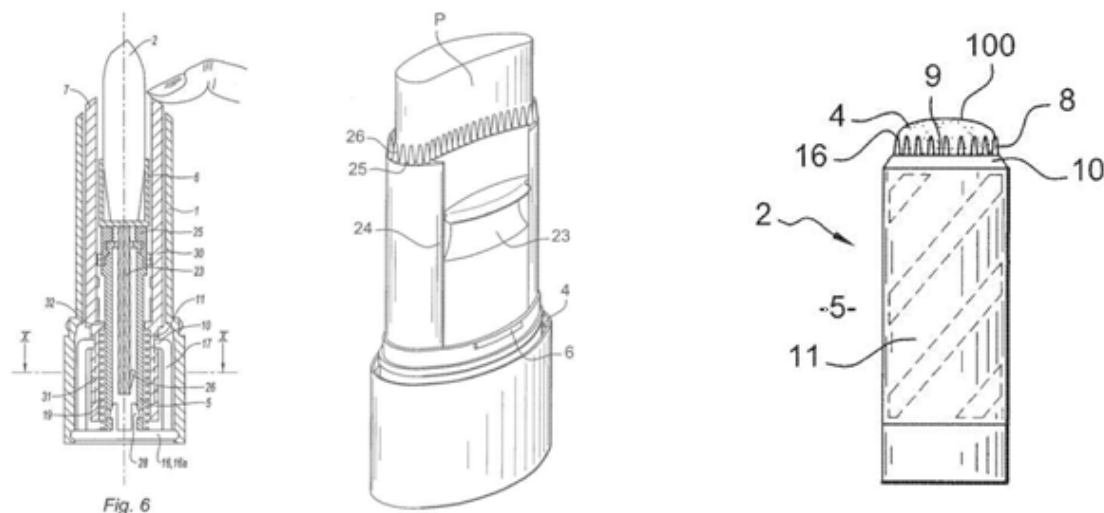

Casings wherein movement of the lipstick or like solid is a

sliding movement (A45D40/06 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With a screwing movement	A45D 40/06
--------------------------	----------------------------

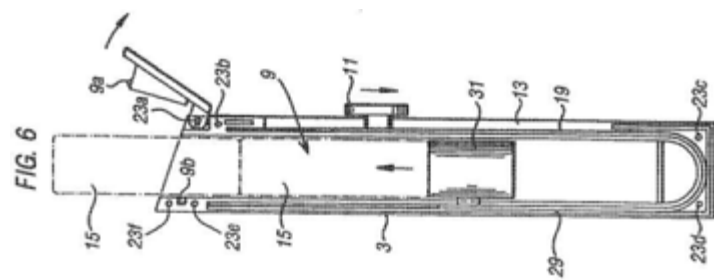

A45D 40/023

[N: with self-contained covering means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

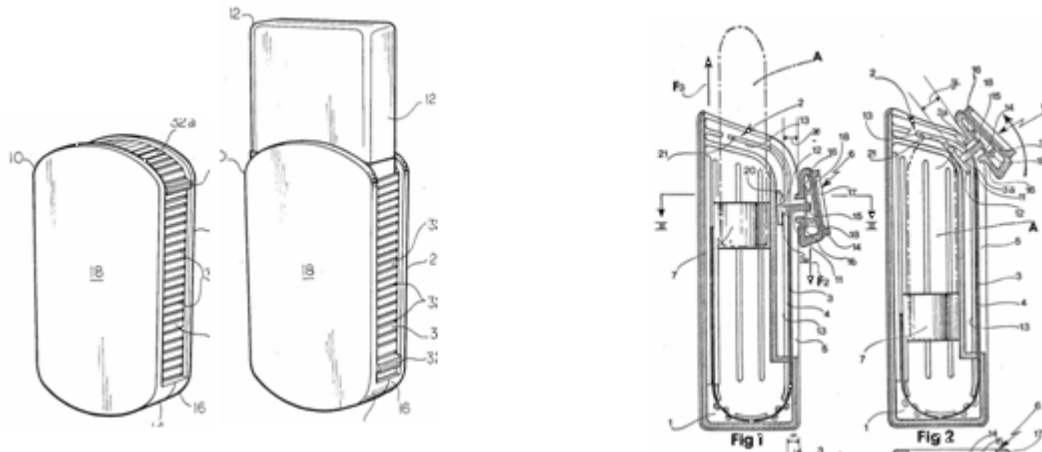

A45D 40/026

[N: consisting of a movable strip]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

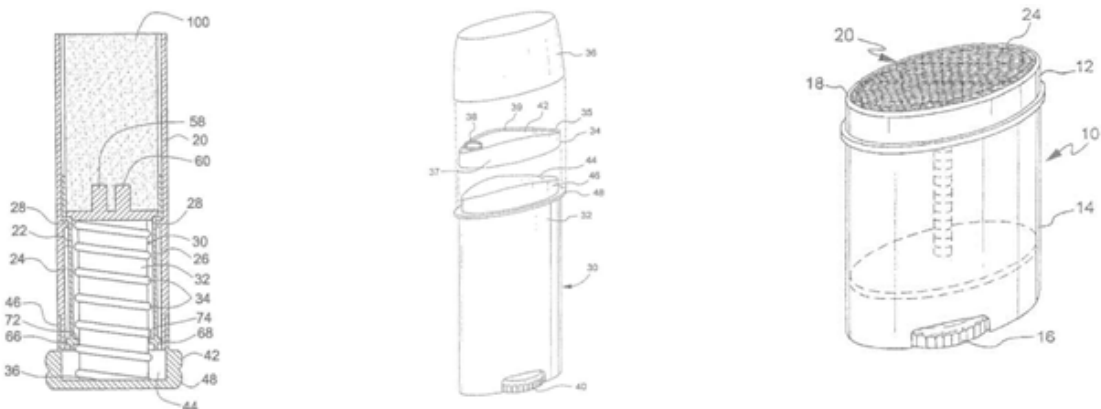

A45D 40/04

effected by a screw

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

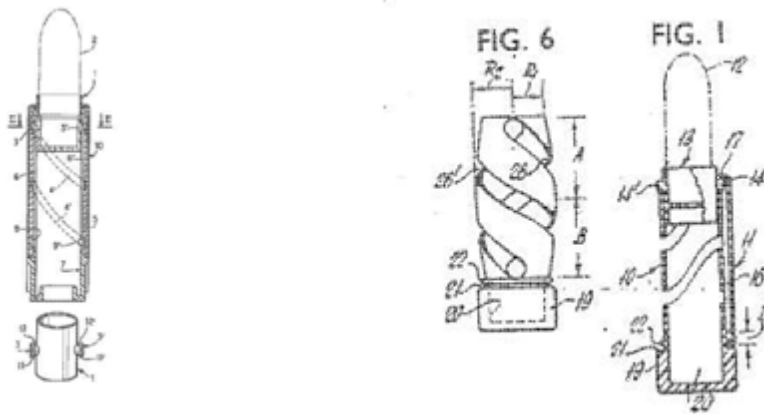

A45D 40/06

Casings wherein movement of the lipstick or like solid is a screwing movement

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

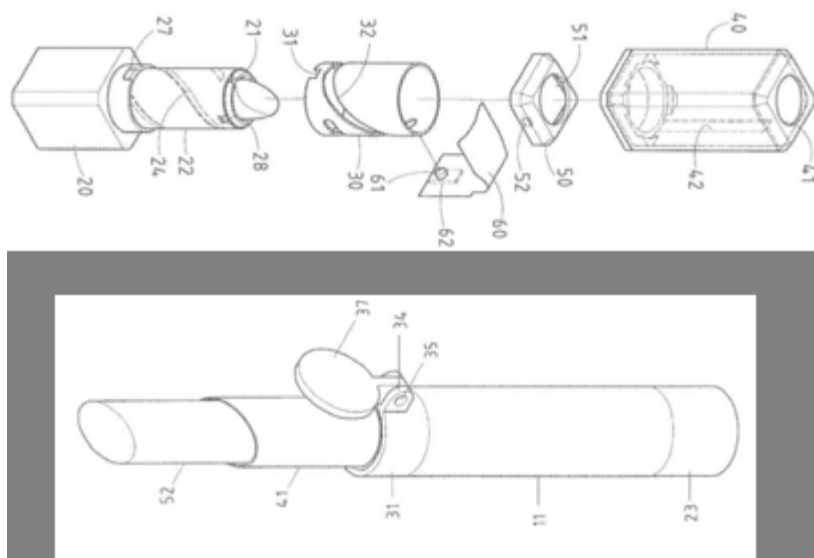

A45D 40/065

[N: with self-contained covering means]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

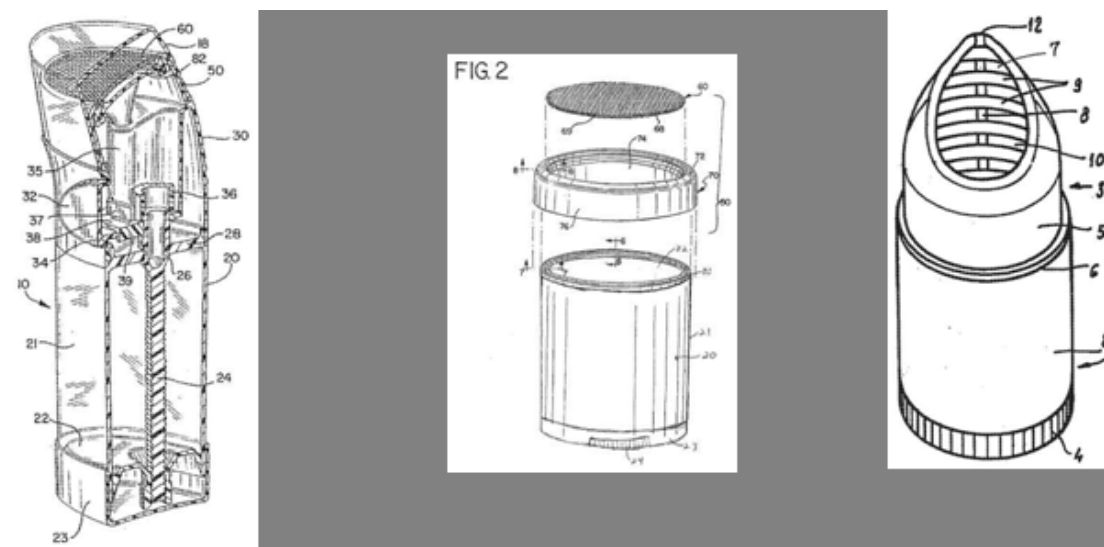

A45D 40/08

with provision for sieves or shaping parts for sticks ends

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

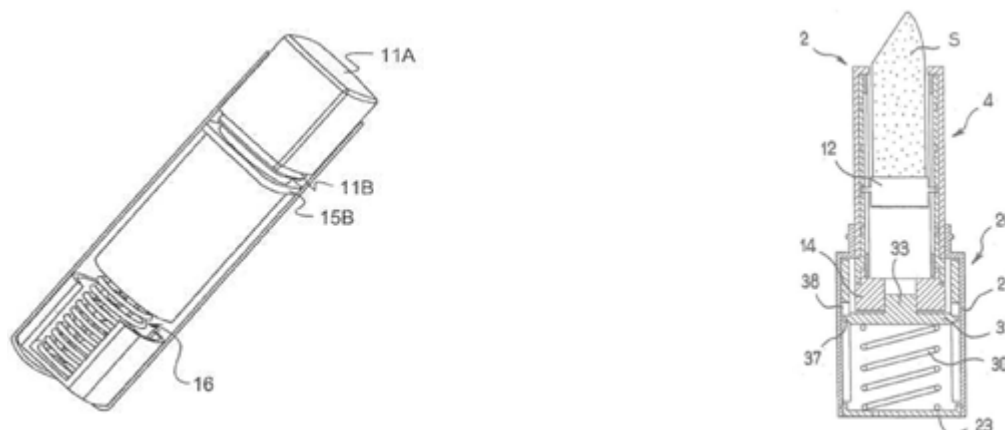

A45D 40/10

Casings wherein a spring presses the lipstick or like solid into the position for use or into the retracted position

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

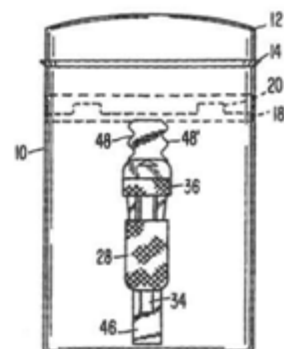

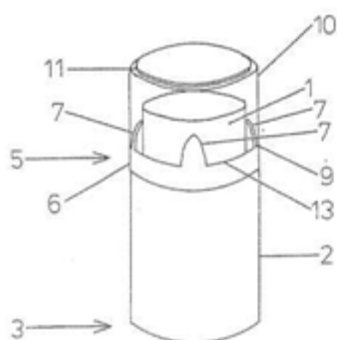

A45D 40/12

Casings with provision for preventing undesired movement of the stick (A45D40/10 takes precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

With a spring pressing the lipstick	A45D 40/10
-------------------------------------	----------------------------

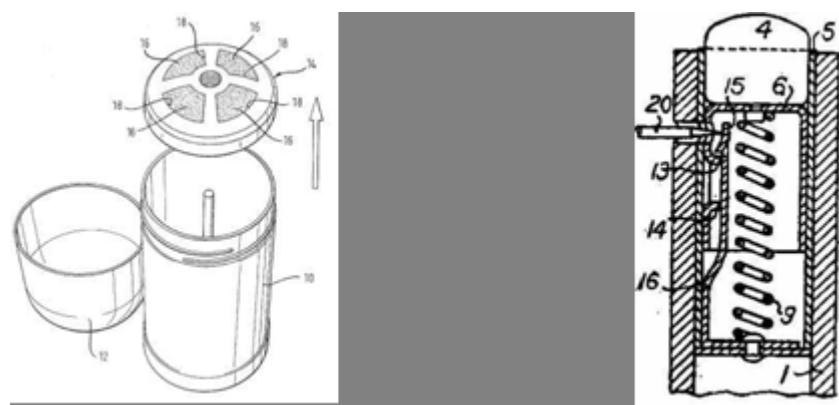

A45D 40/14

Casings with ejector for waste stick or the like

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

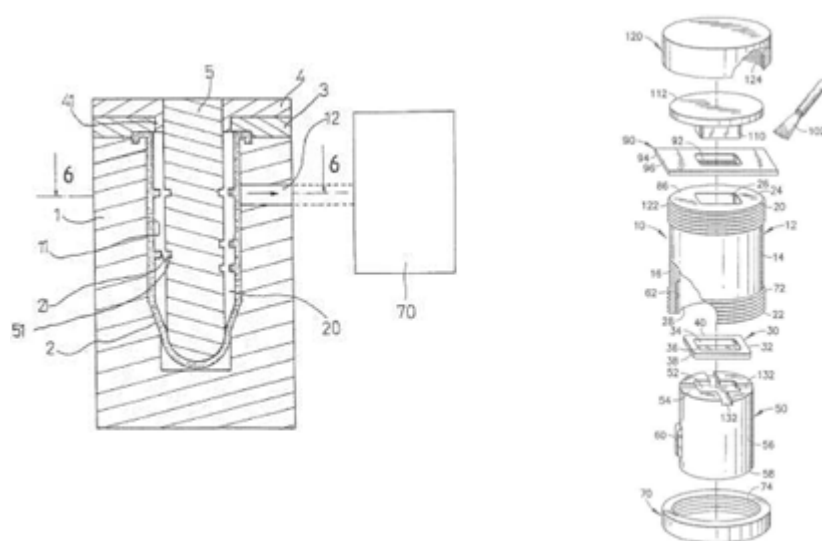

A45D 40/16

Refill sticks; Moulding devices for producing sticks

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

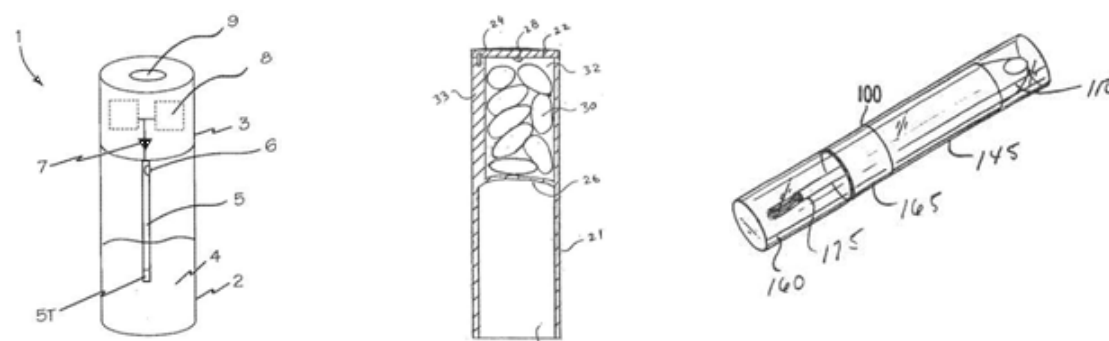

A45D 40/18

Casings combined with other objects (A45D40/24, A45D42/02 take precedence)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

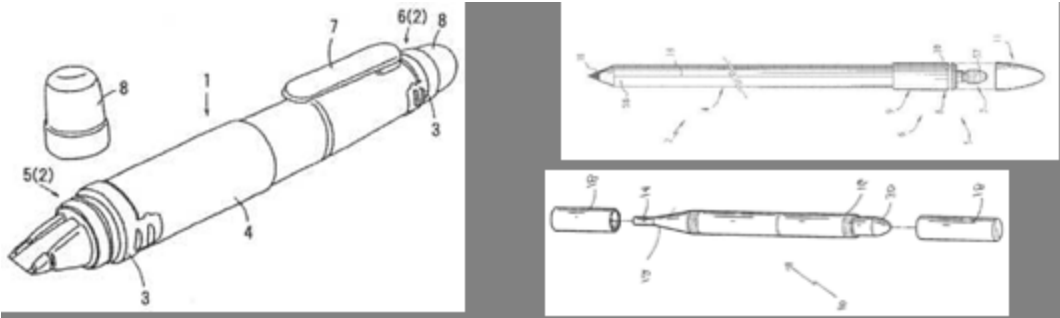

For two or more cosmetics	A45D 40/24
Mirrors with lipstick	A45D 42/02

A45D 40/20

Pencil-like cosmetics; Simple holders for handling stick-shaped cosmetics or shaving soap while in use

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

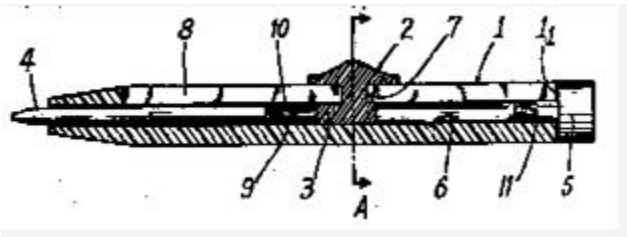

A45D 40/205

Holders for stick-shaped cosmetics whereby the stick can move axially relative to the holder (casings for lipstick A45D40/02, A45D40/06; refill sticks or moulding devices for producing sticks A45D40/16)]

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Casings for lipstick	A45D 40/02 , A45D 40/06
Refill sticks or moulding devices for producing sticks	A45D 40/16

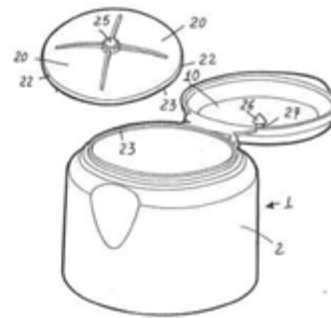

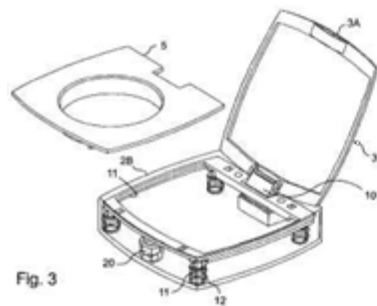

A45D 40/22

Casings characterised by a hinged cover

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 40/221

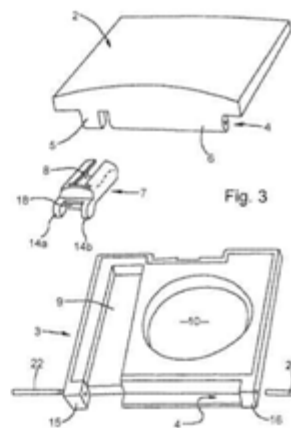

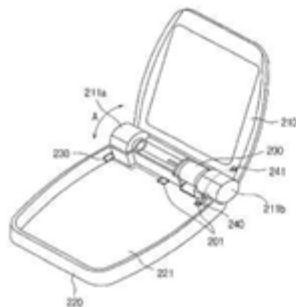

Features of the hinge

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Fig. 2

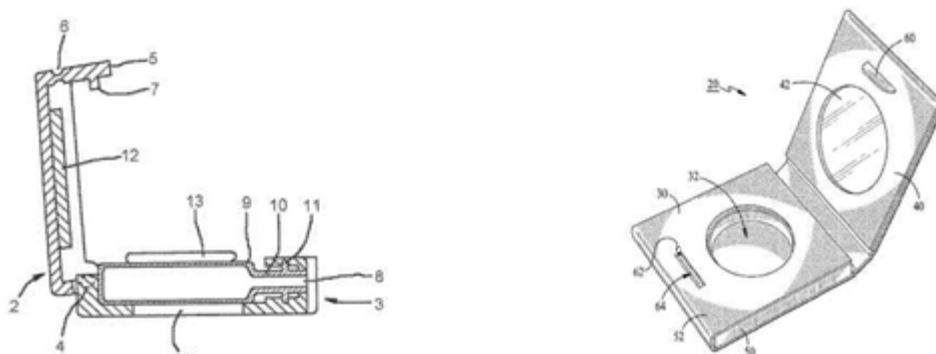

A45D 40/222

Means for closing the lid

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

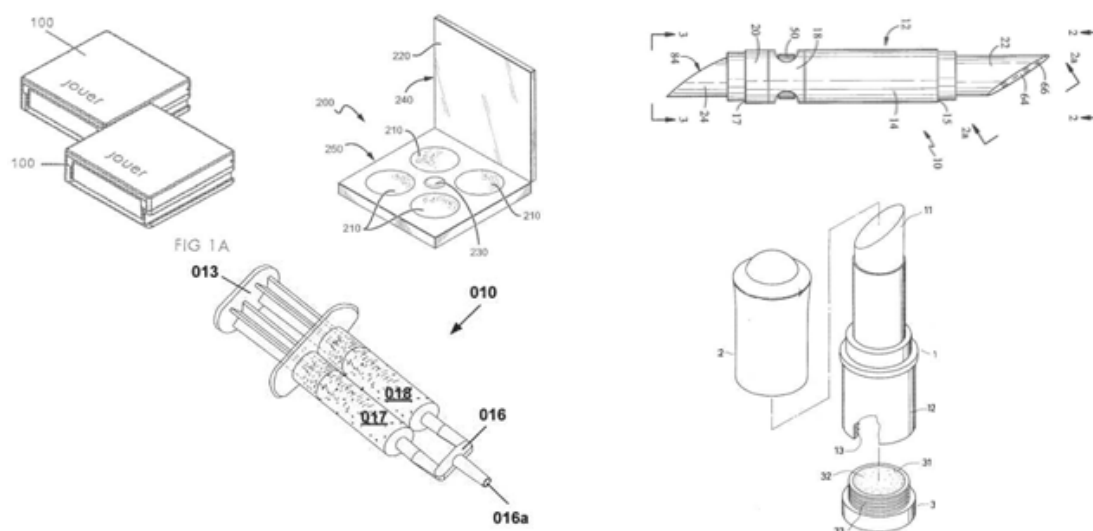

A45D 40/24

Casings for two or more cosmetics

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 40/26

Appliances specially adapted for applying pasty paint, e.g. using roller, using a ball

References relevant to classification in this group

This subclass/group does not cover:

For applying liquid paint	A45D 34/04
---------------------------	----------------------------

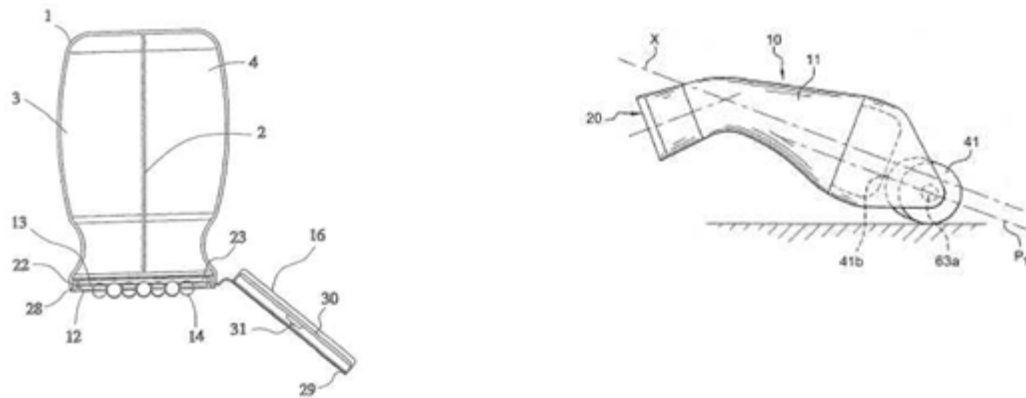

A45D 40/261

[N: using a ball, a roller or the like]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

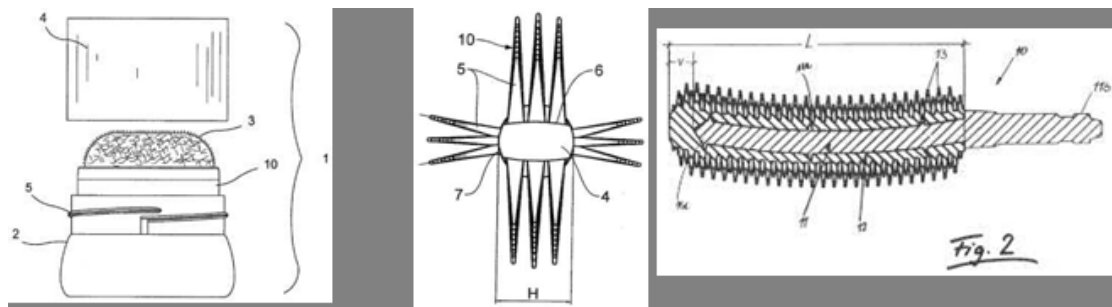

A45D 40/262

[N: using a brush or the like]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

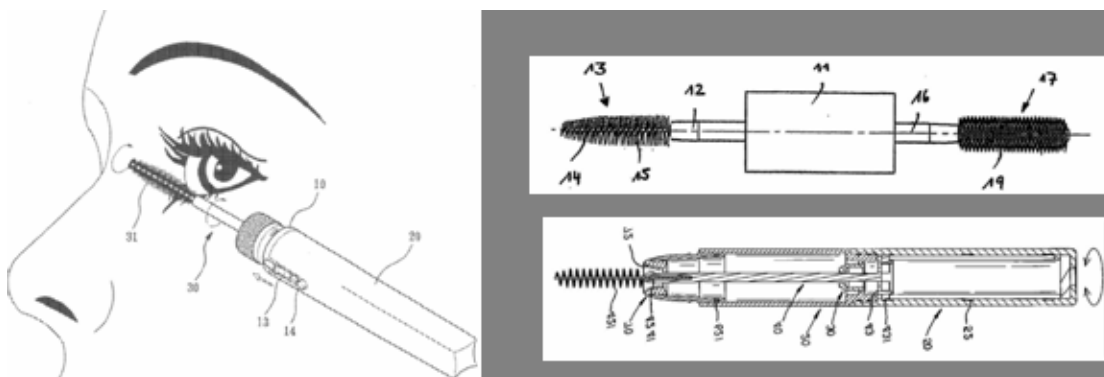

A45D 40/264

[N: movable within the container]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

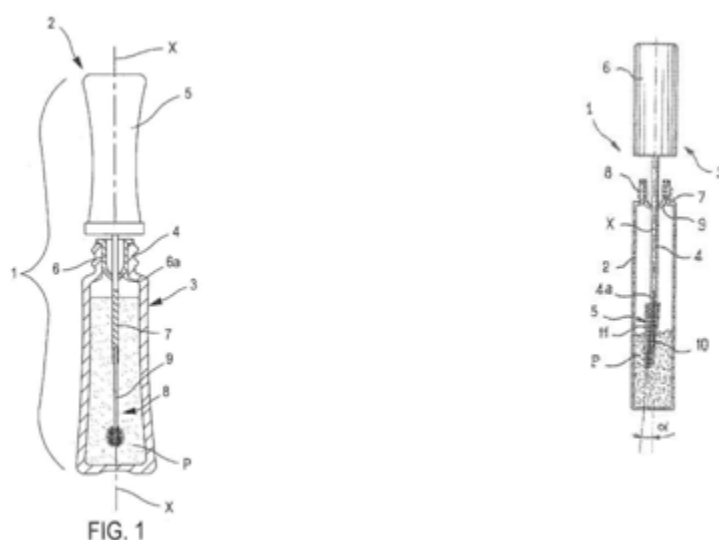

A45D 40/265

[N: connected to the cap of the container]

Definition statement

This subclass/group covers:

Applicators for pasty cosmetics, typically for mascara. Illustrative example:

Informative references

Attention is drawn to the following places, which may be of interest for search:

Nail varnish applicators	A45D 34/045
--------------------------	-----------------------------

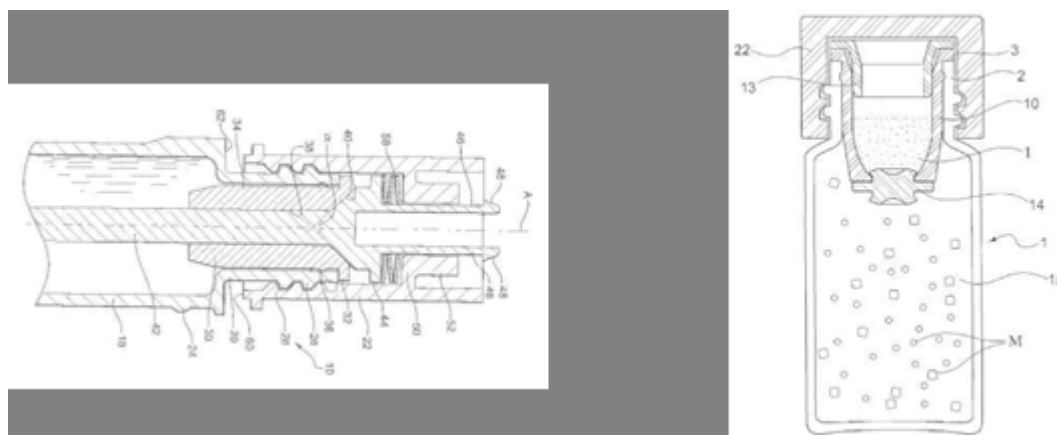

A45D 40/267

[N: comprising a wiper]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 40/268

[N: with adjustable wiping action]

Definition statement

This subclass/group covers:

Illustrative example of subject matter classified in this group.

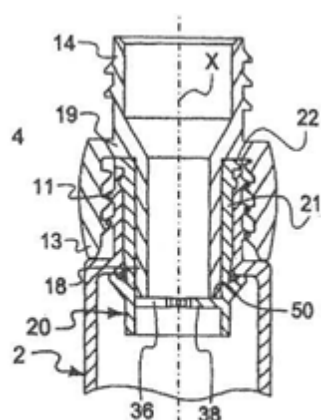

Fig.5

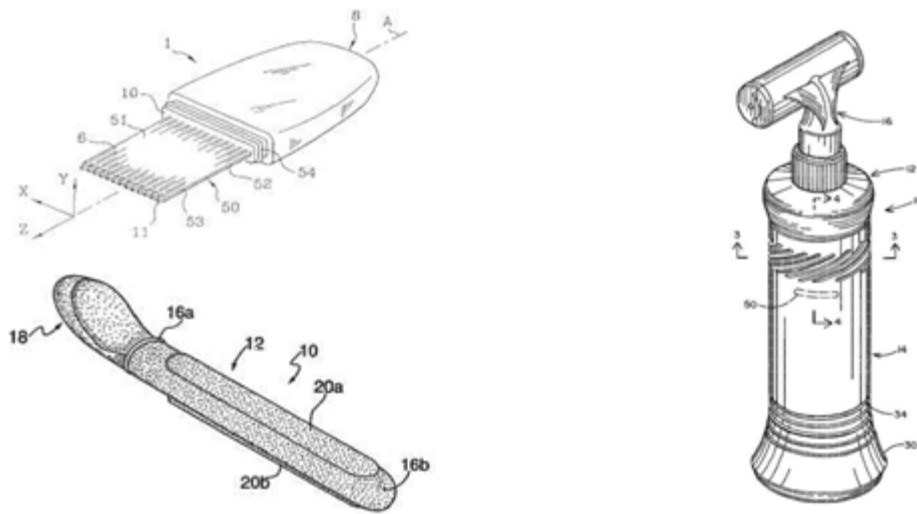

A45D 40/28

Appliances specially adapted for spreading already applied paint

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

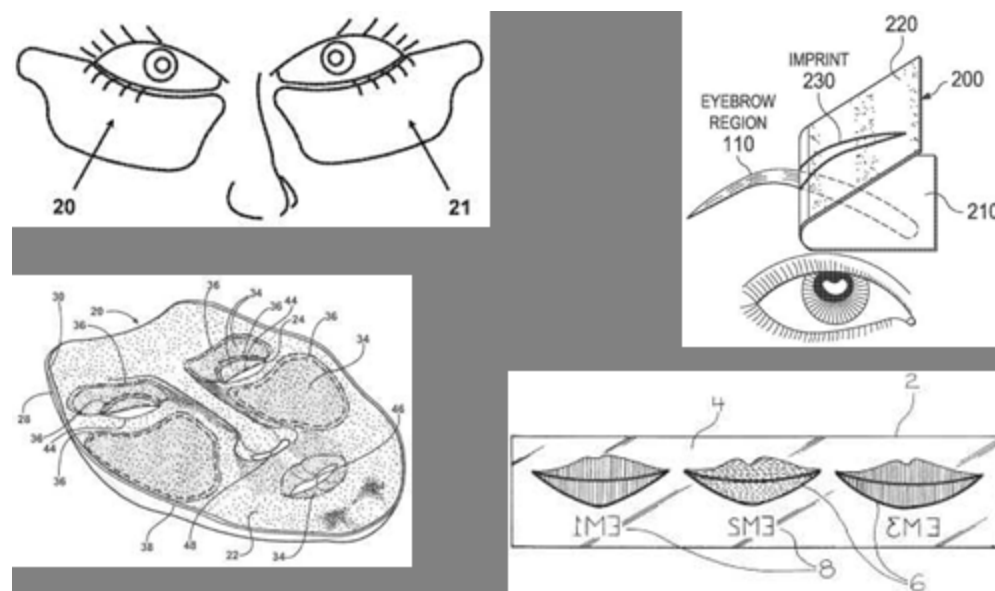

A45D 40/30

Masks for marking lips or eyelashes

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

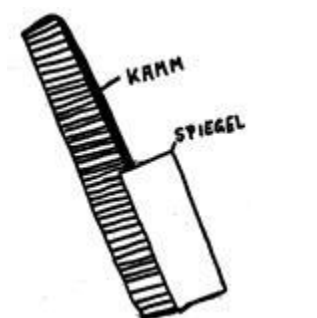

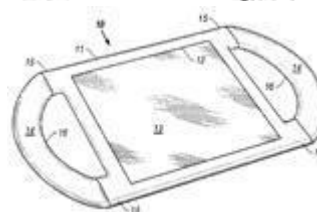

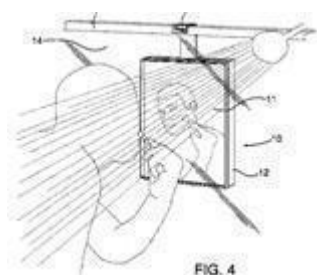

A45D 42/00

Hand, pocket, or shaving mirrors

Definition statement

This subclass/group covers:

Mirrors for personal use, e.g. for use while travelling. Illustrative example:

References relevant to classification in this group

This subclass/group does not cover:

Mirrors as household equipment	A47G 1/02
Mirrors as optical elements	G02B 5/08

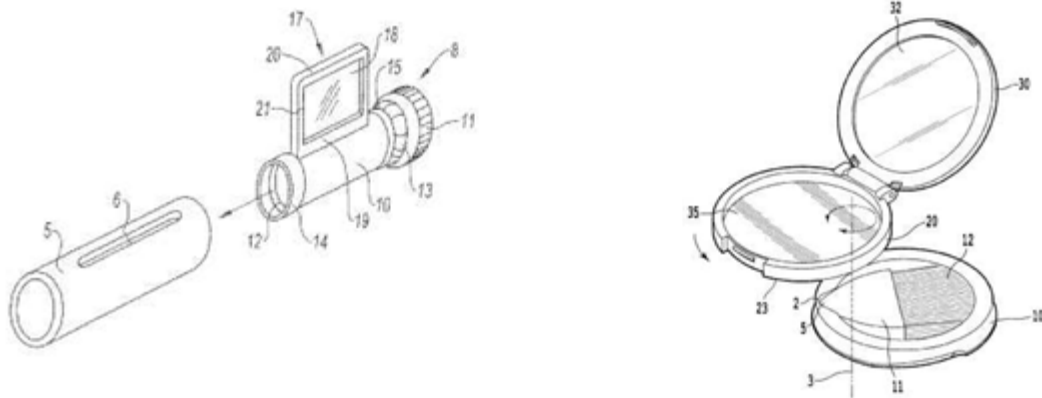

A45D 42/02

Mirrors with lipstick or powder-pads

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

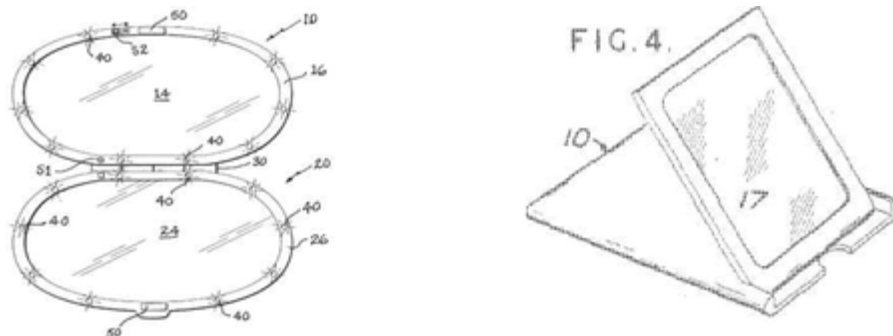

A45D 42/04

Pocket or handbag mirrors

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

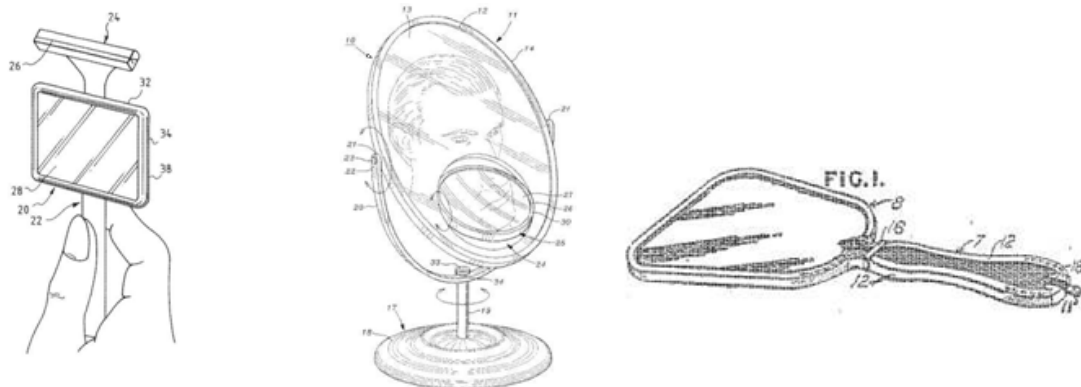

A45D 42/08

Shaving mirrors

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

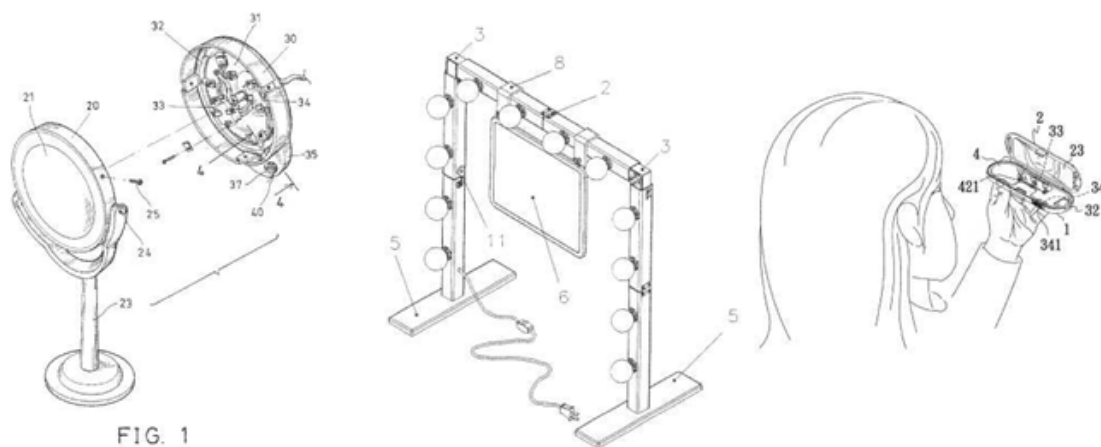

A45D 42/10

illuminated

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

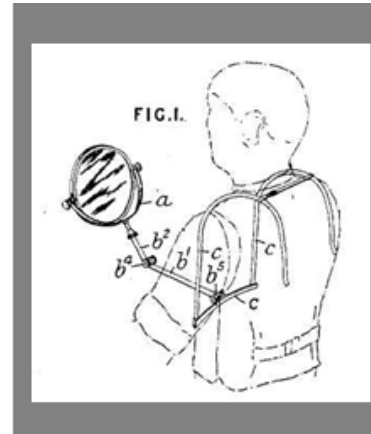

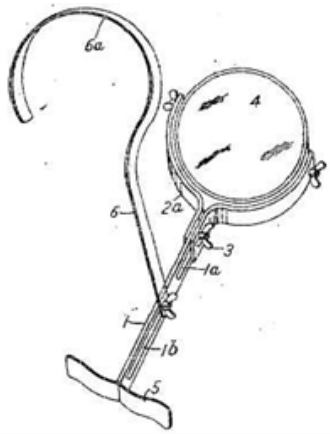

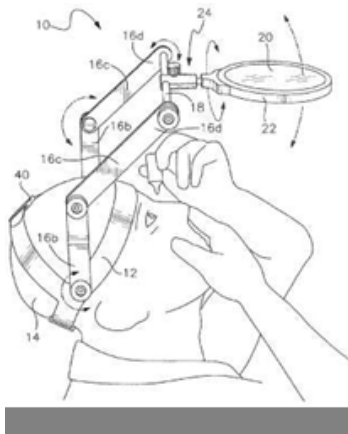

A45D 42/12

able to be suspended on a person's body

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

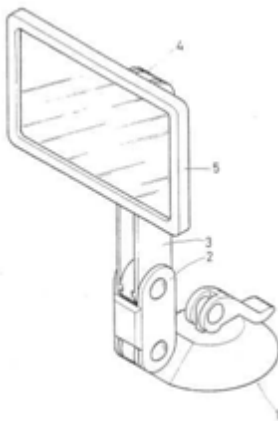

A45D 42/14

with vacuum cups

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

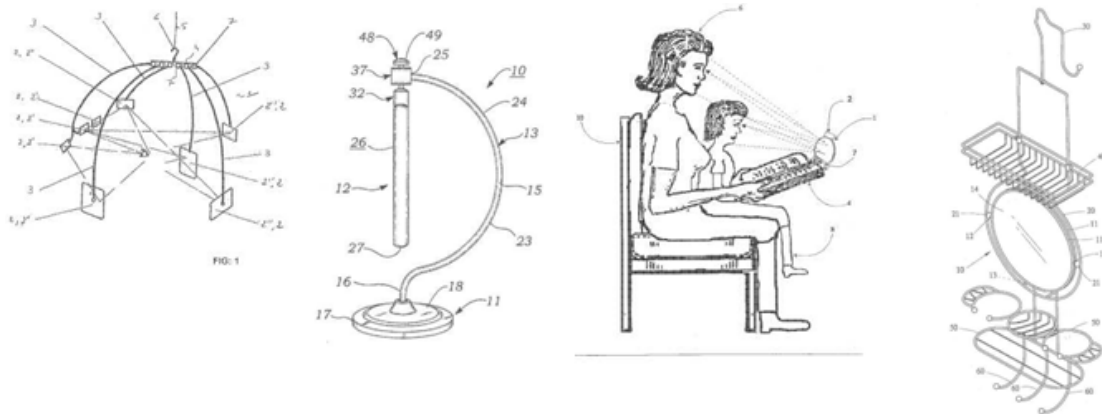

A45D 42/16

with other suspending or supporting means

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

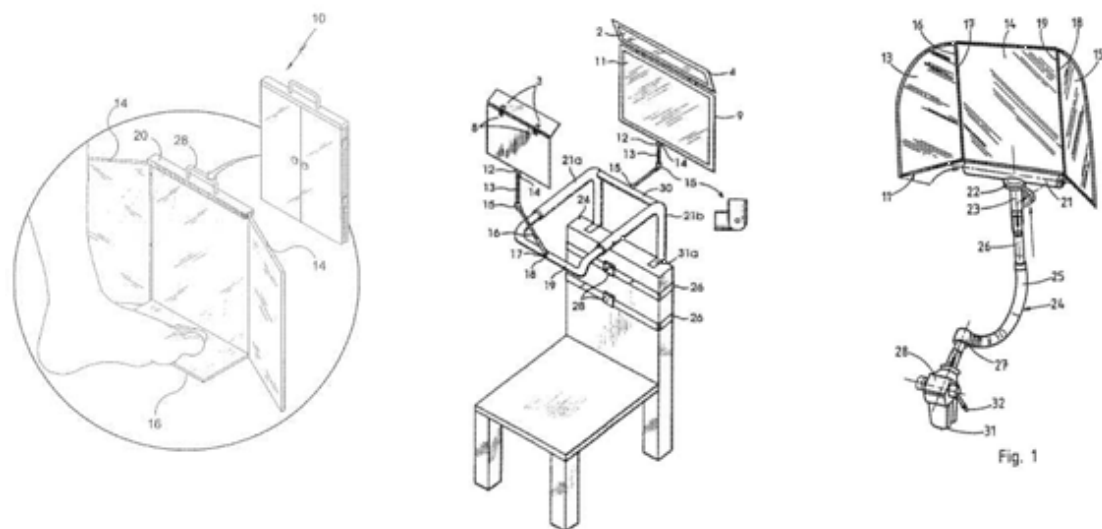

A45D 42/18

Manifold reflecting mirrors

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

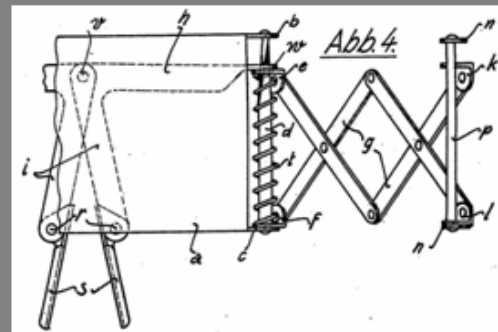

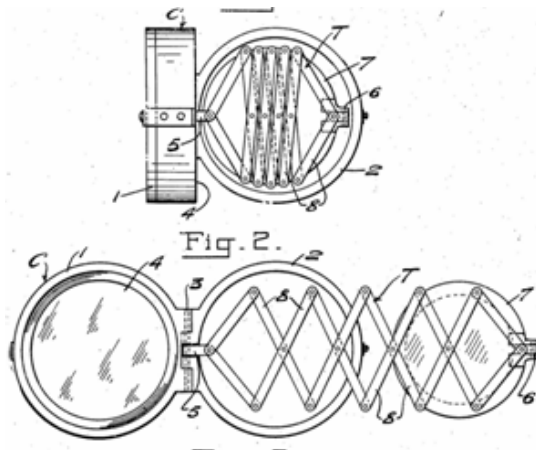

A45D 42/20

with lazy-tongs connection

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 42/22

Metal mirrors

Informative references

Attention is drawn to the following places, which may be of interest for search:

Dentists' mirrors	A61B 1/247
-------------------	----------------------------

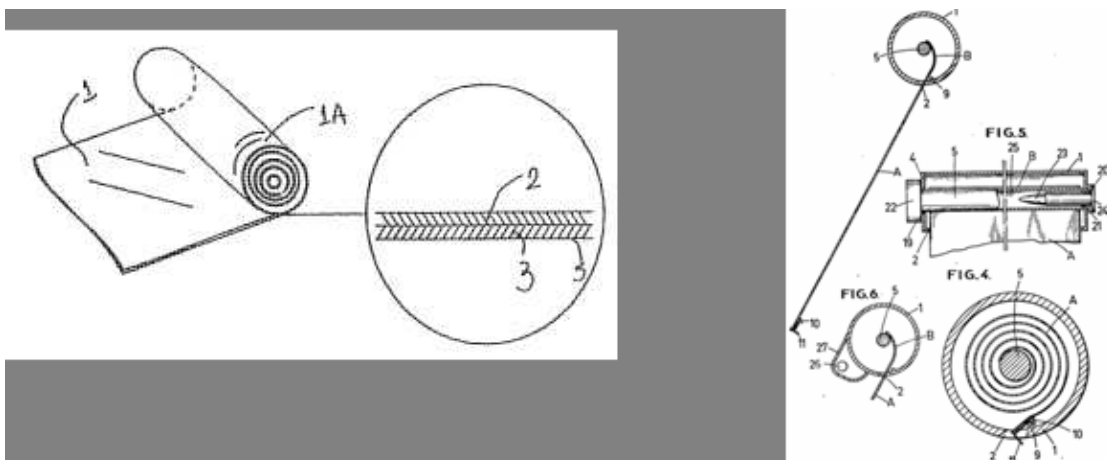

A45D 42/24

Flexible mirrors

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

A45D 44/00

Other toilet or cosmetic equipment, e.g. for hairdressers' rooms

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

Informative references

Attention is drawn to the following places, which may be of interest for search:

Cosmetic or similar toilet preparations	A61K 8/00
Devices for applying media, e.g. remedies, on the human body	A61M 35/00
Preparations for care of the skin	A61Q 19/00
Mixers	B01F
Coin-freed apparatus for washing or drying persons	G07F 17/18

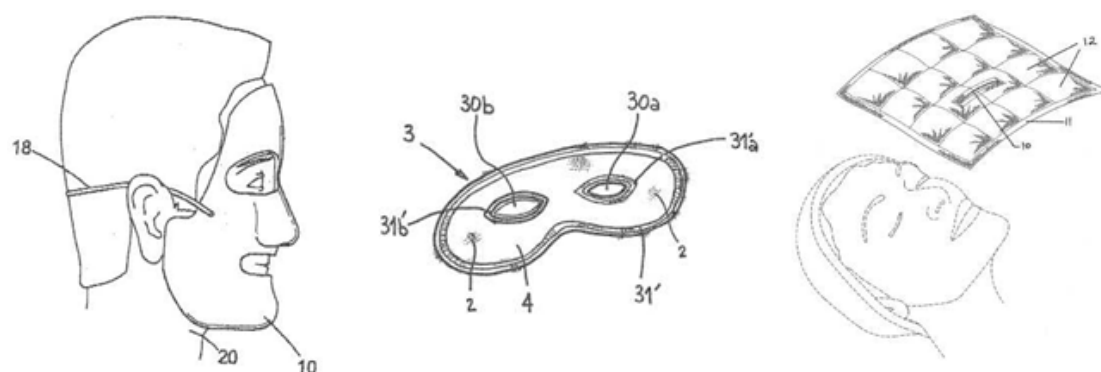

A45D 44/002

[N: Masks for cosmetic treatment of the face]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

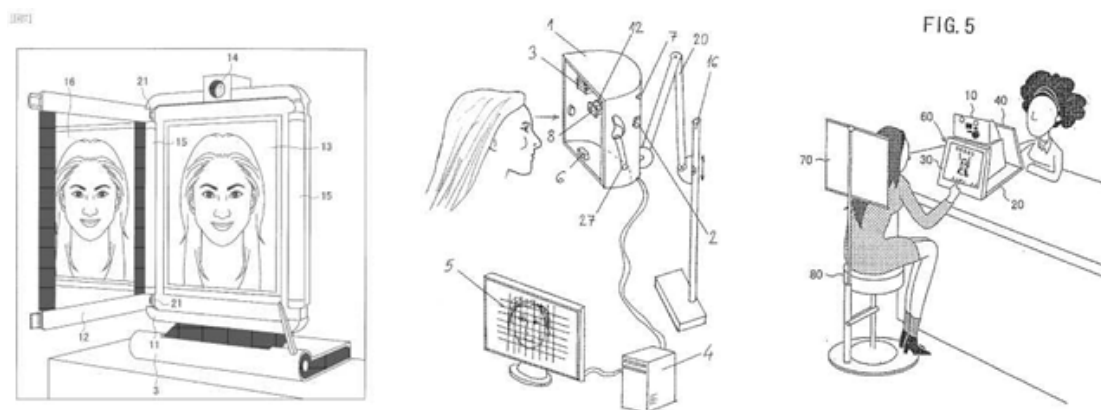

A45D 44/005

[N: for selecting or displaying personal cosmetic colours or hairstyle]

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

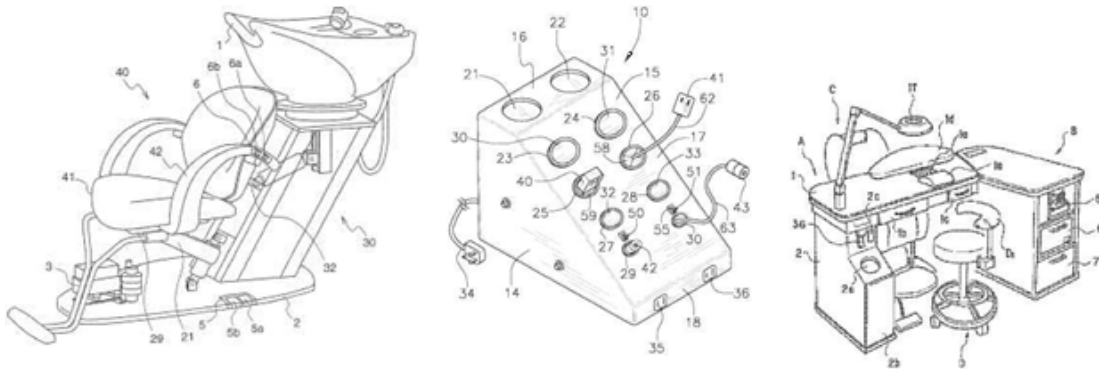

A45D 44/02

Furniture or other equipment specially adapted for hairdressers' rooms and not covered elsewhere (hairdressers' chairs A47C1/04)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Hairdressers' chairs	A47C 1/04
----------------------	---------------------------

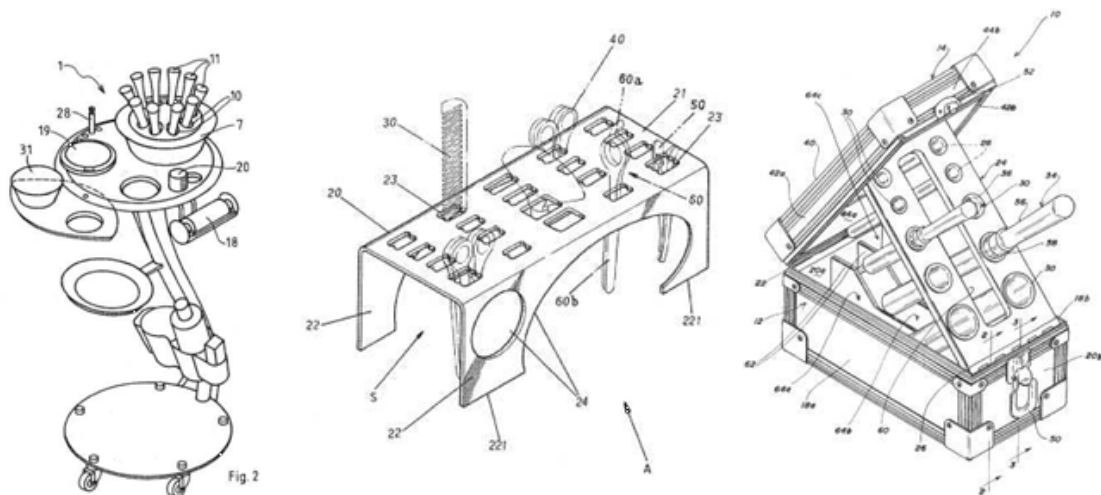

A45D 44/04

Special adaptations of portable frames or racks

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

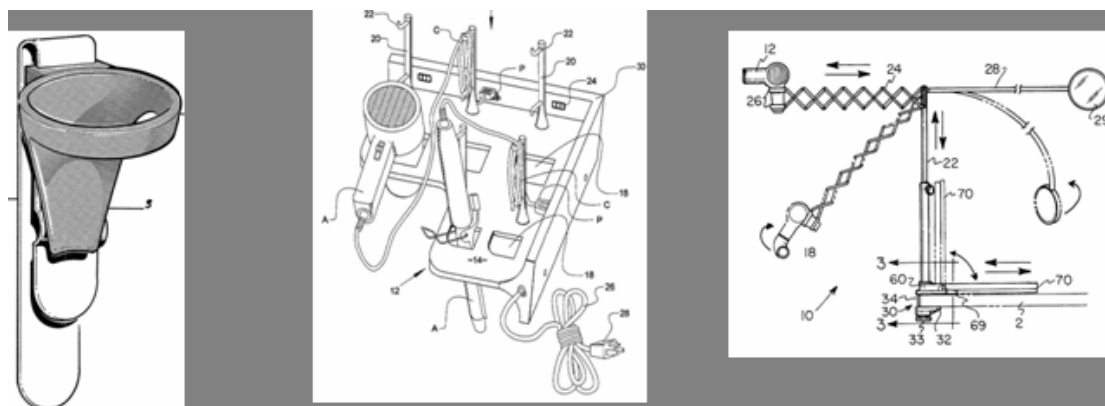

A45D 44/06

Means specially adapted for suspending hairdressers' machines, e.g. trolleys for electro-motors

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

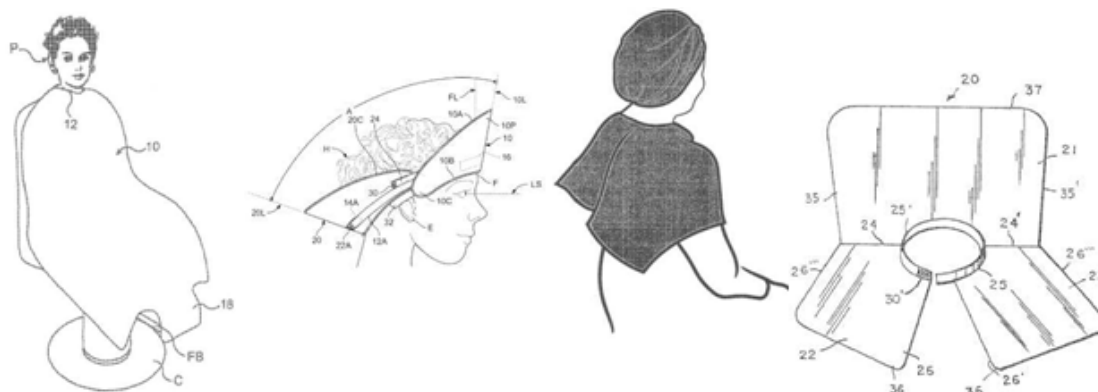

A45D 44/08

Protecting mantles; Shoulder-shields; Collars; Bibs

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

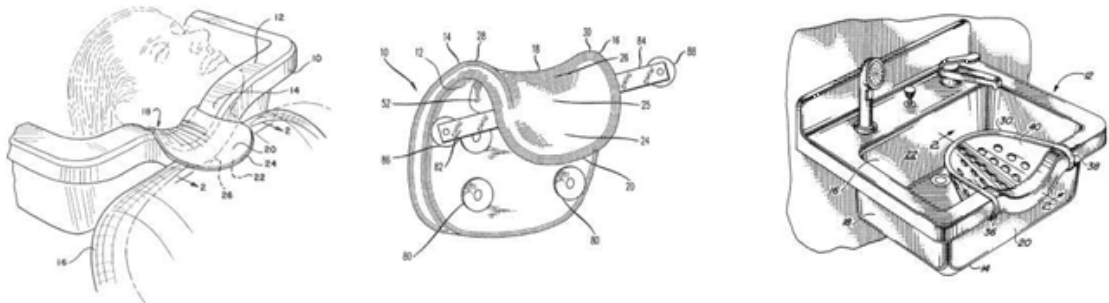

Wearing apparel in general	A41
Hairdressers` coats	A41D 13/00

A45D 44/10

Head-rests; Neck-rests

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

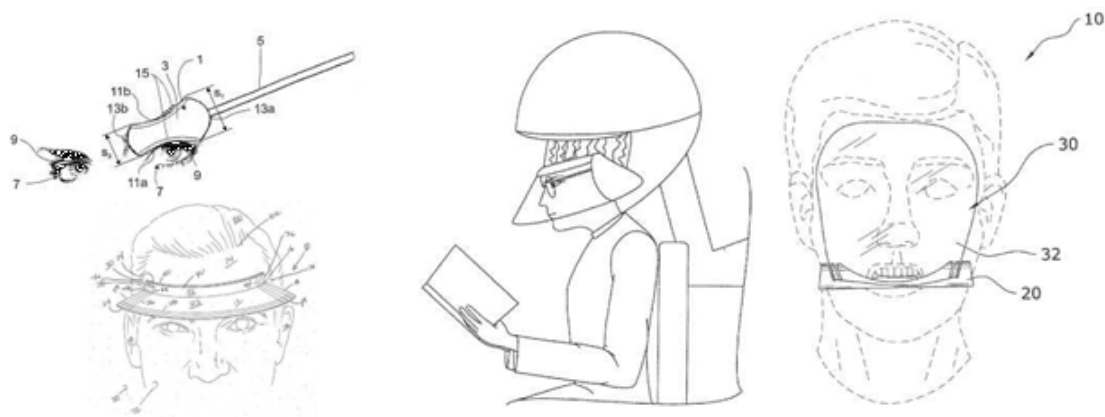

Combined with chairs	A47C 1/10 , A47C 7/36
----------------------	---

A45D 44/12

Ear, face, or lip protectors (shaving masks A45D27/42)

Definition statement

This subclass/group covers:
Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Shaving masks	A45D 27/42
---------------	----------------------------

Stands for performing hairdressing work; Postiche heads

This subclass/group covers:

Hair-collecting boxes or containers for the same purpose; [N: Hair collecting devices, e.g. with suction means]

This subclass/group covers:

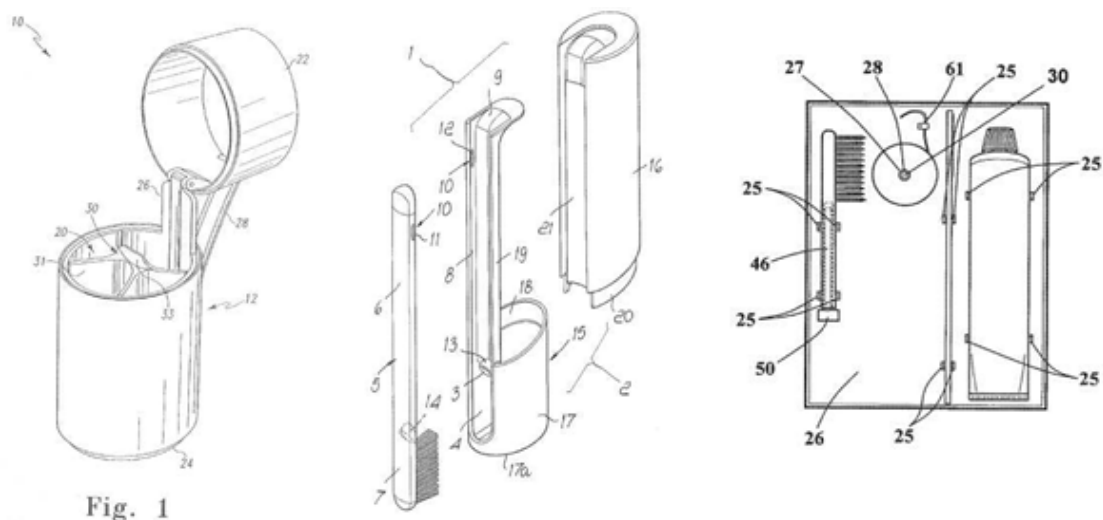

165

Receptacles for hair brushes or tooth brushes as travelling equipment

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

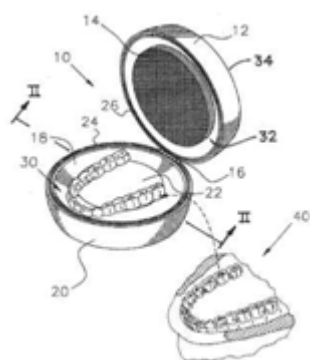

A45D 44/20

Containers for storing artificial teeth

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

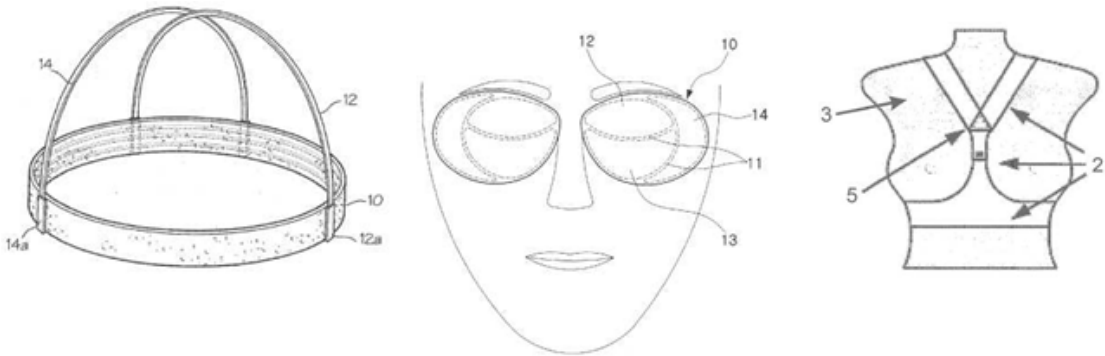

A45D 44/22

Face shaping devices, e.g. chin straps; Wrinkle removers, e.g. stretching the skin (skin stretchers for shaving A45D27/38)

Definition statement

This subclass/group covers:

Illustrative examples of subject matter classified in this group.

References relevant to classification in this group

This subclass/group does not cover:

Skin stretchers for shaving	A45D 27/38
For medical or surgical purposes	A61
